Special Diets for Students

To accommodate students with special dietary needs due to a medical condition, the parent needs to:

- Contact the school nurse
- Provide the school district with a completed **Special Dietary Needs Form** by the medical authority

After the completed diet order is received, the school nurse will share with the food service director, building administrators, and appropriate school staff.

- *NOTE: If a student has a severe nut allergy and they CANNOT eat food items that are manufactured using shared equipment or in the same facility that processes nuts - PLEASE NOTE- ACSD purchases foods from manufacturers that may share equipment and may use the same facilities that process nuts!*
- ***NOTE: Menu subject to change.***
