Homer 33C Lunch Program Overview

Homer 33C offers hot lunch at each of the schools. A complete meal can be purchased for $4.50. A complete meal includes the student's choice of an entree, fruit and vegetables from the salad bar, and choice of a carton of milk or bottle of water. Additional ala carte items can be purchased as well for an additional price.

How do I pay for my student's lunch? Login to your Pushcoin account: https://www.pushcoin.com/ and "Fund Wallet" for your student. Be sure to add funds to your child's wallet (NOT your sponsor wallet) when the balance gets low to ensure that they receive a meal. The money that you add to your student's wallet is available immediately after you add it. You can set up a low-balance email alert on the Pushcoin.com website under "settings".

Can my student choose individual items to purchase or do they have to buy a complete meal? They can choose individual items or a complete meal.
