CREATING PARENT ACCOUNTS

Teachers use Schoology to post their classroom materials online, provide a safe forum for students to discuss their ideas and collaborate on projects, and to assign and collect student work electronically. Schoology helps students stay organized and connected to their teachers and peers. Within Schoology a parent can view:

- Classes your student is enrolled in
- Upcoming or late assignments
- School and class announcements

What You Need Before Starting

- An internet-connected computer, tablet, or phone.
- Your unique Parent Access Code (found in your Parent Resource Letter; formatted like xxx-Xxx-xxx)

Step-by-Step Directions

1. Open your web browser and navigate directly to <https://app.schoology.com/register.php>
2. Click the grey Parent button.
3. Type in the Parent Access Code from your resource letter and click Continue.
4. Enter your name, email address, and a secure password.
5. Complete Registration: Click Register to finish.

Adding More Than One Student

Log into your account, click your name in the top-right corner, select + Add Child, and enter the additional access code from their letter.

The image shows two screenshots of the Schoology Learning registration interface. The top screenshot is the 'Sign up for Schoology' page, featuring three buttons: 'Instructor' (blue), 'Student' (blue), and 'Parent' (grey). The 'Parent' button is highlighted with a yellow border. The bottom screenshot is the 'Sign up for Schoology' page for parents, showing a text input field labeled 'Access Code' with a blue border. Below the field is the instruction 'Enter the access code provided by your child's instructor'. A blue 'Continue' button is at the bottom. A 'Back' link is visible in the top right corner of the form.
