		Core 4	2:20 - 3:25			6th Elec 2	2:40 - 3:25

Dear Parent / Guardians,

From time to time, whether we have a weather event and/or heating, cooling or water issues, students may not be able to report to school and will be required to virtually participate for class. During virtual classes, students should follow these guidelines.

- Students will follow the schedule posted above.
- To access the Google Meet code to join class virtually, they will need to login into their Canvas Account and visit their teacher's Canvas page. Each teacher will have instructions on how to join including the Google Meet Code and Class Schedule.
- Students will be required to check-in to receive 20 - 30 minutes of instruction at the beginning of each class. Teachers will provide further instruction on what to do during their class time.
- Attendance and grades will be taken for participation and work submitted virtually.

Should your child have any issues while trying to access virtual teaching, have them join the following Google Meet to receive further instruction.

- On student's chromebook, have them go to meet.google.com.
- Click Use a meeting code.
- Enter SHMSHELPDESK then click continue to join.

Thank you for your cooperation in the event school is held virtually. Spring Hill will provide further instruction in the event students/staff can't attend school in person.
