

NEXT LEVEL CEO

AGES 13 – 17

ROLLING APPLICATIONS
FALL/SPRING/SUMMER

YOUR TEEN DOESN'T NEED ANOTHER CLASS. THEY NEED A LAUNCHPAD.

A hands-on program where teens use AI, build real skills,
& launch something of their own - **and actually finish it.**

| Tewksbury, NJ *HYBRID FORMAT*

| 12 Weeks *PROGRAM LENGTH*

| Group or 1:1 *YOUR CHOICE*

IS THIS YOU?

01

WHO IT'S FOR

- Ages 13–17
- Curious, driven & independent
- No business or coding experience needed

02

THE TOOLKIT

- DISC Behavioral Assessment
- AI mastery: Claude, OpenClaw, Replit & more
- Step-by-step business launch framework
- Real-world sales & communication skills

03

THE OUTCOME

- From zero to 1st \$ online
- A real product or service launched
- No fluff. No theory. Just execution.

"My son went from playing video games all summer to launching a graphic design service using AI. He made \$400 in his second week."

SARAH T. – PARENT OF 15YO

"I actually built something people are paying for. Learning how to use AI to build a business changed everything for me."

MARCUS J. – STUDENT, 16YO
