Being a parent is hard work.

Parents as Teachers helps you understand child development and connects you to resources you need to make the best choices for your family. A certified teacher/parent educator will help you maximize your child's critical early learning years at monthly visits customized for the needs of your family and scheduled at convenient times for you.

PAT is a FREE program funded by Haysville Public School District and is available to ALL Haysville families with children from birth to 5 years. To request more information call 554-2303.

parents as teachers®

Why Should You Participate in Parents as Teachers?

- PAT encourages positive parent/child relationships.
- The child development information you receive will help you learn about stages and development.
- Annual developmental screenings for early detection of learning problems when they are most easily corrected.
- Parent resource materials are available for checkout on many topics related to parenting concerns.
- Making the most of the early years will benefit your child throughout life.
- Research shows that PAT kids do better in school.

You are your child's first and best teacher!

Parents as Teachers is a nationally recognized program which has been in the Haysville School District since 1993. Recent research has shown that the experiences you give your child in the years from birth to five are critical for success later on in school and in life!

Group Connections

PAT offers many playgroups and family events where your child can develop social skills and you can meet other families.

Bridge to Bright Beginnings

An adult/child participation class for 3 year olds that meets once a week. The BBB Class will have routines and schedules similar to any preschool class and will help your child become comfortable in a school setting.

FREE Screenings!

Free developmental screenings for anyone living in the Haysville School District who has a child between the ages of birth and 5 years. Screenings can be done at convenient places and times with no obligation to enroll in the program. To schedule a screening, call the Parents as Teachers office at 554-2303.

Haysville Early Childhood

All Haysville children must complete a Count Your Kid In Screening through the Early Childhood office at the age of 3. These screenings must take place before your child can attend pre-k. Count Your Kid Clinics screen children in the areas of speech and language, hearing, vision, academic concepts, and motor skills. CYKI Screenings are offered monthly throughout the year.
