Drop/Withdraw Definitions

- **Dropping** a class erases the course from your college academic record. It does not appear on your college transcript and does not affect your college GPA.
- **Withdrawing** from a class results in a "W" grade on your college transcript, but it will not impact your college GPA. *May impact future financial aid eligibility.
- To drop/withdraw, you must submit a signed Schedule Change Form to the High School Relations Office at RRCC.
