Condolences to Stacey Slinker and her family as her father recently passed away.
Condolences to the family of Brittney McCoy, who recently passed away.
- Asked to mentor Green County's new superintendent this year.
- This is Mr. Hurt's 30th year in education, 7th year as superintendent, and the last year of his current contract. He has decided to retire in June 2027. Mr. Hurt has been a classroom teacher, basketball coach, curriculum coach, assistant principal, director of instruction, and superintendent. He says he plans to continue making Metcalfe County his family's home.
- The district is strong financially. Tax rates are relatively low - in the bottom quarter of all districts in the state. Tax rates have actually fallen in the past six years. The district is making progress academically – increasing the graduation rate and college/career readiness rate. MCHS is one of the 15 most improved schools in Kentucky. MCHS grads are thriving at schools across the state and the country. The high school has a new roof, and there have been major facility upgrades across the district. The district has just purchased its 10th and 11th new bus, with the majority of those funded by federal grants. The staff retention rate is high (in the 90s). Salaries have increased across the board. The district has handed out free food all summer, and FRYSC recently hosted its annual clothing giveaway.
- Mr. Hurt explained the purpose, policies, and procedures of school board meetings to those in attendance.
