PHYSICAL EDUCATION MEDICAL RECOMMENDATION FORM

TO DR. _____ DATE: _____
Physician Name

All students registered in the schools of New York State are required by New York State Education Law and Commissioner's Regulations to attend courses of instruction in physical education. These courses must be adapted to meet individual student needs if the student has medical limitations. This means that a student who is unable to participate fully in their physical education program must have activities modified to meet his/her individual needs.

Your patient, _____, is registered in this school district and had indicated
Student Name
an inability to participate fully in the physical education program. To assist us in designing a program adapted to meet his/her individual needs, would you kindly complete this form and return it to his/her school. Thank you for your cooperation!

Indicate with an **M** where a **modification** is recommended. Indicate with an **N** where **no participation** is recommended:

_____ Throwing	_____ Bending	_____ Pushing
_____ Catching	_____ Twisting	_____ Pulling
_____ Kicking	_____ Hitting	_____ Body Contact
_____ Running	_____ Walking	_____ Water Activities
_____ Lifting	_____ Jumping	_____ Out of Doors Activities
_____ Tumbling	_____ Stretching	_____ Other (Specify)

Modifications recommended: _____

This is to certify that I have examined the above patient and recommend that his/her physical education program be modified according to the above until _____.
Date

Are there any exercises or activities you feel would be beneficial to the student in the recovery process? Yes _____ No _____ If so, what? _____

Additional Physician's Remarks (on back)

Physician's Signature

Date

NOTE: This report will be attached to the student's health record with duplicates sent to the parent/guardian, physical education teachers, and director of physical education and Committee on Special Education when appropriate.
