

FUNDRAISING Q&A

We're so excited about the upcoming Eagle X Games on September 18th! We hope your student is too! The Eagle X Games is an annual fundraising event where our students have a ton of fun and help raise money for the school. Students participate in events such as bean bag toss & running laps, and collect flat donations pledges based on the number of repetitions they complete (for example, \$1 for every lap they run).

1

HOW MANY TIMES WILL I BE ASKED TO DONATE THROUGHOUT THE SCHOOL YEAR?

Good news! This is our one and only fundraising event, so we like to make it count!

2

WHERE WILL THE MONEY GO?

Proceeds go directly back to MRIS to fund events and programs such as teacher grants, improvements within the classrooms, Teacher Appreciation Week, outdoor learning environments, Eagle X Games and much more.

3

HOW CAN MY STUDENT EARN PRIZES?

We have a raffle at the end of the Eagle X Games to draw for prizes. Raffle tickets are awarded based on funds raised and engagement in X Games. See the next question for details.

4

HOW CAN MY STUDENT EARN TICKETS?

EVERY student, regardless of how much money they raise, will be given one ticket. Therefore, EVERY student will have a chance to win a prize! In addition, students can earn more tickets by helping to raise money. Each student will receive one additional ticket for ANY donation amount, then one additional ticket for every \$50 they raise. Here are some ways to earn tickets:

- Business Sponsorships (student's name must appear on sponsor sheet for credit)
- Flat donations from family and friends
- Pledges earned from competing in the Eagle X Games (i.e. amount per "lap").

5

WHAT ARE THE PRIZES?

Prizes will be displayed in a glass case so students can see them as they walk into school. There are so many more prizes to come! In addition to prizes, students also have the chance to win:

- Lunch with the principal
- Park day

Please note: The amount raised is per child, not per family.
