THE HISTORY OF W.J.C. TRAPP ELEMENTARY

W.J.C. Trapp Elementary School opened in September of 1964. The school was named after William Joseph Christian Trapp, a local citrus grower, who served on the Rialto Unified School Board of Education for 29 years. He was succeeded on the School Board by his daughter, Mrs. Phyllis Iglehart, who served on the Board for ten years. Together they helped to guide the Rialto Unified School District for nearly 40 years.

Trapp Elementary opened with students who previously attended A.H. Morgan Elementary School and Lena M. Preston Elementary School. These students were joined by students from Dunn School during the first year because Dunn was overcrowded. Today, Trapp is the home school for about 536 students. We serve students in grades K-5, and we are proud to be an inclusive practices and DLI school.

In 2008, 2018 and 2020, the California State Board of Education selected W.J.C. Trapp Elementary School as a California Distinguished School, an award that recognizes inspiring public schools within the state that best represent exemplary and quality educational programs. In 2022, Trapp received the California Pivotal Practice Awards for our dedication, creativity and innovation in implementing significant practices during distance learning.

BECOMING A PARENT VOLUNTEER

DEFINITION OF A VOLUNTEER:

A school volunteer is a person willing to take time to share their wisdom and experiences with those on the threshold of the future: our students. By working under the direction of school leaders, a school volunteer helps to expand and enrich our students' learning experiences.

There are two types of volunteers: Level 1 and Level 2. The level is determined by the type of contact a volunteer will have with students.

LEVEL 1 VOLUNTEER—A Level 1 Volunteer may have direct student contact with students' supervision. These volunteers have contact with students at school events, field trips, and excursions, usually as chaperones. Any overnight field trip requires that a volunteer be at least 21 years of age.

LEVEL 2 VOLUNTEER—A Level 2 Volunteer may contact students but is under “the direct” supervision of a District employee (classified or certificated) on campus at the discretion of a site administrator.

TO BECOME VOLUNTEER, YOU MUST COMPLETE THE FOLLOWING:

- Volunteer Application and Mandated Reporter Training.
- Have a negative TB (tuberculosis) test clearance taken within 60 days of initial service and every four years thereafter.
- Undergo a background check and fingerprinting through the District's Personnel Department and “Livescans” system. **LEVEL 1 ONLY.**

Click on the link below, complete the application, and submit it to the school for Principal's approval. Applicants need to also complete a Tuberculosis (TB) test (administered within the last 60 days), and have completed Mandated Reporter training for the given school year. Once the application, TB test, and training are complete, call Human Resources at (909) 820-7700 ext. 2400 to schedule a fingerprint appointment.

PROCEDURES AND INFORMATION

ARRIVAL TIME:

Students in grades Kindergarten—5th may arrive at school no earlier than **7:15 a.m.** Students may report to the main playground no earlier than 7:45 a.m. **All students who arrive on campus before 7:45 a.m. must report to the cafeteria. The first bell rings at 7:45 a.m. All students must be in classrooms by 8:00 a.m., or they will be marked late.**

DISMISSAL TIME:

Students report to the front of the school at dismissal time and wait to be picked up by their parent/guardian. Students who walk to school must leave campus when school is dismissed. Regular day dismissal for grades Kindergarten - 3rd is 2:06 p.m., and 4th-5th grade is 2:16 p.m. Minimum Day dismissal for grades Kindergarten - 3rd is 12:58 p.m. and 4th-5th grade is 1:04 p.m.

EARLY RELEASE OF STUDENT:

Parents, guardians, or person(s) authorized on the emergency card will be permitted to sign out a student from school. All persons checking out students are required to show current/valid photo identification. *For your child's safety, we will not release students to anyone who is not listed on the child's emergency card. In addition, we will not release students to minors. Include as many names and phone numbers (of adults only) as possible. Please keep your child's emergency card information current in ParentVue.* Please note that early release of your student **will** count against their perfect attendance and cannot be made up with Step-Up.

DROPPING OFF ITEMS FOR YOUR STUDENT DURING SCHOOL HOURS:

If you have lunch, musical instruments, clothing or other items to be delivered to your child, please leave these items in the office and we will get them to your student. Please let your student know to check the front office on their way to band, in the event it was dropped off for them. **Per district guidelines we will no longer be able to receive third party deliveries (UberEats, GrubHub, DoorDash, Postmate etc.).**

THE OFFICE TELEPHONE:

The office telephone is for business use only. Students may use it for emergency situations only.

PARKING LOT:

Your child's safety is our top priority! Please follow all traffic rules and procedures and exercise caution and good judgment in our parking lot. ***Please only use the Trapp parking lot when picking up or dropping off your student. Do not park in the fire lane (red curb) at any time or you may be cited by the Rialto Police Department. Vehicles with a current handicap placard can park in the designated handicap parking spots or along the blue curb.*** Parking is limited on our campus. Parents/guardians are encouraged to drop off students between 7:15 and 7:45 a.m. as the parking lot is much less crowded then. Students must go to the multipurpose room if they are dropped off before 7:45 a.m. Follow all posted signs and directional arrows. Drive slowly and carefully when in the parking lot, and ***do not leave your car unattended*** unless you are parked in a designated parking slot. Pull up to the curb and wait for your child to come to the edge of the sidewalk—do not call your child out into traffic.

DROP OFF AND PICK UP PROCEDURES:

Drop-off

- Remain in your vehicle when you are dropping off your student
- Do not leave your vehicle unattended
- Maintain the flow by moving your vehicle forward
- Do not remain in the drop-off lane and watch your student get to the classroom, as this will slow down the flow of traffic.
- Parents with handicap decals can park in the designated handicap parking spots.
- If you'd like to walk your kindergartener to the front gate, please park your vehicle in the parking lot.
- Please cross your students in the designated crosswalk area inside our parking lot and refrain from walking them across the drop-off and pick-up lanes.
- For student safety, do not drop off in the merging or outside lane. It is dangerous and increases the risk of an accident.

Dismissal/Pick Up

- Remain in your vehicle as you wait for your student to enter your vehicle
- Do not block parking spots by leaving your vehicle unattended
- Maintain the flow by moving your vehicle forward
- Cross your student in the designated crosswalk area inside our parking lot. Do not walk your students across the drop-off and pick-up lanes.
- Parents with handicap decals can park in the designated handicap parking spots.
- Kindergarten Parents: Park in designated areas only. Do not leave your car unattended in drop-off/pick-up lanes. Pick up students from the classroom.

Additional Information

- Left turns are not allowed when exiting the parking lot.
- Vehicles are not allowed to park on Riverside Ave. in front of the school, as doing so limits visibility for parents exiting our parking lot.
- Vehicles parked in front of the school may be towed away.
- Please do not park in the preschool parking lot, as it does not allow preschool parents to drop off or pick up their students in a timely manner.

Please remember that we have overflow parking available at Sunrise Church.

SAFE WALKING AND BICYCLING ROUTES TO SCHOOL:

Students must follow safe walking and bicycling procedures at all times. They must stop before crossing any street and look to the left, to the right, and to the left again for cars or other moving vehicles before proceeding. Students must cross only at street corners and/or crosswalks with stop signs, stop lights, and crosswalks. Students should never cross in the middle of a block.

BICYCLES, SCOOTERS, AND SKATEBOARDS:

Children in grades 3 - 5 may ride their bicycles to school with **written** parent permission. They must practice bicycle safety while riding their bikes and **wear helmets according to state law**. Children are not permitted to ride their bicycles, skateboards, scooters, or rollerblades on the school grounds, nor may they ride two or more persons on a bike.

Bicycles will be parked and locked to racks in the bike rack behind the kindergarten wing. Students must secure their bikes with their own locks. We are not responsible for lost or stolen bicycles.

Skateboards and scooters may be ridden to and from school under the following circumstances: (1) They are allowed at school only if the students carry them to and from the classroom and the teacher agrees to house them in the room during the school day.

(2) As of January 1, 2003, a state law requires helmets when riding skateboards and scooters. **(3) Skateboards and scooters may never be ridden on school grounds.**

CLASSROOM VISITATION:

Parents can request to visit classrooms with a minimum of 24-hour notice. The principal must approve before any classroom visit.

SCHOOL SUPPORT GROUPS:

Our Parent-Teacher Association (PTA), School Site Council (SSC), African American Parent Advisory Council (AAPAC), and English Learner Advisory Committee (ELAC) are our main support groups on campus. These school support groups are made up of parents and school staff members. Our parent groups are very active and effective. If you would like to be a part of any of these groups, please contact the office.

HEALTH OFFICE:

The health assistant and school staff provide first aid for minor scratches/injuries. If a child has a temperature of 100.4 degrees or higher or vomits, he/she will be sent home. Children may return to school after being fever-free for 24 hours without medication and improving all symptoms. The health office relies upon the student's online information to contact parents regarding their child's health. *Please keep the emergency information in ParentVue current.*

HEAD LICE:

If a child has head lice, the parents/guardians are called and instructed about treatment. The child cannot return to school until the school health office clears him or her and finds him or her free of active head lice.

MEDICATION:

State law forbids any student from having medication in his/her possession on school property. This includes all over-the-counter medicines such as aspirin, cough drops/syrup, ointments, etc., and prescription medications. The school may not give a student any medication, including over-the-counter medication (aspirin, cough drops, medicated ointment, etc.), that is not prescribed by a doctor. If your youngster needs to take any type of medicine (over-the-counter medications included) during school hours, the medicine must have a written doctor's prescription, and **the physician must complete the legally required form (S-64)** in the school office. If a parent/guardian chooses to come to the school and administer medication, he or she may do so in the office. Please check with office personnel for the correct procedure.

STUDENT MEDICATIONS--RIALTO UNIFIED SCHOOL DISTRICT POLICY:

- I. Medications will be given to a student only upon a written request from a physician and parent/guardian.
- II. Over-the-counter medications, such as aspirin or cough drops, shall not be administered by school personnel unless there are signed requests from a physician and parent/guardian, and the medication is in a prescription labeled container.
- III. Medical conditions that require frequent monitoring, testing, and treatment may be performed by designated site personnel, a licensed nurse, or the student, depending on the physician's orders.

- IV. Injections required on an emergency basis will be administered by school staff upon written requests from the parent/guardian and a physician.
- V. Non-emergency situations requiring an injection will be performed by a licensed nurse upon written request of a physician and parent/guardian.

WHAT TO DO IF YOUR CHILD IS HAVING A PROBLEM AT SCHOOL:

In the event that you develop concerns over a problem occurring in school, **please make an appointment to discuss the situation with the classroom teacher first.** If the problem should continue after you and the teacher have tried several solutions, please make an appointment with the principal.

TOYS:

Toys are **not** to be brought to school. Trapp Elementary School and the Rialto Unified School District are not responsible for damage to or loss of toys or other personal items.

ELECTRONIC EQUIPMENT:

Electronic games or tablets of any kind or size should not be brought to school. See page 20 for additional information.

NOTICES SENT HOME/ PARENT SQUARE:

Always check with your child and look through his/her backpack every night to see if there is a notice that has been sent home for parents/guardians. These notices are very important. Please read the school marquee at the front of the school each day as you drive by. It will remind you of upcoming minimum days and activities.

Trapp will also use the Parent Square App to help send messages to parents. Text messages will automatically be sent to parents/guardians added to our student system (Synergy). It is recommended that the Parent Square App be downloaded, as text message settings can be updated. We also post flyers on our **Instagram page @trapptimberwolves.**

LOST AND FOUND ITEMS:

Please put your child's name on all personal items he/she brings to school. Lost and found items are kept in the cafeteria and the school office. We encourage you to check the cafeteria whenever your child is missing a jacket, sweater, lunch pail, etc. All unclaimed items will be donated to Rialto charitable organizations at the end of the school year

INTRA/INTERDISTRICT TRANSFERS:

Students attending Trapp Elementary on an approved intra/inter-district transfer must abide by the transfer agreement. If listed conditions are not met, intra/inter-district transfers may be revoked. Conditions include behavior, citizenship, punctuality, and attendance.

EMERGENCY PREPAREDNESS:

Trapp Elementary practices monthly fire drills, 3 earthquake/disaster drills, and 3 active shooter/lockdown drills throughout the year. All person's present must follow established drill procedures. During an actual emergency situation, a central student release station will be established. Students will be released to adults with proper and sufficient identification when emergency authorities declare it safe.

CELEBRATIONS IN CLASSROOMS:

In order to be compliant with the standards set by the USDA, certain food items are no longer to be given to our students during the school day and up to 30 minutes after school. Please **do not bring cupcakes, candies, sugary juice drinks, etc., as they are no longer permitted to be served to students** unless they comply with the food and beverage restrictions set by the USDA, as well as state and local regulations. The District's Wellness Policy and Board Policy are available at www.rialto.k12.ca.us, on the Nutrition Services' web page. Please contact the school office for more information if needed.

ATTENDANCE AND TARDY POLICY:

First Bell (students line up):	7:55 a.m.
Tardy Bell:	8:00 a.m.

All students are to be in their classroom when the tardy bell rings. Students who arrive between 8:00 a.m. and 8:30 a.m. are to go directly to their classroom; they will be marked tardy by their classroom teacher. Students who arrive after 8:30 a.m. must get a tardy slip from the office before proceeding to class. Automated calls are generated for any student who is marked absent. If you feel the call is due to an error or if you need to justify the absence, please call the office.

LATE ARRIVALS

Students who arrive after 8:00 a.m. should report directly to their classroom, where the teacher will mark them tardy. Students arriving after 8:30 AM must be escorted to the office by a parent or guardian. A tardy slip will be issued, and the reason will be recorded on Synergy.

REPORTING STUDENT ABSENCES:

When your child is absent from school, you must immediately notify the office by calling (909) 820-7912. We request you follow up on your telephone call with a written note to your child's teacher. If the school does not hear from you, you will receive a phone call inquiring why your child was absent. If your child is scheduled to be out for 5 days or more, you can request a short-term Independent Study contract. Independent Study agreement must be approved by all parties (administrator, teacher, parent, and student) before absences. For more information, please call the office.

TYPES OF TARDIES:

Excused: Illness, medical appointments, bereavement (immediate family only), religious reasons, or a mandated court appearance of the student.

Unexcused: Any other reason for not being in class when the tardy bell rings.

Truancy: A student is considered truant after an unexcused tardy in excess of 30 minutes for the fourth time in one school year. Truant students will be referred to the School Attendance Review Team (SART) and/or the District School Attendance Support Panel (SASP). SASP comprises the Rialto Director of Attendance, a representative of the Rialto Police Department, a representative from the District Attorney's office, the district nurse, and the principal or assistant principal. The student and the student's parent(s) must be present at this hearing. SASP hearings end in an attendance contract. SASP can site parents and/or refer cases to the district attorney for prosecution. The court can fine

parents and impose other legal restrictions/requirements. To ensure your students' academic success, please make sure your students arrive at school on time every day.

SART /SASP PROCESS:

Parents are notified by letter (mail) of absences. The first two letters are notifications of excessive absences to remind families of the importance of regular, on-time attendance. If attendance issues are unresolved, parents will be notified with a third letter that the student has 9 absences. The third letter will include the SART appointment. **A School Attendance Review Team (SART)** meeting will be required. At the meeting, a contract is signed by the student (*student signature will be optional*), parent(s), and administrator. If attendance continues to be problematic, a referral will be made for a **Student Attendance Support Panel (SASP)** meeting.

BREAKFAST AND LUNCH PROGRAMS

All Students enrolled in the Rialto Unified School District qualify to receive free breakfast and lunch through the CEP program. To participate, all families must complete the online enrollment verification process. For more information, please contact the school front office. Monthly breakfast and lunch menus will be available in the front office.

The meals will meet the USDA Dietary Guidelines, Food Guide Pyramid recommendations, and SB677. All meals will be computer-analyzed to ensure they provide healthful amounts of total calories, vitamins A and C, calcium, iron, fiber, cholesterol, and saturated fats. Calories from fat on all school menus will not exceed 30% as averaged weekly. The cafeteria staff looks forward to providing the students and staff with healthy choices to ensure they are all well-nourished and ready to learn.

HOMEWORK

Your child's teacher will provide you with a letter outlining the homework, class work, and classroom discipline expectations for the year. Homework is an important part of the educational program. Homework can be assigned regularly, usually Monday-Thursday. There may be long-term or short-term assignments designed to emphasize critical thinking skills, practice skills taught in the classroom, and develop good study habits and responsibility.

Teachers will be expected to:

1. Assign homework that reinforces or enriches the education program.
2. Explain the homework assignment.
3. Monitor and/or evaluate the completion of homework.

Parents will be expected to:

1. Check with their child daily to see what homework is due.
2. Provide a quiet place at home to do homework.
3. Monitor the completion of homework and make sure it is returned to school.

Students will be expected to:

1. Take homework home.
2. Do homework to the best of their ability.

Educating students requires cooperation from the parents, students, and school personnel.

RUSD BOARD OF EDUCATION HOMEWORK POLICY

When homework is assigned, the following guidelines should be followed:

- A. Homework must strengthen learning already partially acquired.
- B. Assignments as homework may be of two kinds:
 - 1. Review and reinforcement of work already covered in the classroom.
 - 2. New material used to develop habits of independent study.
- C. Homework may facilitate certain learning that cannot take place in the classroom, such as interviews and visits to places of interest.
- D. Homework often allows students to participate in a variety of projects.
- E. Learning done at home should be followed up at school. Assigned homework should be checked in and assessed in some way.
- F. Homework should be dynamic and never carried beyond the limits of fatigue and the student's capacity. Interest and natural desire are of great importance.
- G. Adequate time should be given to complete homework.
- H. Homework should be tailored to individual needs when possible.

HOMEWORK – STATE RECOMMENDATIONS:

Class time shall be conserved for learning activities that benefit most from teacher interaction. Homework shall be used for work which the student is most able to do independently:

- Homework shall reinforce and extend class work.
- Homework assignments shall be interesting and motivating.
- Students shall be assigned homework they can complete successfully.
- Before students are assigned independent practice and application as homework, they shall have guided practice and application with supervision and feedback.
- The students shall explore selected topics in depth as homework projects completed over a period of time. The proportion of learning time allocated to such projects and the average length of time per project shall increase from lower to upper-grade levels.
- Homework will extend reading, writing, and thinking experiences in literature, history, math, science, and fine arts.
- Students shall receive prompt and informative feedback on completed assignments, including re-teaching when needed.

The first person in line acts as the umpire, and **HIS/HER WORD IS FINAL.

KICKBALL

1. Players are divided into two teams. One team stands behind home plate, and each member takes a turn as the kicker. The other team goes to the field, with a pitcher and catcher elected by the members. After three members of the kicking team are

- put out, the kicking team goes to the field, and the fielding team becomes the kickers.
2. The game is played according to softball rules, except the pitcher rolls the ball to the kicker at home plate.
 3. A base runner must remain on the base while the ball is in the pitcher's hands. He may not steal or "lead off."
 4. A base runner is out if the runner is "tagged out" or "thrown out." The runner is tagged out if the ball is in the hands of the fielder, and the fielder tags the runner with the ball. **The fielder may not throw the ball at the runner to get the runner out.** The runner is thrown out if the base the runner is headed toward is touched by a fielder possessing the ball.
 5. Each successful run to home plate scores 1 point.

BEHAVIOR EXPECTATIONS/DISCIPLINE

Our policy at Trapp Elementary is to practice **PROGRESSIVE DISCIPLINE**. This means that each referral to the office may result in more severe consequences than the referral before. This also means that two children may be sent to the office for the same offense yet receive different consequences. For example, if one child has one previous referral, he/she may receive recess detention for one day; however, if the second student had two previous referrals, he/she may receive two or more days of recess detention. We usually practice the following sequential consequences; however, the administration reserves the right to skip or modify steps depending on the severity of the infraction.

PROGRESSIVE DISCIPLINE STEPS

- STEP ONE: Verbal Warning/Counseling by the teacher
- STEP TWO: Verbal Warning/Counseling by the teacher
- STEP THREE: Time Out – within the classroom
- STEP FOUR: Parent Contact
- STEP FIVE: Time Out – in another classroom
- STEP SIX: Referral to administrator

Violation of Ed Code 48900, 48900.2, 48900.3, and/or 48900.4 will result in the immediate removal of a student from the classroom and possible suspension from school.

FIGHTING (AS DEFINED BY ED CODE 48900a) WILL RESULT IN SUSPENSION.

ZERO TOLERANCE FOR WEAPONS AND DRUGS:

Per California State law, if a student has a weapon or drugs on campus, he or she **must** be **recommended for expulsion**. This is called the "Zero Tolerance" law.

- I. Knowingly received stolen school property or private property.

A photograph or other visual recording, as described in this subclause, shall include the depiction of a nude, semi-nude, or sexually explicit photograph or other visual recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act.

(w) (1) It is the intent of the Legislature that alternatives to suspension or expulsion be imposed against a pupil who is truant, tardy, or otherwise absent from school activities.

(2) It is further the intent of the Legislature that the Multi-Tiered System of Supports, which includes restorative justice practices, trauma-informed practices, social and emotional learning, and schoolwide positive behavior interventions and support, may be used to help pupils gain critical social and emotional skills, receive support to help transform trauma-related responses, understand the impact of their actions, and develop meaningful methods for repairing harm to the school community.

Sexual Harassment EDC 48900.2

In addition to the reasons specified in Section 48900, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5. For the purposes of this chapter, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact on the individual's academic performance or to create an intimidating, hostile, or offensive educational environment. This section shall not apply to pupils enrolled in kindergarten and grades 1 to 3, inclusive.

Hate Violence EDC 48900.3

In addition to the reasons set forth in Sections 48900 and 48900.2, a pupil in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has caused, attempted to cause, threatened to cause, or participated in an act of, hate violence, as defined in subdivision (e) of Section 233.

Terroristic Threat EDC 48900.7

. In addition to the reasons specified in Sections 48900, 48900.2, 48900.3, and 48900.4, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has made terroristic threats against school officials or school property, or both.

a. For the purposes of this section, "terroristic threat" shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime that will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars (\$1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family's safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family.

Recommendation for Expulsion: Education Code 48915

a. (1) Except as provided in subdivisions (c) and (e), the principal or the superintendent of schools shall recommend the expulsion of a pupil for any of the following acts committed at school or at a school activity off school grounds, unless the principal or superintendent finds that expulsion is inappropriate, due to the particular circumstance:

. Causing serious physical injury to another person, except in self-defense.

A. Possession of any knife or other dangerous object of no reasonable use to the pupil.

B. Unlawful possession of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, except for either of the following:

A decision to expel shall be based on a finding of one or both of the following:

1. Other means of correction are not feasible or have repeatedly failed to bring about proper conduct.

2. Due to the nature of the act, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

c. The principal or superintendent of schools shall immediately suspend, pursuant to Section 48911, and shall recommend expulsion of a pupil that he or she determines has committed any of the following acts at school or at a school activity off school grounds:

1. Possessing, selling, or otherwise furnishing a firearm. This subdivision does not apply to an act of possessing a firearm if the pupil had obtained prior written permission to possess the firearm from a certificated school employee, which is concurred in by the principal or the designee of the principal. This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of a school district.

2. Brandishing a knife at another person.

3. Unlawfully selling a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code.

d. The governing board shall order a pupil expelled upon finding that the pupil committed an act listed in subdivision (c), and shall refer that pupil to a program of study that meets all of the following conditions:

1. Is appropriately prepared to accommodate pupils who exhibit discipline problems.

2. Is not provided at a comprehensive middle, junior, or senior high school, or at any elementary school.

3. Is not housed at the school site attended by the pupil at the time of suspension.

e. Upon recommendation by the principal, superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board may order a pupil expelled upon finding that the pupil, at school or at a school activity off of school grounds violated subdivision (f), (g), (h), (i), (j), (k), (l), or (m) of Section 48900, or Section 48900.2, 48900.3, or 48900.4, and either of the following:

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct.

2. That due to the nature of the violation, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

f. The governing board shall refer a pupil who has been expelled pursuant to subdivision (b) or (e) to a program of study that meets all of the conditions specified in subdivision (d). Notwithstanding this subdivision, with respect to a pupil expelled pursuant to subdivision (e), if the county superintendent of schools certifies that an alternative program of study is not available at a site away from a comprehensive middle, junior, or senior high school, or an elementary school and that the only option for placement is at another comprehensive middle, junior, or senior high school, or another elementary school, the pupil may be referred to a program of study that is provided at a comprehensive middle, junior, or senior high school, or at an elementary school.

BULLYING

The Rialto Unified School District is committed to providing a safe working and learning environment; takes seriously bullying or any behavior that infringes on the safety or the well-being of students, employees or any other persons within the District's jurisdiction; and will not condone retaliation in any form when bullying has been reported. District policy continues to require all schools and personnel to promote mutual respect, tolerance, and acceptance among students and staff.

The California Department of Education (CDE) has developed and made available to school districts a policy model for the prevention of bullying and conflict resolution. These policies are developed for the purpose of incorporating them into a district-wide school safety plan. The attached documents are a sample policy for Bullying Prevention & Conflict Resolution and the Student Code of Conduct for Rialto Unified School District.

Rialto Unified School District Bullying (Cyberbullying) Prevention *(Policy model)* (Ed. Code 48900(a),(k),(o),(r),(s))

The **Rialto Unified School District** believes that all students have a right to a safe and healthy school environment. The district, schools, and community have an obligation to promote mutual respect, tolerance, and acceptance.

The **Rialto Unified School District** will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate or harass another through words or actions. Such behavior includes direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

The **Rialto Unified School District** expects students and/or staff to immediately report incidents of bullying to the principal or designee. Staff is expected to immediately intervene when they see a bullying incident occur. Each complaint of bullying should be promptly investigated. This policy applies to students on school grounds while traveling

to and from a school-sponsored activity during the lunch period, whether on or off campus, and during a school-sponsored activity.

To ensure bullying does not occur on school campuses, the **Rialto Unified School District** will provide staff development training in bullying prevention and cultivate acceptance and understanding among all students and staff to build each school's capacity to maintain a safe and healthy learning environment.

Definition of Harassment and Bullying

Harassment or bullying of students or staff is an extremely serious violation of the **Student Code of Conduct**. It can also be a violation of criminal law. The District will not tolerate unlawful bullying and harassment on school grounds or when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off campus, or sending insulting or threatening messages by phone, e-mail, websites, or any other electronic or written communication. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action initiated pursuant to this policy.

"Harassment" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal, or physical conduct directed against a student or employee that:

- Places a student or employee in reasonable fear of harm to his or her person or damage to his or her property
- Has the effect of substantially interfering with a student's educational performance, opportunities, or benefits
- Has the effect of substantially disrupting the orderly operation of the school

"Bullying" means *systematically* and *chronically* inflicting physical hurt or psychological distress on one or more students or school employees. It is unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; is carried out repeatedly and is often characterized by an imbalance of power; or unreasonable interference with the individual's school performance or participation; and may involve but is not limited to:

- 1) Unwanted teasing or taunting (verbal or non-verbal)
- 2) Social exclusion
- 3) Threat
- 4) Intimidation
- 5) Stalking
- 6) Physical violence
- 7) Theft
- 8) Sexual, religious, or racial/ethnic harassment
- 9) Public humiliation
- 10) Destruction of property

“Cyberbullying,” sometimes referred to as internet bullying or electronic bullying, is defined as the “willful and repeated harm inflicted through the medium of electronic text.” It may involve:

- Sending mean, vulgar or threatening messages or images;
- Posting sensitive, private information about another person;
- Pretending to be someone else in order to make that person look bad, and
- Intentionally excluding someone from an online group.

Teachers should discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion. (*Ed. Code 32261 Legislative findings, declarations, and intent; Ed. Code 48900, 48900.2, 48900.3, 48900.4, 48915(a) and 48915(c)*).

Each school will adopt a Student Code of Conduct to be followed by every student while on school grounds, or when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off campus.

The Student Code of Conduct includes, but is not limited to:

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents to the principal or designee.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.
- If the complainant student or the parent of the student feels that an appropriate resolution of the investigation or complaint has not been reached, the student or the parent of the student should contact the principal. The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.
- Students are to resolve their disputes without resorting to violence.
- Students, especially those trained in conflict and peer mediation, are encouraged to help fellow students resolve problems peaceably.
- Students can rely on staff trained in conflict resolution and peer strategies to intervene in any dispute likely to result in violence.
- Students needing help in resolving a disagreement or students observing conflict may contact an adult or peer mediator through the school office.
- Students involved in a dispute will be referred to a conflict resolution or peer mediation session with trained adult or peer mediators. Staff and mediators will keep the discussion confidential.
- Conflict resolution procedures shall not supplant the authority of staff to act to prevent violence, ensure campus safety, maintain order, and discipline students.

The procedures for intervening in bullying include, but are not limited to:

- District-wide training provided for students, staff, parents, and concerned community members about bullying awareness and prevention strategies.

- All staff, students and their parents will receive a summary of this policy prohibiting bullying at the beginning of the school year, as part of the student handbook and/or information packet, as part of new student orientation, and as part of the school system's notification to parents.
- The school will make reasonable efforts to keep a report of bullying and the results of the investigation confidential.
- Staff are expected to immediately intervene when they see a bullying incident occur.
- People witnessing or experiencing bullying are encouraged to report the incident; such reporting will not reflect on the victim or witnesses in any way.

NON-DISTRICT SPONSORED SPECIAL ACTIVITIES

Employees/volunteers often initiate special off-campus activities for students on weekends or after school hours. Whether the employee/volunteer is a club sponsor, or not, the employee/volunteer, the District or both could be held liable if a student participant sustains an injury.

Examples of activities are swim parties, picnics, barbecues, hiking, camping, and trips to amusement parks. The District's Administration should be notified of any events or activities of this type.

Due to the nature of certain activities, there may be an inference of District participation or sponsorship. For instance, the activity may be promoted on campus using District supplies, equipment, or the District's name.

If the event is a District-sponsored activity, use the appropriate notice forms, such as the "Assumption of Risk" form. If this is a non-District sponsored activity, reasonable steps should be taken to notify the public and participants of the District's non-involvement to reduce unwanted exposure.

Steps to be taken include:

1. Prohibit use of District supplies and equipment to promote the activity.

2. Prohibit publicizing the activity on campus.
3. Advertise in the school paper, notifying students that the activity is not District-sponsored.
4. Post notices on campus that the activity is not District-sponsored.
5. Mail a notice of non-sponsorship to those students who are likely participants.

The moratorium does not apply to injunctive relief and is applicable only if the District has appropriately, and in a timely manner, apprised the complainant of

his/her right to file a complaint in accordance with 5 CCR 4622. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the District's complaint procedures free of charge, please contact the Senior Director of Personnel Services, Rialto Unified School District, 182 E. We believe that Trapp Elementary excels in many areas, and we recognize the areas where we need to improve. We invite all of you to join in our continued effort to provide the best education for each child. Rialto Unified School District Student Wellness Policy

Mission

The educational mission is to improve the health of the school community by creating a variety of educational opportunities to establish life-long healthy eating habits and physical activity. The mission shall be accompanied by serving nutritious foods on District property, providing nutrition education to promote a healthy lifestyle and promoting physical activity.

Responsibilities

The Rialto Unified School District Board of Education recognizes the important connection between a healthy diet and a student's ability to learn effectively to meet high achievement standards in school. The Board also recognizes the school's responsibility in creating an environment that fosters healthy nutrition and physical activity.

Nutrition Education

Nutrition education that is ethnically appropriate will be integrated into other areas of the curriculum such as math, science, language arts and Social Studies.

The staff responsible for nutrition education will have the opportunity to participate regularly in professional development activities to deliver an effective nutrition education program as planned.

Nutrition education curriculum will meet the standards set by the Health and P.E. Framework.

Nutrition education will involve sharing information with families and the broader community to impact students and the health of the community positively, including sharing information on the District website.

School District will provide health information to families to encourage them to teach their children about nutrition.

Physical Education

Physical activity will be integrated across curricula and throughout the day. Physical movement can be made a part of science, math, Social Studies and Language Arts.

Physical Education courses will promote an environment where students learn, practice, and are assessed on developmentally appropriate motor skills, social skills, and knowledge of nutrition and health.

Time allotted for physical activity will be consistent with State Standards.

A daily recess period will be provided in grades P-5.

Physical Education includes the instruction of individual activities as well as competitive and non-competitive team sports to encourage lifelong physical activity.

Equipment is available for all students to participate in Physical Education. Facilities on school grounds will be safe and well-maintained.

The school provides a physical and social environment that encourages safe and enjoyable activities for all students, including those who are not athletically gifted and/or interested in athletics.

Students will work toward performing within their "fitness zone" in order to achieve and maintain physical active lifestyles.

Other School-Based Activities

After-school programs will encourage physical activity and healthy habits.

Support for the health of all students is demonstrated by providing health clinics, health screenings, and help to enroll eligible children in Medi-Cal and other state children's health insurance programs.

The district will organize a local Wellness Committee composed of families, teachers, support staff, administrators, and students plan, implement, and improve nutrition and physical activity in the school environment. The Nutrition Services Department will work with the Student Advisory Committees to open a line of communication regarding healthy eating.

Nutrition Guidelines for All Foods on Campus

All foods and beverages sold or served during school hours shall meet nutritional standards and other guidelines set by the Federal and State Government and the School Board.

Nutrition Services will take every measure to ensure that student access to foods and beverages meets federal, state, and local laws and guidelines. Nutrition Services will offer a variety of age-appropriate healthy food and beverage selections for elementary schools, middle schools, and high schools.

Food items served and sold shall reflect the cultural diversity of the student body.

Nutritious and appealing foods such as fruits, vegetables, and whole grain products shall be available during the school day.

Nutrition information for products offered in snack bars, a la carte, and vending machines is readily available.

The sale of soft drinks, candy, and any non-compliant food items are not allowed from midnight to 30 minutes after school.

Nutrition education is encouraged during classroom snack times, not just during meals.

Advertising of foods or beverages must be consistent with the established nutrition environment standards.

All food and beverage items sold or given away by school organizations must have prior School Board approval.

Eating Environment

All schools will foster an environment that allows adequate time for eating while promoting positive behavior, good manners and respect for fellow students.

All personnel will adhere to the District's Customer Care Promise to interact in a courteous, caring and positive manner that ensures all people will be treated with dignity and respect.

Lunch periods are scheduled as near the middle of the school day as possible.

Cafeterias include enough serving areas so that students do not have to spend too much time waiting in line.

Drinking water is available for students at meals.

Child Nutrition Operations

The Nutrition Services Program will ensure that all students have affordable access to the varied and nutritious foods they need to stay healthy and become life-long learners.

The school will strive to increase participation in the available Federal Child Nutrition Programs (e.g. school lunch, school breakfast, after-school snack.)

Students are encouraged to start each day with a healthy breakfast. Breakfast programs will be offered at all schools. Pilot programs such as breakfast during testing and universal free breakfast in the classroom may be offered as funding allows.

Food Safety/Food Security

All foods made available on campus comply with the State and local food safety and sanitation regulations. Plans and guidelines of the Hazard Analysis and Critical Control Points (HACCP) are implemented to prevent food illness in schools.

For the safety and security of the food and facility, access to the food service operations is limited to Nutrition Services staff and other authorized personnel.

TO: Parents and Guardians of Students in the Rialto Unified School District

FROM: Lead Agent, Expanded Learning Programs & Safety Innovation Norberto Perez

DATE: July 1, 2024

SUBJECT: CALIFORNIA LAW REGARDING SAFE STORAGE OF FIREARMS

The purpose of this memorandum is to inform and to remind parents and legal guardians of all students in the Rialto Unified School District of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.

To help everyone understand their legal responsibilities, this memorandum spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to ensure that you and your family are in compliance with California law.

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others. [1]

- **Note:** The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.

- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian unless reasonable action is taken to secure the firearm against access by the child, even where a minor never actually accesses the firearm.[2]

[1] See California Penal Code sections 25100 through 25125 and 25200 through 25220.

[2] See California Penal Code section 25100(c).

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.[3]
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.[4]

Note: Your county or city may have additional restrictions regarding the safe storage of firearms.

Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

Sincerely,

Norberto Perez
