DEMO TIME

2026-2027 NEW PROCESS

- **Unique ID Enrollment Tracking**
  - Transition from a manual process to an automated process for enrollment tracking
  - TEA will leverage data already loaded into the charter school's Individual Operational Data Store (IODS)
  - TEA will pull the required enrollment tracking data directly from the IODS
  - Data will be sent directly to UID Enrollment Tracking, eliminating the manual file load process
  - Statewide rollout planned for **November 2026**

All students and staff must have a valid Unique ID (UID)

NEW! LEAVER COMPARISON REPORTS

Special Reports – Student Leaver

PDM4-221-001 Leaver Comparison Roster

This report displays data changes for students in grades 7–12 whose leaver data differs between (1) the current Extended Year Submission instance, and SUMR First submission instance or the SUMR resubmission instance. Or (2) If running the report from the Extended Year Resubmission you can select submission to compare from SUMR First submission instance, SUMR Resubmission instance or EXYR First submission instance.

Special Reports – Student Leaver

PDM4-221-002 Leaver Comparison Summary

This report presents a summary of leavers by comparing data between the current Extended Year submission instance and a user-selected prior submission instance for Summer or Extended Year.
