Seacoast Collegiate High School is part of the Seaside School Incorporated Charter in Walton County, Florida. The Seaside School was one of the first charter schools in the state of Florida. It was founded in 1996 and is open to all Walton County students via an application and lottery process. Since it's inception in the 2012-2013 school year, Seacoast Collegiate High School has set the bar for academic rigor in the county and in the region. SCHS is within the top 5% of all Florida high schools as measured by standardized testing.

Seacoast seeks to sustain an educational community where an emphasis on academic excellence is complimented by our concern for each learner's personal growth and intellectual, aesthetic, and psychological development.

All Juniors and Seniors enroll as full time Dual-Enrolled students at Northwest Florida State College. Students are engaged in a traditional college learning environment.
