Articles of Agreement

PREAMBLE

This Agreement is made and entered into on the 10th day of August, 2026, by and between the Board of Education of Unified School District No. 512, Johnson County, State of Kansas and the National Education Association Shawnee Mission, 11015 West 75th Terrace, Shawnee Mission, Kansas 66214.

The items described and provided for in this Agreement shall be included by reference in the individual contracts issued by the Board for the 2026-27 school year to Professional Employees as defined in this Agreement, and shall have the same force and effect as though fully stated therein.

SUMMARY OF PROFESSIONAL EMPLOYEES' RIGHTS AND OBLIGATIONS UNDER THE PROFESSIONAL NEGOTIATED AGREEMENT

This summary is being provided as a convenient resource for Professional Employees. This summary does not control or affect the meaning, construction, scope, or effect of any of the provisions of the Professional Negotiated Agreement (PNA).

How is my initial placement on the salary schedule determined?

New hires are placed at the step that corresponds with their previous years of experience as a Professional Employee, but are not placed higher than step 15. Article XI(C)(1)(b).

When and how often can I move columns on the salary schedule?

You may advance to a new column on the salary schedule one time per year by submitting an official transcript to Human Resources. If you complete credit or a degree during the summer, you must submit an official transcript by no later than September 15th in order to receive a salary adjustment effective at the start of the contract year. For credit and degrees completed during the contract year, salary adjustment for new column placement will be made throughout the contract year, but not later than the May pay cycle. You may only advance one column at a time, unless you have earned a Master's or Doctorate degree, in which case you may advance multiple columns to that degree. Article XI(F).

What are my working hours?

Staff at the Pre-K-6 level have a 7 hour, 40 minute daily work schedule. Staff at the secondary level have an 8 hour daily work schedule. Article XII(A)(1).

How much planning time am I guaranteed?

On a normal 5-day week, Pre-K-6 Professional Employees have 250 minutes of plan time (to include 50 minutes of PLC time) during the regular student contact hours, and they may utilize time when Tuesday staff meetings are not scheduled for planning. Staff at the secondary level are guaranteed one class period per day, or 1 block period every other day when on a block schedule, for planning. Article XII(B)(2). If you lose PNA-guaranteed plan time because you covered another classroom, then you will be compensated at 100% of the hourly rate of BS Step 1. Article XII(B)(2)(a).

What does my lunch break look like?

You are guaranteed a 25 minute duty free lunch. Article XII(B)(1).

What meetings am I required to attend outside of my contract day?

As scheduled by building administration, staff meetings may be held twice per month, plus 3 additional meeting during the year. Article XII(B)(2)(b), (D)(3). Each school year, you must attend up to 5 night meetings of no longer than 3 hours for activities such as back-to-school night, open house, PTA meetings, graduation, and parent conferences. Article XII(F).

How will my job performance be evaluated?

You will be evaluated in compliance with the Kansas Educator Evaluations Systems Handbook, Shawnee Mission School District. Article V(L). Under this Handbook and [Kansas law](#), you will be evaluated according to the following schedule:

First two consecutive years of employment	At least one time per semester by no later than the 60th school day of the semester
Third and fourth years of employment	At least one time each school year by no later than February 15
Fifth year and beyond	At least once every three years no later than February 15 of the school year in which the employee is evaluated

How many leave days do I get each school year?

You will be granted 13 days of leave each school year, which are referred to as “current temporary leave days.” Article VIII(A)(2). You may use your current leave days for any reason.

You may not use leave days for personal reasons on “blockout days”, which include: pre-service days; the last 5 days of the school year; the last contract day prior to Thanksgiving, Winter and Spring breaks, or a holiday; the first contract day following Thanksgiving, Winter and Spring breaks, or a holiday; the fall and spring day conference dates; professional development days; and the last contract day. Human Resources prepares a “blockout day” calendar each school year. Article VIII(D)(1).

Bereavement leave is available for the death of a family member. You may take up to 5 days for the death of an immediate family member - wife, husband, mother, father, sister, brother, daughter, son, or the same relative of the your spouse or resident of your household. You may take up to 3 days for the death of a family member - step-mother, step-father, daughter-in-law, son-in-law, step-sister, step-brother, grandparent, grandchild, aunt, uncle, niece, nephew, or the same relative of your spouse or resident of your household. These bereavement days are not deducted from your temporary leave. Article VIII(E)(1).

What if I don’t use all 13 of my current temporary leave days during a school year?

You may “sell back” unused current leave days at the end of the school year at a rate of \$75/day, so long as you have at least 20 days in your “Accumulative Temporary Leave After 7/1/2008” bank. Article VIII(B)(1). Alternatively, you may “bank” unused leave days; these “banked” days are referred to as “accumulated temporary leave days.” Accumulated leave days may be used in future school years for illness of yourself or an immediate family member (spouse, children, parents) or for birth or adoption of a child (within 1 year of the birth/adoption), but may not be used in future school years for personal reasons. Article VIII(C)(1). Accumulated leave days may also be used while you are taking unpaid leave, such as leave taken under the Family and Medical Leave Act (FMLA).

ARTICLE III

RECOGNITION, RIGHTS, AND OBLIGATIONS

- A. The Board recognizes the Association as the exclusive and sole representative of all Professional Employees of the District for purposes of professional negotiations.
- B. The Board agrees to provide the Association with information requested by the Association, such as financial data and Board agenda, when such information is relevant and necessary in carrying out Association responsibilities as the exclusive representative of the Professional Employees. Such information will be provided when the same is not in violation of the law or a closed record under the Kansas Open Records Act, K.S.A. 45-215 *et seq.* Notwithstanding the foregoing, in order to ensure that the Association can effectively communicate with the bargaining unit, the Board agrees to provide the Association with the following information concerning Professional Employees on a mutually agreed period basis: name, hire date, building assignment, position, District email address, home address and telephone number, and a mutually identifiable employee identification number. Should the Association request information in a form which is not readily available, the respective designees will meet and attempt to find a mutually agreeable solution.
- C. Duly-authorized representatives of the Association or of the organizations with which the Association is affiliated may be permitted to discuss matters pertaining to Association business with Professional Employees in their schools during the periods before and after the school day and during the duty-free lunch period. Such visits shall be scheduled with the principal so as to not interfere with nor interrupt normal operation of the educational program.
- D. The Association and its representatives may use an area of a school building for meeting purposes during a time when such meetings shall not interfere with nor interrupt normal operation of the educational program. Such use of facilities shall be in accordance with appropriate policies adopted by the Board. The use of school facilities shall be without charge.
- E. The rights and privileges of the Association and its representatives as set forth in this Agreement shall be granted to the Association so long as the Association is the exclusive representative of the Professional Employees and to no other organization purporting to represent Professional Employees.

- F. The parties hereto agree that, in the exercise of their rights, privileges, duties and responsibilities, the provisions of this Agreement shall be applied without regard to an individual's race, creed, religion, color, national origin, ancestry, age, sex, sexual orientation, gender identity, disability, genetic information, marital status, political affiliation, membership and participation in professional association activities or any statutorily prohibitive basis, except as provided by law.
- G. The Board agrees to deduct dues for membership in the Association, which includes membership in the Kansas-NEA and NEA SM, from the salaries of the Professional Employees who individually and voluntarily file with the Payroll Office, through the office of the Association, a signed and dated Payroll Authorization Deduction Card. Up to twelve (12) deductions per year may be made; the final installment for a school year shall be made in June unless the Professional Employee arranges for the total obligation to the Association to be completed earlier. Such deduction of dues shall continue from year to year as so authorized, unless the Professional Employee notifies the Payroll Office in writing that the Professional Employee desires to discontinue such authorization.
- H. On or before August 15 of each year, the Association shall file a statement with the Payroll Office indicating the total annual dues for all categories of membership in the Association and each of its affiliated organizations. The Association shall also file lists containing names of Professional Employees for whom dues are to be deducted, their social security numbers, schools, total dues to be paid, amount of each monthly deduction, the number of months for which such deductions are to be made, and the date of the first deduction. Such lists may be filed at any time during the school year, but the Payroll Office shall not be required to make new deductions from the payroll for any month if the list is delivered to it later than the fifth of the month. Corrections in the amounts to be withheld, whether necessitated by errors of the Association or of the Payroll Office, may be filed at any time except that "corrections" shall not be deemed to include changes to compensate for uneven quotients resulting from the division of total dues by the number of monthly deductions.
- I. The Association agrees to save the Board harmless from any action growing out of these deductions and commenced by any Professional Employee against the Board or the District, and assumes full responsibility for the disposition of the funds so deducted once they have been turned over to the Association.
- J. If a Professional Employee has no earnings due for any month, because of absence due to illness, leave of absence, or for any other reasons, no deduction will be made for the Professional Employees for that month. The Association will arrange collection of dues for that month directly with the Professional Employees.
- K. The NEA SM president shall receive extended leave as provided in Article IX. (Extended Leaves of Absence) C. (Association Business Leave) 2.

ARTICLE IV

VIOLATION OF THE AGREEMENT

During the term of the Agreement, neither the Association nor any person acting in its behalf nor any individual Professional Employee covered by this contract will cause, authorize, or support, nor will any Association members take part in any strike (i.e., the concerted failure to report for duty, or willful absence of a Professional Employee from their assigned position or stoppage of work or abstinence, in whole or in part, from the full, faithful, and proper performance of the Professional Employee's duties of employment). The Association agrees not to cause, sponsor or participate in any picketing of any facility under the jurisdiction of the Board of Education.

ARTICLE V

GENERAL EMPLOYMENT PROVISIONS

A. Probationary Period

1. A probationary period of three (3) full consecutive school years of experience in the District is required of all Professional Employees before they may attain permanent status; provided that a Professional Employee who previously has completed a statutory probationary period within any school district in this state shall be subject to a probationary period of two (2) full consecutive school years.
2. During the probationary period, the District may demote, terminate, or non-renew a Professional Employee in the manner set forth in Kansas statutory law.

B. Permanent Status

Professional Employees whose employment is continued after the completion of a probationary period shall continue in employment during efficient and competent service, and shall not be demoted, terminated, or made subject to non-renewal except as provided in Section G of Article V, "Termination of Contract".

C. Placement of Professional Employees New to the District

The initial placement of a Professional Employee to a school or District department will be determined by the needs of the District and the qualifications and experience of the Professional Employee.

D. Posting of Vacancies

1. A position is considered vacant on the effective date of a resignation or when an extended leave has been approved for the employee currently filling the position.
2. Vacant positions will be posted on the district web site. The posting shall list all known vacant teaching positions and administrative or supervisory positions, which occur. "All known vacant teaching positions" shall mean all positions .5 or more

or whose aggregate parts in various buildings total .5 or more. Supplemental pay positions unfilled within the school after October 1 shall be posted. The Vacancy List shall be maintained with appropriate additions, deletions, and revisions.

3. Positions vacated by Professional Employees during first semester will be posted and filled by the end of the semester or 30 days from the date of the vacancy (whichever is later) if there is a qualified applicant, in the sole judgment of the administration. Positions that become vacant after the end of the first semester will be filled at the discretion of the district.
4. Professional Employees who desire to apply for a vacancy shall file their application in writing with the Department of Human Resources. Five (5) school days from date of posting shall be granted to apply for listed positions. The closing date for application will be stated on the vacancy list.
5. All posted vacancies can be accessed on the district website. Professional Employees interested in transferring to the posted position must submit an internal application for the posted position.

When a Professional Employee resigns their position during the contract year without notice to the district, the five-day posting period is waived. The position must remain open for two (2) school days.

6. The requirements of Article V, Section D, paragraphs 2 and 4 shall be waived from July 15 through September 1.

E. Summer School Employment

1. Subject to special requirements of the summer school program (such as inservice training for new personnel), position openings shall be filled on the basis of competence and experience. Preference shall be given, as feasible, to applicants from the regularly-appointed teaching staff; but this shall not preclude the Board from employing outside personnel who, through special qualification, would enrich the program.
2. Professional Employees shall apply by March 15 and will be informed of their positions as soon as enrollment warrants.
3. Applicants from summer school positions may contact the Department of Human Resources after May 15 and receive information about the possibilities of their being assigned to a position that summer.
4. In each case, payment shall be computed on an hourly basis, for an appropriate number of hours and weeks. Such payment will be on a bi-weekly basis.

F. Outside of School Employment

Professional Employees shall not be excused during their regularly-assigned schedule to do outside work. The Board shall not place limitations upon the type and amount of outside employment in which Professional Employees engage unless an adverse effect on classroom performance can be demonstrated.

G. Termination of Contract

1. A contract may always be modified, terminated, or non-renewed by mutual agreement between the Professional Employee and the District. Additionally, the Board reserves the right to demote, terminate, or non-renew for just cause.
2. Permanent status Professional Employees may appeal a Board of Education decision to non-renew or terminate in accordance with the provisions of K.S.A. 72-5436, *et seq.*, or amendments thereto. As an alternative to K.S.A. 72-5436, *et seq.*, or amendments thereto, a permanent status Professional Employee may elect to appeal the Board's decision under all of the terms and conditions of Article VII (Grievance Procedure) except that the grievance shall commence at Level Three.
3. The District reserves the right to terminate or non-renew Professional Employees because of a decrease in the number of pupils or for any other causes over which it has no control. In such a case, the selection of Professional Employees for termination or non-renewal shall be made in a non-arbitrary manner.
4. The Board may order a physical or mental examination for a permanent status Professional Employee prior to dismissal on the basis of physical or mental disability, the expense to be borne by the District. The Professional Employees may have their own examination; and in the event the medical examinations conflict, a third examination may be ordered at Board expense to be conducted by a mutually acceptable physician.

H. Resignations

1. All resignations of Professional Employees shall be made in writing to the Department of Human Resources and shall indicate an effective date.
2. The District will accept resignations for the succeeding school year without restriction if tendered on or before the date designated in K.S.A. 72-2251 (the 14th calendar day following the third Friday in May). All contracts shall be binding on the teacher until the teacher has been legally discharged from their teaching contract.
3. Late Resignation. Professional Employees who desire to resign late, after the date designated in K.S.A. 72-2251, may resign under one of the following 3 options:
 - a. Liquidated Damages. For any written resignations tendered after the date established by Kansas law and before a Professional Employee's first contract day, a Professional Employee will be released from their contract upon the payment of liquidated damages to the Board in the following amounts:

Statutory Date - June 30	\$500
July 1 - July 31	\$1,500
August 1 - Day Before First Contract Day	\$2,000

Such sum must be submitted by a personal check on the date the written resignation notice is tendered.

- b. **Suitable Replacement.** A suitable replacement is a Professional Employee identified and hired by the District who is under a contract with the District. As of their first contract day for the current school year, a Professional Employee will not be released from their contract unless and until the District has secured a suitable replacement for the Professional Employee. If a Professional Employee submits a written resignation notice during the school year pursuant to this provision, their resignation will be irrevocable and may be accepted at any time by the Board after a suitable replacement is secured. In the event that the District is able to secure a suitable replacement for a Professional Employee before the Professional Employee's last contract day, then the Professional Employee will be released from their contract as of the end of the contract day before the suitable replacement's first contract day.
- c. **Proof of Qualifying Exception.** The Professional Employee must provide notice as provided below and documented proof that they meet one of the following qualifying exceptions:
 - i. Move of a spouse for employment purposes to a residence more than 75 miles from the District's central office building. The Professional Employee must provide a minimum of 10 contract days' notice of resignation, counted from the first contract day after the written resignation notice is tendered.
 - ii. Job promotion to an administrative position with a pre-K-12 school or school district. The Professional Employee would only be released from their contract effective the first contract day of the Fall semester, or effective the first contract day of the Spring semester. The Professional Employee must provide a minimum of 21 calendar days' written notice of resignation, counted from the first day after the resignation notice is tendered.
 - iii. Mutual benefit of the District and the Professional Employee. The Assistant Superintendent of Human Resources may agree in writing to release a Professional Employee from their contract.
 - iv. Professional Employee is approved by the District to take leave under the Family and Medical Leave Act (FMLA) due to a serious health condition of the Professional Employee or of the Professional Employee's spouse, child, or parent, and the certification indicates that the Professional

Employee needs a minimum of 12 weeks of continuous leave. If a Professional Employee meets all eligibility requirements under the FMLA, their FMLA certification indicates a need for 12 continuous weeks of leave and such leave is approved by the District, and they have taken at least 4 continuous weeks of FML and determine they will be unable to work at the end of their FML, then the Professional Employee may provide a minimum of 21 calendar days' advance written notice of resignation before the expiration of their 12 weeks of FML and they will be released from their contract as of the last date of approved FMLA leave (the last day of the 12-week leave period). Professional Employees with qualifying disabilities may request reasonable job accommodations under the Americans with Disabilities Act (ADA) and engage with administration in the ADA interactive process. In the event that the District and a Professional Employee reach a mutual agreement that the Professional Employee cannot perform the essential functions of their job with or without reasonable job accommodations, and the Professional Employee is not eligible for or has no available leave under the FMLA, then the Professional Employee may resign pursuant to a mutually agreed separation agreement under the "mutual benefit" exemption in provision c(iii). The purpose and intent of this exception is to ensure that Professional Employees who experience a medical condition that impacts their ability to work are treated objectively and equitably with regard to late resignation.

4. Active Professional Employees who tender their resignations/retirement prior to February 1, will receive a \$1,000.00 incentive payable at the conclusion of their current contract. Professional Employees must complete their contract year to be eligible for the payment.

I. Retirement

1. Retirement for Professional Employees may take place on the first day of July next following attainment of age sixty-five (65), or on the first day of July in any year thereafter. Earlier retirement may be taken in accordance with Kansas law as is in such cases made and provided.
2. Professional Employees shall be subject to the requirements of the Kansas Public Employees Retirement System, Social Security, and the laws relative thereto, and such employees are charged with the responsibility of becoming familiar with the laws, rules and regulations pertinent thereto.

J. Complaints

The parties agree that complaints are likely to arise from time to time with reference to Professional Employees and, in order to resolve such complaints, the following criteria shall apply:

1. After appropriate investigation, the administrator shall decide whether the complaint merits further attention.
2. Where it is appropriate to do so, the complaint will be presented to the Professional Employee for resolution. Promptness in resolving the complaint is important and the Professional Employee and the administrator shall do their best to keep the other informed of progress toward resolution. The Professional Employee shall have an opportunity to answer the complaint and such response may be communicated to the complainant.
3. No complaint and/or related documents will be placed in the Professional Employee's file unless the complaint has led to an investigation.
4. An anonymous communication may be used as the basis for an investigation but no anonymous communication from a parent, student or other person shall be placed in a Professional Employee's file folder.

K. Discipline

1. Professional Employees are expected to comply with the rules, regulations, and directions adopted by the Board or its representatives which are not inconsistent with the provisions of this Agreement.
2. Professional Employees shall not be disciplined or reprimanded in the presence of students, parents, other employees or at public gatherings.
3. Disciplinary actions will be commensurate with the infraction. Evaluation will not be used as a disciplinary tool.
4. Disciplinary action may include:
 - a. A written district or building summary of conference;
 - b. A written district or building reprimand;
 - c. Suspension with pay;
 - d. Suspension without pay;
 - e. Non-renewal or termination.
5. The above disciplinary actions are non-grievable except for non-renewal, termination, or suspension. Suspensions with or without pay must have the authorization of the Superintendent or the Superintendent's designee. Where circumstances permit, the Superintendent or the Superintendent's designee will allow the employee an opportunity to be heard prior to taking action on such suspensions. The employee may bring a personal representative to such a meeting.
6. The Administration will provide orientation on the disciplinary procedure.

7. Records of disciplinary action will be maintained for a minimum of three years. Subsequent to the three-year period, the disciplinary materials may be removed if both parties agree.

L. Personnel Evaluation

Evaluations will be conducted in compliance with the Kansas Educator Evaluations Systems Handbook, Shawnee Mission School District, revised October 16, 2016. Any subsequent changes to the procedures are subject to approval through the negotiations process. The parties agree that it is their intent for the evaluation process to comply with Kansas law including all present or future requirements of KSDE regulations. Should any subsequent law or regulation require modifications to the evaluation process, the parties shall immediately convene to negotiate such modifications.

M. Monitoring and Recording

1. Recorders or other types of monitoring devices may be used by students and classroom visitors only with the prior knowledge and permission of the Professional Employee. An exception to this provision is if the device is required by a student's IEP or 504 plan; these recordings will not be used for evaluative purposes.
2. The school intercom system is to be used primarily for two-way communication and general announcements. Without limiting the Administrator's authority to utilize the intercom system, the intercom shall not be used as an evaluation technique for observing classroom activities.

N. Political Activities

1. All Professional Employees shall enjoy the rights and privileges of any free citizen in matters of a political nature. The only restrictions imposed upon Professional Employees by the Board of Education are as follows:
 - a. No Professional Employee shall, during hours for which pay is received, use any time for the solicitation, promotion, election, or defeat of any candidate for public office.
 - b. No Professional Employee shall use in any way the classrooms, schools, or pupils for the purpose of solicitation, promotion, election, or defeat of any candidate for public office.
 - c. No Professional Employee shall make use of school equipment or materials for the purpose of solicitation, promotion, election, or defeat of any candidate for public office.
 - d. All Professional Employees have the right to become a candidate for public office and to serve in such elective office unless there is a specific legal prohibition. All Professional Employees, upon presenting evidence of

having been elected to public office, shall be granted a leave of absence without regular salary to serve in such office.

O. Reduction in Force

The Board reserves the right to non-renew Professional Employees because of a decrease in the number of pupils or for any other causes over which it has no control.

The Board will use normal attrition of staff (i.e., resignation, retirement, leaves of absence) as the first means of achieving a reduction in professional staff. However, in certain cases, normal attrition may not be sufficient to achieve the necessary reduction of professional staff. [In such a case, the selection of Professional Employees for non-renewal shall be made in a non-arbitrary manner.]

The Superintendent will review all relevant facts and circumstances and will recommend appropriate actions to the Board of Education. Any reduction of professional staff will occur on a district-wide basis.

1. As used in this article, the following terms will have the following meanings:
 - a. "Days" shall mean calendar days;
 - b. "Part-time Professional Employee" shall mean a Professional Employee who is assigned less than a full school day or fewer than five (5) full school days per week;
 - c. "Seniority" shall mean the period of most recent continuous and uninterrupted professional employment with the District, as determined from the effective date of employment; provided, however, an approved leave of absence (including non-renewal due to RIF) shall not be construed as an interruption of continuous employment;
 - d. "Subject area or areas" shall mean general curricular areas such as mathematics, English, foreign languages, social studies, etc.;
 - e. "Level" shall mean elementary (Pre-K-6), or secondary (7-12);
 - f. "RIF Affected Listing" shall mean a preliminary listing of employees who are unassigned personnel; and
 - g. "RIF Listing" shall mean the listing of employees who are placed on the recall list.
 - h. "Workdays" for the purpose of this section shall mean days that the district office is open for business.

2. Procedure

- a. By February 1 of each year, each employee will be assigned a rank as determined by their district seniority date. When employees have the same professional employment date, the last four (4) digits of the social security number establish rank. The senior ranking employee would be the individual with the lowest number.
 - b. By March 1 of each year, each employee will be assigned to a subject matter area, level, etc.
 - c. Whenever the Superintendent determines that a necessary reduction of professional staff will not be accomplished through normal attrition of staff, all Professional Employees of the District will be advised of the reasons for the reduction of professional staff.
 - d. Building principals will then be given notice of staffing ratio.
 - e. Building principals will staff building in descending order of rank within building. (Master schedules).
 - f. Principals will notify the Division of Human Resources, district office, which Professional Employees are RIF Affected.
 - g. Division of Human Resources will notify RIF Affected individuals.
 - h. RIF Affected individuals will be given the opportunity to replace least ranked teachers in their assigned area. If none, they can replace the first Professional Employee with a lesser ranking in any area of certification they hold. (Purpose is to allow those employees who have more seniority to displace those with the least seniority.)
 - i. Those names remaining on the RIF Affected List will then be placed on the RIF List by the Office of Personnel Services. Such list will be forwarded to the superintendent for recommendation to the Board. Individuals on the RIF List will be notified by the Board in accordance with K.S.A. 72-2251.
 - j. In no case will a probationary employee be retained over a non-probationary employee with appropriate certification.
3. The Board and Association will establish a RIF monitoring committee consisting of 4 members each. The purpose of the committee is to oversee the implementation of the RIF procedures. The committee will be paid at the negotiated hourly rate. Meetings will be during the contract day or other mutually agreed upon time.
4. Recall Procedure
 - a. A Professional Employee who has been non-renewed due to RIF shall be offered re-employment with the School District for a period of two (2) years following the date they was non-renewed due to RIF in the inverse order of

lay-off as determined by the ranking system. Such re-employment shall be offered when a vacancy occurs for which they are certified. Any Professional Employee who is non-renewed due to RIF shall be given preference for substitute teaching positions with the School District.

- b. A Professional Employee will be notified of recall by phone at the Professional Employee's phone number on file with the district. It shall be the responsibility of the Professional Employee to ensure that the School District has a record of their current telephone number(s). The School District will simultaneously notify the NEA SM of the Professional Employee subject to recall. The Professional Employee will have 72 hours (3 working days) to accept or reject the offer of re-employment. Upon acceptance or rejection of the re-employment offer, the district will send the Professional Employee a confirmation letter. A Professional Employee must report as directed within fourteen (14) days after the acceptance of re-employment.
- c. If a Professional Employee rejects re-employment or fails to report as directed within fourteen (14) days after receiving the offer of recall, such action or failure to act by the Professional Employee shall be construed as a resignation. Acceptance of an employment contract with another school district will result in the employee being taken off the recall list.
- d. No person new to the District shall be employed to fill a vacancy if there is a Professional Employee on involuntary leave of absence who is qualified and certified to fill that position on the recall list.
- e. Credit on the salary schedule shall not accrue for the period of time the employee is on the recall list. If re-employed by the School District, they shall be entitled to placement on the salary schedule according to their experience and training. Upon re-employment, a Professional Employee shall be entitled to all previous accumulated leave and other benefits accrued during their period of employment with the School District prior to lay-off.

5. Miscellaneous

- a. No action may be taken under this policy if it will result in a violation of federal, state, or local laws or regulations.
- b. No Professional Employee on the recall list will be entitled to receive compensation from the School District, except for the performance of specific employment duties.
- c. Nothing in this policy shall require the promotion of a Professional Employee to a position of higher rank, authority or compensation, even though the Professional Employee may be qualified and certified for the promotion position.

P. Mentoring

Mentors will be volunteers approved by building administrators in accordance with guidelines set by the state. To the extent that approved volunteer mentors are available, the district will provide a mentor for every teacher new to the profession who requests one. Mentor stipends will be paid according to the rate set on an annual basis by the Kansas State Department of Education. Mentor stipends will be paid if funds are available from the state for that purpose.

ARTICLE VI

PROFESSIONAL GROWTH

The District requirements for periodic academic study shall be the same as the requirements established by the State of Kansas for renewal of Professional Employee certification.

ARTICLE VII

GRIEVANCE PROCEDURE

Grievance Procedure

The grievance procedure is established to provide Professional Employees with an opportunity to raise matters of concern or dissatisfaction for informal and, where appropriate, formal consideration and resolution. Free, easy, and effective communication between Professional Employees and the administrative staff is a mutually important objective. This Article also provides the two parties to this Agreement with an opportunity to raise matters of concern or dissatisfaction for formal consideration by the other party in accordance with Section 3 below.

The purpose of this procedure is to secure, in good faith, equitable solutions to the problems which may from time to time arise and which affect the terms and conditions of the Professional Employee's professional service. Good morale is maintained, when problems arise, by sincere efforts of all persons concerned to work toward constructive solutions in an atmosphere of courtesy and cooperation. It is the intent of the parties to resolve grievances informally at the earliest possible time and at the lowest possible level. Parties are encouraged to have an informal conversation in an effort to resolve issues prior to filing a grievance.

1. Terms and Conditions

- a. A "grievance" by a Professional Employee is a claim that there has occurred a violation, misinterpretation, or misapplication of the Professional Employee's contract, including this Agreement.

A "grievance" by the Association or by the Board is a claim that the parties' rights and/or obligations, as provided under this Agreement have been violated, misinterpreted, or misapplied. The Board also may file a "grievance" in an attempt to resolve a concern that a prohibited practice, as defined by K.S.A. 72-2235(c), has occurred.

- b. "Grievant" is the Professional Employee or party that filed the grievance.
- c. "Days" shall be days when school is in session except that when a grievance is filed on or after May 15, "days" shall refer to Monday through Friday, excepting legal holidays.
- d. "Superintendent" shall mean the Superintendent or their designee.
- e. Notwithstanding any provision of the Agreement to the contrary, the following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:
 - i. The termination, non-renewal, or demotion of probationary Professional Employee's contract; and the retirement of a Professional Employee;
 - ii. The termination, non-renewal, or demotion of a permanent status Professional Employee's contract; if such Professional Employee files a notice requesting a hearing under K.S.A. 72-5438 (or a successor statute) within the time required; any such grievance previously filed shall not be further processed;
 - iii. Supplemental contracts and any matters related thereto; provided, however, violations of Article V, L, 2(c) or Article XII, D, 6, may be grieved;
 - iv. Under Article V, Section L, hereof, the content of any evaluation document or appraisal report, including opinions or judgments of the evaluator contained therein. Failure to agree on an Area of Emphasis is likewise non-grievable;
 - v. Academic freedom under Article XII, Section G, hereof;
 - vi. Nothing contained herein shall deny to any Professional Employee their rights under Federal or State constitutions and laws; and no Professional Employee shall use the grievance procedure to appeal any decision of the Board or Administration if such decision is applicable to a State or Federal regulatory commission or agency.

2. General Provisions

- a. A grievance may be filed by an individual Professional Employee when they believe that their rights under this Agreement have been violated, misinterpreted, or misapplied.
- b. A grievance may be filed by the Association when it believes that its rights and/or obligations under this Agreement have been violated, misinterpreted, or misapplied. A grievance may be filed by the Board, or the

Superintendent on the Board's behalf, when it believes that its rights or obligations under this Agreement have been violated, misinterpreted, or misapplied, or when it has a concern that a prohibited practice has occurred.

- c. No grievance shall be recognized unless it shall have been filed at the appropriate level within ten (10) days after the occurrence of the event which is the subject of the grievance.
- d. At any level of the grievance procedure, a Professional Employee may appear without representation, or may be represented by the Association or by a representative of the Professional Employee's choice who may, at the Professional Employee's request, act on behalf of the Professional Employee, except the actual filing of the grievance. The decision to drop a grievance at any level will be made by the Grievant.
- e. In the absence of a written reply to the grievance by an administrator within a five (5) day period after the conference, the grievance is considered to be denied and the Grievant may submit the grievance in writing to the next level.
- f. Grievances filed by Professional Employees after May 15 shall, whenever possible, be resolved within ten (10) days of the close of the school term, but the Professional Employee shall be guaranteed the opportunity to have the grievance processed at every level provided in this policy.
- g. The inclusion of time limits is for the purpose of ensuring prompt action. In circumstances where a Grievant does not pursue the next step of the procedure within the time period specified, unless there is a mutually agreed written extension of time limits, the grievance shall be deemed to be settled and no further action by the responding party shall be required; any grievance not advanced from one step to the next within the time limits of that step, shall be deemed resolved by the response at the previous step.
- h. The filing of a grievance will not reflect unfavorably against any Professional Employee, but it will be interpreted as an effort to improve relationships in, and operation of the District.
- i. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- j. It is understood that Professional Employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable contract provisions.
- k. All grievances filed in writing shall:
 - i. Be signed by the Grievant;

- ii. Be specific;
- iii. Contain a synopsis of all facts giving rise to the grievance;
- iv. Cite the article, section, and page number of the Agreement which has been allegedly violated;
- v. Contain the date(s) of the alleged violation;
- vi. Specify the relief requested;
- vii. Contain a statement indicating how the alleged facts, as applied to the Agreement, result in the alleged violations; and
- viii. Be filed on a form provided by the District.

If the grievance is not filed substantially in accordance with the above requirements, the responding party reserves the right to reject the grievance. Such rejection shall not extend the time limitations herein set forth.

- l. At any level of the grievance procedure, the responding party or its representative may challenge whether a claim asserted is grievable under this Article.
- m. Nothing in this Article shall preclude a Professional Employee from discussing a grievance with their principal or immediate supervisor in an effort to informally resolve a grievance.
- n. In a situation where multiple grievances are timely filed over the same facts and issues, or if more than one individual Professional Employee has signed the same grievance form regarding the same facts and issues, then the District will consolidate the matters at any level where it is practical to do so. In such a situation, the Association becomes the spokesperson for the multiple Grievants.

3. Procedure

LEVEL ONE - CONFERENCE

Professional Employee

A Professional Employee shall, within ten (10) days after the occurrence of the event which is the subject of the grievance, file the written grievance with their principal or immediate supervisor, whichever has the authority to deal most effectively with the grievance. The principal or immediate supervisor shall confer with the Grievant in an effort to resolve the grievance; and, within five (5) days after the conference, may submit a decision in writing to the Grievant.

Association or Board

A party shall, within ten (10) days after the occurrence of the event which is the subject of the grievance, file the written grievance with the other party. The parties, as represented by an appropriate individual(s), shall confer in an effort to resolve the grievance. Within five (5) days after the conference, the responding party may submit a decision in writing to the Grievant.

LEVEL TWO – INTERNAL APPEAL

Professional Employee

In the event the Professional Employee is not satisfied with the disposition of the grievance at Level One, the Professional Employee shall submit the written grievance within five (5) days thereafter to the Superintendent. The Superintendent, or their designee who is either the Deputy Superintendent or an Associate Superintendent, will arrange for a meeting with the Grievant to take place within ten (10) days of receipt of the grievance. The Superintendent or designee shall have ten (10) days following such meeting in which to provide a written decision to the Grievant.

Association or Board

Not applicable.

LEVEL THREE - ARBITRATION

The Grievant shall have a right of arbitration (in the manner hereafter described) for any grievance which arises under the terms of this Agreement and which is not resolved or dropped at a prior level. The arbitration procedure shall be as follows:

- a. Subject to the terms of the contract, the grievance may be admitted to final and binding arbitration.
- b. Unless otherwise agreed, the arbitrator shall be selected by mutual agreement of the parties from among the membership of the Kansas Academy of Mediators & Arbitrators who are recognized as arbitrators, the Federal Mediation and Conciliation Roster of Arbitrators, and/ or other agreed to panel of neutrals.
- c. Any party entitled to arbitration under the Agreement must deliver notice to the other party within fifteen (15) days from the date a decision is issued at Level Two or within fifteen (15) days after notice of non-renewal or termination by the Board of Education. That notice shall contain a statement specifying the particular issue to be arbitrated and the specific remedy requested. Such statement shall be in sufficient detail so that the defending party can determine the issue involved and the exact extent of liability involved, and arbitration thereof shall be confined to the issue and a remedy set forth in said written statement. Should a question arise as to whether or not the written statement is sufficiently specific, the defending

party may apply to the arbitrator for a ruling as to the sufficiency of the written statement in advance of hearing on the merits of the case. Neither party shall raise a new defense or ground at Level Three not previously raised or disclosed at other written levels.

- d. The notice shall be given to the other party. The notice shall also contain a proposed list of ten (10) eligible arbitrators. The responding party shall provide a similar list within ten (10) days after receipt of the notice. Unless mutually agreed otherwise in writing, the parties will, within the next fifteen (15) days arrange for a meeting or telephone conference whereby each party will alternately strike names from the lists until an arbitrator is thereby selected. If the arbitrator so selected has insufficient time to complete a hearing within the next forty-five (45) days, then either party shall have the right to declare that arbitrator ineligible and a new arbitrator shall be selected from the same list using the same process as described above. This process shall continue until an arbitrator is selected who can hear the case within a forty-five (45) day span from the date selected, or unless otherwise mutually agreed by the parties.
- e. Only one grievance shall be heard by any particular arbitrator unless there are multiple grievances involving the same facts and issues or unless otherwise agreed in writing by the parties. Grievances of similar nature may not be heard by the same arbitrator except on the express written mutual consent of the parties.
- f. Notwithstanding the foregoing, the arbitrator shall not have the power to add to, modify, alter, amend, or subtract from the terms of this Agreement or the individual Professional Employee contract. The arbitrator shall not make any new agreement or agreements between any of the parties thereto or, in the absence of unlawful discrimination, interfere with the exercise of managerial discretion and prerogatives. The arbitrator shall not hear grievances barred from the scope of the grievance procedure nor shall the arbitrator question the reasonableness of Board policy nor annual assignments of extra duties for extra pay. If any grievance award shall include back pay, the award shall not extend to a date prior to the date of occurrence of the grievance. A grievance award shall not include punitive damages.
- g. The arbitrator shall have no power to decide any question which, under the Agreement, is within the responsibility of the Board to decide. In rendering decisions, an arbitrator shall give due regard to the responsibilities of management except as they may be specifically conditioned by this Agreement.
- h. In the event that a grievance is submitted to an arbitrator on a matter over which the arbitrator has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

- i. In any arbitration under this Article, rules and procedures not herein otherwise specified shall be determined by the arbitrator in advance of the hearing and after consultation with the parties.
- j. Each party shall bear the expense of its witnesses produced and other expenses incurred in presenting its case. The fees and expenses of the arbitrator shall be paid by the non-prevailing party. Any stenographic record and any transcripts thereof shall be paid for by the party ordering the same.
- k. The decision of the arbitrator shall be given in writing to all parties within thirty (30) calendar days after the matter is finally submitted to the arbitrator. There shall be no appeal to any court, labor board, or other official body from the arbitrator's decision if such decision is within the scope of the arbitrator's authority as set forth above. The decision shall be final and binding on the Board, the Association, and all Professional Employees of the District.
- l. Any grievance occurring during the period between the termination date of this Agreement and the effective date of the new Agreement shall not be processed. Any grievance which arose prior to the effective date of this Agreement shall not be processed.
- m. The fact that a grievance has been considered by the parties in the preceding steps of the grievance procedure shall not constitute a waiver of jurisdictional limitations upon the arbitrator in this Agreement.

ARTICLE VIII

TEMPORARY LEAVES OF ABSENCE

Provisions have been made by the Board of Education for absence from duty of Professional Employees as follows:

A. General Provisions

- 1. Temporary Leave will be divided into two (2) categories; accumulative and non-accumulative.
- 2. Professional Employees are allowed thirteen (13) full working days per year, with full pay, as current Temporary Leave; these days will be added to the Professional Employee's temporary leave bank on the day the employee actually reports for duty. Part-time employees shall accrue temporary leave on a prorated basis. Professional Employees with an extended contract totaling two hundred (200) or more working days will be entitled to one (1) additional day of Temporary Leave.

If a Professional Employee goes on inactive status, then their current temporary leave days will be reduced to a prorated amount (1 day awarded as of the first day

of each month August through May, plus 1 day will be awarded at the end of the 1st quarter, end of the 2nd quarter, and end of the 3rd quarter). However, if the employee returns to active status by the last contract day, then they will receive credit for 13 current temporary leave days less the prorated number of days. After returning to active status during the contract year, the employee will have the option of receiving retroactive credit for their remaining current temporary leave days, applied to any contract days when the employee was on inactive status but did not have available leave. The employee must apply for such retroactive credit with Human Resources by no later than May 1 of the current contract year.

3. Professional Employees employed on a part-time basis shall be entitled to all temporary leaves of absences specified in this Article; provided, however, these days shall be in accordance with their prorated contractual time and compensation. For the purpose of this paragraph only, a temporary leave day shall be that portion of the day worked by the part-time Professional Employee.
4. Professional Employees shall be allowed to accumulate to their credit any unused portion of their accumulated temporary leave. Starting in fiscal year 2008-09, Accumulative Temporary Leave will be segregated between leave accrued prior to July 1, 2008 and after July 1, 2008. Cumulative leave balances can be accessed on the district website. Requests for Temporary Leave with salary deduction for reasons of personal convenience, interviewing for other positions, or for vacation trips will be presented to the building principal/administrator for approval or disapproval.
5. If the total of accumulative leave is depleted, pay for absences shall be deducted at the daily rate of pay as computed in accord with the terms of the contract of the individual Professional Employee.
6. It shall be understood that non-accumulative temporary leave shall not be deducted from accumulative leave unless otherwise stated.
7. Holidays occurring within the period that a Professional Employee is absent shall not be charged against Temporary Leave.
8. It is the responsibility of Professional Employees to report all absences to the Shawnee Mission Attendance Management System. In cases in which a Professional Employee is absent one-half day only, one-half day's leave will be charged. Professional Employees who leave during the school day due to illness will be charged only one-half day of sick leave if they have been on duty at least two hours. The request for the substitute must be made prior to 11:30 a.m. There will be no hourly deduction. The building administrator has the authority to allow the Professional Employee to occasionally leave the building briefly during the designated contract time.
9. Professional Leave Days are approved, processed and recorded by the Department of Human Resources. Absences, other than Professional Leave Days, not requiring

a substitute must still be reported to the system and will be charged to the employee's temporary leave.

10. A Professional Employee absent for any period of time because of accident or injury, or for a period of more than one week due to illness, may be required to present to the principal a written statement from their physician stating that the Professional Employee is physically and mentally able to return to duty.

This statement is to be presented in person before the Professional Employee returns to duty in order that the present stage of convalescence can be observed and discussed.

The Superintendent, upon recommendation of the school principal, may postpone the return to duty if the Superintendent should conclude that the Professional Employee is physically or mentally unable to perform assigned duties or if the Professional Employee's condition is such that there would be hazard of further injury.

Professional Employees absent due to illness, physical incapacity, or mental incapacity may be required to submit periodically, with the Department of Human Resources, a physician's statement setting forth the nature of the illness or incapacity and the projected day of possible return.

B. Payment for Unused Leave

1. Payment for Unused Current Temporary Leave

A Professional Employee shall be eligible to receive \$75.00 per day credit for each unused day of current Temporary Leave if:

- a. The Professional Employee has used less than thirteen (13) days of current Temporary Leave as of June 30 of the contract year;
- b. On or before May 1 of that current school year, the Professional Employee has at least twenty (20) days as Accumulative Temporary Leave After 7/1/2008; and
- c. On or before May 1 of that current school year the eligible Professional Employee applies on an online form approved by the District to receive payment for unused current Temporary Leave credited to their account that year. Payment shall be issued by the District within sixty (60) days of the end of the school year.

In no event shall a Professional Employee in any contract year receive credit for more than thirteen (13) days of unused current Temporary Leave or \$975.00.

An eligible Professional Employee who fails to make application for unused Temporary Leave credits as provided herein shall thereafter forfeit all rights to

claim payment for such credits. A Professional Employee may accumulate any unused Temporary Leave for which the Professional Employee has not been paid a credit.

2. Payment for Unused Accumulated Leave

A Professional Employee shall be eligible to bank credit for each unused day of current Temporary Leave accrued after July 1, 2008, if:

- a. The Professional Employee has used less than thirteen (13) days of current Temporary Leave as of June 30 of the contract year; and,
- b. Chooses not to participate in the yearly Temporary Leave buy back option; and,
- c. The Professional Employee's resignation is tendered on the approved District form and submitted to the Department of Human Resources no later than April 1 of the final year of employment; and,
- d. Upon the appropriate resignation, the employee will be paid \$75.00 per day for each accrued day contained in the bank, as well as for each unused current Temporary Leave day accrued that contract year. Payment shall be issued by the District within sixty (60) days of the end of the school year.

Temporary Leave used by a Professional Employee during a contract year shall first be deducted from current Temporary Leave (until such leave is exhausted) and then from previously accumulated leave, if any.

C. Temporary Leave - Accumulative

1. Temporary Leave will be provided to Professional Employees and reported as such:
 - a. illness or injury of the employee.
 - b. illness or serious injury of a Professional Employee's spouse, non-dependent children, parents, or resident of the Professional Employee's household for whom the Professional Employee is the primary caregiver. Up to five consecutive days of sick leave taken for this reason will be granted without a written request. Up to an additional five consecutive days will be granted upon submission of a request and approval by the Department of Human Resources. Up to an additional ten (10) consecutive days (for a total of twenty (20) consecutive days) will be granted by the Department of Human Resources upon an application of the Professional Employee which demonstrates extraordinary circumstances. Exercise of this subsection for care of a household resident will be subject to written verification.

- c. the birth or adoption of a child when the Professional Employee believes such leave is necessary. In such a circumstance, the leave must occur within the calendar year following the actual date of birth or initial custody. If each parent is an employee, each parent may be granted up to 12 weeks (may be consecutive or concurrent) of parental leave, paid or unpaid. The Superintendent and their designee, in their sole discretion, will consider and approve requests for intermittent parental leave of less than 12 weeks.
- d. illness of a dependent child
- e. quarantine laws of the State of Kansas
- f. personal business – personal business leave is limited to the annual temporary leave allotment for the current fiscal year. In the event ten (10) out of thirteen (13) current temporary days have been used for illness or injury of the employee or family member as defined in sections a. and b. and the employee has accumulated unused temporary leave days, up to two (2) additional days shall be granted for personal business during that contract year.

D. Personal Day Non-Use Dates

- 1. Except for circumstances set forth below, Personal Leave is not available under the following conditions:

 - vii. If authorized by the Superintendent or their designee based on extenuating circumstances related to (1)-(6).

E. Temporary Leave — Non-Accumulative

Professional Employees using non-accumulative leave will make a written application to their building principal/administrator for Leave for Governmental Service, Judicial Leave, Association Leave and Professional Leave in advance.

Requests for non-accumulative leave shall be made on the District form. These requests for leave may be approved/disapproved by the school principal/administrator. Such requests appropriately filed shall be processed and responded to within five (5) working days after receipt by the building principal/administrator.

Individuals who do not agree with the building principal's/administrator's decision may request a review by the Department of Human Resources within five (5) days of the notification of the principal's/administrator's decision.

- 1. Bereavement Leave
(shall be granted only on the following basis)

A Professional Employee will have access to bereavement leave (not charged to Temporary Leave) on the occasion of a death in the Professional Employee's family in accordance with the following:

- a. Immediate Family: Up to five (5) days for wife, husband, mother, father, sister, brother, daughter, son, or the same relative of the Professional Employee's spouse or resident of the Professional Employee's household.
- b. Family: Up to three (3) days for step-mother, step-father, daughter-in-law, son-in-law, step-sister, step-brother, grandparent, grandchild, aunt, uncle, niece, nephew, or the same relative of the Professional Employee's spouse or resident of the Professional Employee's household.
- c. Use of Bereavement Leave in excess of the above days shall be charged to accumulated Temporary Leave. Up to five (5) days per occurrence may be used without loss of pay until accumulated Temporary Leave is exhausted.
- d. A Professional Employee may make a written request within the five-day period following the day of leave to the building principal/administrator requesting a maximum of one day of Bereavement Leave not authorized by the preceding definition of immediate family for a special and/or extraordinary occasion of death, provided the Professional Employee has used all available Temporary Leave.
- e. A Professional Employee may be absent for either a full day or a half day to attend the funeral services of a relative other than those listed above and/or friends, and such leave may be charged to Temporary Leave. In the event a large number of Professional Employees in a building(s) desire to leave to attend funeral services as stated above, the response to such requests for leave will be determined by the principal, based on the ability to maintain the normal operation of the school's instructional program.
- f. A Professional Employee may be excused, without loss of pay for period of up to four (4) hours to attend funeral services of relatives other than those listed above and/or friends. Such absence will not be charged to any Temporary Leave category, provided the principal determines that no substitute is required.
- g. Individuals who do not agree with the building principal's/administrator's decision may request a review by the Department of Human Resources within five (5) days of the notification of the principal's/administrator's decision.

2. Leave for Governmental Service

- a. Professional Employees who are appointed members of official bodies of the State of Kansas which require absence from duty shall request the Superintendent's approval to be absent.
- b. If approved by the Superintendent, the difference between the Professional Employee's salary (on a per diem basis) and any compensation for service in the appointed position will be paid by the District.
- c. Request for absence shall be made in advance on the District form. These requests for absence must be approved by the school principal and forwarded to the Department of Human Resources for action.

3. Judicial Leave

Professional Employees shall be granted leave as necessary for jury duty or to appear in a court of law as a subpoenaed witness in a case where the employee is not a litigant. The difference between the Professional Employee's salary and pay for Judicial Leave will be paid by the district. Written notification must be made to the building principal/administrator prior to Judicial Leave and a written statement of pay received must be submitted at the completion of the leave.

4. Association Leave

Delegates to meetings of KNEA, NEA SM or related Association activities will be named by the President of the Association or the President's representative subject to the consent of the Superintendent, whose consent shall not be unreasonably withheld. If consent is given, the District shall incur no expense for delegates attending such meetings. The District will pay for the cost of substitute teachers up to forty (40) days. The Association will reimburse the District for the cost of substitute teachers for any days granted beyond the forty (40) days. The number of days for any one individual will be limited to sixteen (16) per year. The number of days available to the Association for Association Leave will be determined annually by the Superintendent.

5. Professional Leave

Selected Professional Employees may be granted leave (other than Association Leave) to attend state, regional, or national educational meetings. Such leave may be initiated by either an employee or the school district. In either case, applicants will be selected at the discretion of the Superintendent, or other authorized administrator after consultation with appropriate persons.

6. Absence Due to Personal Injury - Workers' Compensation

- a. Whenever a Professional Employee is temporarily absent from school due to a personal injury suffered on the job and is temporarily unable to perform the Professional Employee's duties, and the injury is not the result of the Professional Employee's own negligence, the Professional Employee may,

at the employee's option, use accumulated sick leave to supplement their income beyond the Workers' Compensation payments or award made for temporary disability because of said injury. If the employee selects sick leave to supplement the employee's salary or if the injury was caused by a battery under subsection (b), then the employee will be paid by the District on a daily basis equal to ten percent (10%) of the employee's first \$82 on a daily basis of earnings plus eighty-five percent (85%) of the employee's earnings over \$82 on a daily basis. The District shall make said payments only during the school year in which the injury occurred, and in no event shall said payments continue beyond a period of 180 consecutive calendar days from the date upon which said injury occurred. The employee's record will be charged sick leave on the basis of the supplemental income paid divided by the employee's daily pay rate, but in no case will the sick leave amount charged exceed 1/2 day per day of absence. There will be no charge to sick leave for the first five (5) scheduled workdays of temporary leave.

- b. Whenever a Professional Employee is absent and receiving temporary total disability benefits under Kansas Workers' Compensation law as a result of personal injury caused by battery arising out of or in the course of employment, the District shall not charge sick leave. To be eligible for this benefit, the claimant will be expected to submit an affidavit describing the battery and attaching a police report, if such a report has been filed.
- c. The Board shall have the right to have the Professional Employee examined by a physician to assist it in determining the length of time during which the Professional Employee is temporarily unable to perform duties and that the disability is attributable to the injury involved.
- d. In the event that a Professional Employee who was injured during the course of their employment is still disabled by virtue of said injury in the school year following the year in which they were injured, upon written request by the employee, the employee may use accumulated sick leave to make up the difference between their net take-home salary (as determined in subparagraph a. above) and any Worker's Compensation payments or temporary disability awards they are receiving, with accumulated sick leave being charged in 0.5 day increments rounded up.

ARTICLE IX

EXTENDED LEAVES OF ABSENCE

- A. Extended Leaves of Absence: As applicable, staff members employed during the 2015-16 school year will be "grandfathered" under the terms of the previous language.

Provision has been made by the Board of Education for absence from duty of Professional Employees as follows:

Extended Leave

Health Leave
 Association Business Leave
 Parental Leave
 Military Leave
 Foreign Travel or Teaching - Academic Study
 Personal

All requests for extended leaves of absence will be applied for and those approved shall be granted in writing. Professional Employees requesting reassignment upon completion of an extended leave of absence will be assigned to the first available position based upon their professional preparation, experience, and certification. Except for Association Business Leave and Military Leave, if a vacancy is not available by the beginning of the second year following the completion of the leave, the leave status ends and the Professional Employee is terminated from the district.

Part-time Professional Employees who go on Extended Leave of Absence should not expect to return to a position which would increase their contract time. A part-time Professional Employee returning from Extended Leave of Absence may be offered a position of greater contract time.

B. Health Leave (extended)

Any Professional Employee, having served the district for a minimum of three years, or with approval from the Superintendent and/or their designee, whose personal illness or physical incapacity extends beyond accumulated Sick Leave will be granted leave of absence without pay or increment for the remainder of the current semester. Health leave may be extended for one additional semester with application, as appropriate and available, made no less than 30 days prior to the conclusion of the current semester. In cases where such notice is not available, consideration will be made at the discretion of the Superintendent and/or their designee. At such time as the employee is diagnosed by their medical advisor as able to return to work, the employee may be returned to a position for which they are licensed, provided one is available, at the beginning of the subsequent semester or school year. Under no circumstances will an employee be entitled to return to a position.

C. Association Business Leave (extended)

1. Professional Employees designated by the recognized employees' organization may, upon request, be granted a leave of absence for up to two years without pay, for the purpose of engaging in activities of local, state, and national affiliates of the Association. Upon return from such a leave, a Professional Employee will be assigned to the same position, if available; or, if not, to a substantially equivalent position.
2. The president of the NEA SM may, upon request, be granted a leave of absence for up to six years for the purposes of performing those duties. The district will

annually issue an employment contract to the NEA SM president during the term of the president's service. Such president shall receive Experience Credit as outlined in Article XI (Contracts and Salaries) C. (Experience Credit), 2. (Present Employees), hereof. During the tenure of the NEA SM president, the provisions of Article VIII (Temporary Leaves of Absence) hereof shall not apply to said president, including the accumulation of temporary leave and the reporting of absences to the district. The NEA SM will reimburse the district for all salary and benefits costs associated with the president's compensation. The Association agrees that the NEA SM president does not serve as an agent of the district while performing duties of the NEA SM president. Accordingly, the Association agrees to indemnify and hold the district harmless for any action of the NEA SM president while performing duties of the NEA SM president. Upon return from such leave, the NEA SM president will be assigned to the same position, if available, or, if not, to a substantially equivalent position.

During the president's leave of absence, the president may agree to accept an additional assignment from the district. In that case, the district and the president shall agree (a) to the president's duties and responsibilities, (b) the terms and conditions of that assignment, and (c) an appropriate credit toward the NEA SM reimbursement for the president's salary and benefits.

D. Parental Leave (extended)

Exceptions to this policy will be governed by the requirements of the Family and Medical Leave Act.

E. Military Leave (extended)

1. Leave for military or alternate civilian service, as provided by law or in the regulations of the Selective Service System, will be granted, without pay or increment, to any Professional Employee who is inducted or enlists in active military or civilian services. This leave shall continue for the duration of the period of actual service and for ninety (90) days immediately following the honorable discharge or separation of the employee.
2. Within ninety (90) days following the honorable discharge, each person desiring reinstatement shall so notify the Board and shall furnish evidence of physical fitness and mental competence to do the kind of work the Professional Employee was doing at the time leave was granted, or such work as may be available.
3. This leave does not include or guarantee any assignment in addition to, or independent of, the standard assignment or any extra-standard salary allotment therefor.
4. Every possible consideration and preference in assignment shall be accorded to persons returning to the schools from the Armed Services.
5. This leave applies only to persons who enter military service, and does not apply to persons who voluntarily seek employment in war industries or other governmental positions.
6. Professional Employees who are members of units of the National Guard or reserve forces of the United States and who are called to serve a mandated tour of duty for training or other service by proper authority pursuant to the laws of the United States or of the State of Kansas, shall be granted a leave of absence not to exceed fifteen (15) days during a contract period. Professional Employees called to serve will select those duty options which least interfere with the educational program of the District. Employees who have retained their right to participate in the cash option pay may select any District offered health insurance plan under the Section 125 Cafeteria Plan. Employees on approved leave shall not lose eligibility by virtue of such leave. Any Professional Employee who continues to receive such cash option shall be ineligible for the Board contribution to health insurance. Any Professional Employee who now elects or has previously elected to receive said Board contribution shall be ineligible for the cash option. An election to discontinue the cash option must be made on or before August 1 of each year, and shall thereafter be irrevocable.
 - g. Salary Protection Insurance
3. Professional Employees wishing to participate in the Section 125 Cafeteria Plan offered to Professional Employees shall complete the online open enrollment benefits process during the prescribed Open Enrollment period each year. The accuracy and timely submission of this benefit information is solely the responsibility of the Professional Employee. Each Professional Employee agrees to hold the District harmless from any failure on their part to submit the online enrollment in a timely fashion.  4. It is agreed that Professional Employees shall comply with all applicable directives of the Internal Revenue Service or other federal or state regulations, as amended,

in administering and maintaining the Section 125 Cafeteria Plan. The Board of Education reserves the right to draft and implement all necessary documentation in regard to the Section 125 Cafeteria Plan in compliance with applicable rules and regulations of federal and state law and further reserves the right to terminate the Plan if it is found to be unlawful under any applicable law.

5. The Board of Education may withhold such amounts of a Professional Employee's compensation hereunder as may be necessary, in the opinion of the Board, to comply with state and federal laws; *i.e.*, social security and retirement.
6. The selection of the carrier or carriers for each of the offered benefits shall ultimately rest with the Board of Education but all screening and recommendations shall be made on an annual basis by a Benefit Committee which shall include at least three (3) members selected by the Association and the NEA SM Executive Director.

B. Board Contribution to Health Insurance

1. Effective January 1, 2027 through December 31, 2027, if a Professional Employee wishes to select employee health insurance coverage available to District employees, the Board will pay the cost of the single premium for that Professional Employee's coverage as follows:
 - a. Up to a maximum of One-Thousand Thirty Dollars (\$1,030.00) per month for those Professional Employees who participate in the wellbeing incentive; or
 - b. Nine-Hundred Eighty Dollars (\$980.00) per month for those Professional Employees who chose not to participate in the wellbeing incentive.

For Professional Employees who choose the High Deductible Health Plan (HDHP), the difference between the Board contribution level and HDHP cost will be placed in a Health Savings Account (HSA) for that employee.

2. A Professional Employee who is under contract for five-tenths (5/10ths) time or more may select health insurance available to District employees at a prorated amount paid by the Board, which proration shall be based on the percentage of full-time work by the employee.
3. The sum paid by the Board for the health insurance premium shall be for the purchase of coverage of the individual Professional Employee only. In no event shall the Board pay for dependent or family coverage of any Professional Employee. Professional Employees are eligible to purchase dependent health insurance coverage under the Section 125 Cafeteria Plan.
4. In the event two married Professional Employees are employed by the Board of Education, the Board payment to each of the two Professional Employees can be pooled but shall be limited to, and not exceed, the two person monthly premiums

for the insurance programs selected and in no event shall the monthly payment exceed two times the amount provided to an employee as described in Article X, section B, paragraph 1.

C. Board of Education's Sick Leave Assistance Bank

The use of the Sick Leave Assistance Bank is for the Professional Employee only. In an instance of prolonged illness or personal injury (other than that covered by Article VIII, Section E, paragraph 6), a Professional Employee or anyone acting on the employee's behalf, may make application to the Board of Education to borrow a sum of days (not to exceed twenty (20) days). The Board, in its sole discretion, will consider the request, and if approved:

1. Said employee may borrow a designated number of days, to be fixed by the Board and not exceeding 20 days in any fiscal year.
2. Upon return to full-time service, the employee will not have to repay the Board for the borrowed days.
3. It is understood by the parties that the Board will not grant under any circumstances an aggregate number of days in excess of 250 in any school year, nor will any individual employee be given more than twenty (20) days.
4. It is understood by the parties that this section is intended to be applicable to extraordinary circumstances, and any such application may be summarily denied, and the decision of the Board shall be final and not grievable.
5. This section will be applicable only when the Professional Employee has exhausted all temporary leave available and has no access to Short Term Disability or Workers' Compensation.
6. In considering and/or granting such a request, the Board may require any documentation or other proof that it shall deem necessary under the circumstances.

E. Deferred Compensation Program for All Professional Employees

1. A non-transferable, tax-sheltered program is available to all Professional Employees of the district.
2. The contributions for such a plan shall be made solely by the employee under a salary reduction plan. The selection of the carrier or carriers shall ultimately rest with the Board.
3. Employees new to the District must utilize those companies which have been approved by the Board, but such employees, when permitted to do so under the law, may be allowed to roll-over any funds which were in a tax-sheltered plan of a former employer.
4. Approved companies must enter into formal agreements developed by the District.
5. Professional Employees who wish to enter into agreements with approved companies must properly complete a "Salary Reduction Agreement" which has been approved by the Board of Education.
6. Professional Employees wishing to participate shall complete all forms necessary to implement the contribution or deduction. Such forms must be completed and received by the Payroll Office on or before the 15th day of the month prior to the month of actual deduction or contribution. No changes will be allowed for the summer months (June, July and August) after May 15. The District will not make a September deduction or contribution on behalf of a new employee or an employee wishing to make a change unless all of the aforementioned forms are received by the Payroll Office on or before the last workday in August.

 - c. Any payment by the Board shall not be construed as an admission of responsibility or liability by the Board, its agents, servants, or employees.
 - d. Requests for reimbursement shall be made to the area associate superintendent in the area in which the incident occurred. The applicant will be notified as soon as decision has been made.
2. The Board will reimburse any Professional Employee for clothing or other personal property damaged, destroyed or stolen as a result of violence, assault, or battery sustained in the course of employment while on District property, not to exceed \$400 for each incident. This section shall not be construed to be an admission of liability on the part of the District. Request for reimbursement shall be made to the associate superintendent in the area in which the incident occurred, whose determination of whether the particular circumstances involved justify any assistance from the Board, shall be final.

ARTICLE XI

1. All questions relating to contract interpretation shall be submitted in written form to the Department of Human Resources.
2. All contract staff members are required to be on duty for orientation and planning during the contract days preceding the opening of school.
3. Applicants who are employed must submit an official transcript of all college credit, a valid Kansas certificate, license or certificate of registration, and written evidence of having fulfilled physical examination requirements as prescribed by the State of Kansas before any salaries can be paid.

B. Professional Employee's Compensation - Definition

1. Each Professional Employee employed by the Board shall be compensated for the professional services rendered during the professional days for the term of the contract year. This compensation shall be termed salary and the amount of such salary the Professional Employee receives shall be determined by placement on the appropriate salary schedule.
2. Professional Employees who return to employment in the District following an extended leave of absence or who have been transferred to a different school assignment prior to the beginning of a contract year will work the same number of contract days as the members of the regular staff.

C. Experience and Educational Credit

1. New Employees

- a. None of these provisions, unless expressly stated otherwise, shall have any application to Professional Employees currently under contract with the District.
- b. Normally, a newly hired Professional Employee hired for the 2025-2026 school year or any subsequent school year shall be given up to fourteen (14) years credit on the salary schedule for prior experience as a Professional Employee if such experience is approved by the District, or for Professional Employees who have experience in an accredited school and/or agency experience in their field of expertise. A newly hired Professional Employee with part-time experience in accredited schools outside the Shawnee Mission District will receive credit for their aggregate total of experience rounded up or down to the nearest full step. Former and current Professional Employees of Shawnee Mission will receive full credit for their part-time experience in Shawnee Mission. A Professional Employee with fourteen full years of approved experience credit as a Professional Employee shall be placed on the fifteenth step of the salary schedule. The amount of previous credit thus granted shall be determined at the time of initial employment and shall not be subject to review or change thereafter; provided, however, during the first contract year of employment, the Professional Employee may appeal the initial placement to the Human Resource Services Division.
- c. As an exception to the normal rule as above set forth, the District shall grant and approve all Unified School District 512 experience to those new hires who have previously been under contract with the District; provided, however, such an employee will not receive credit for any experience outside the District if the person has fourteen or more years of experience with Unified School District 512. The limitation for review shall be the same as set forth in paragraph (b) above.
- d. Professional Employees employed for one full semester of the school year in Unified School District 512 shall be credited for one year of experience on the salary schedule. One full semester of teaching experience obtained in each of two different years or school systems shall be combined and count as one year of experience on the salary schedule.
- e. In order to fill critical needs or market demands, the superintendent shall have the authority to place a new hire on any level of the salary schedule. This determination will be made at the initial time of employment.

- f. All accredited experience must be verified, and the Professional Employee's contract will be adjusted accordingly in the initial school year of employment.
- g. At the discretion of the superintendent, the district may provide a one-time cash signing incentive to a job candidate. The criteria to determine use will be when few or no applicants are available that meet district standards.
- h. The educational column granted to newly hired Professional Employees shall be determined at the time of initial employment.

2. Present Employees

Each Professional Employee currently employed by the District is entitled to one higher step on the salary schedule, for each year of continuous teaching experience under contract with the District; provided, however, there was no step increase granted for the 1999-2000 contract year and no step increase granted for the 2010-2011, the 2011-2012 or the 2013-2014 contract years.

D. Additional Work Time

- 1. In addition to the basic schedule, Professional Employees shall be compensated for daily assignments that extend beyond the classroom schedule. Training and work programs in excess of the regular school year, to which staff members are assigned annually, shall be made a part of the individual's regular contract.
- 2. Should the District elect to hire Professional Employees on an hourly basis for tutoring, summer school, homebound, or night school, such hourly rate will be compensated at 100% of the hourly rate of BS Step 1 (Tutoring is defined as instructional support for identified students as designated by the school administrator. Payment of the hourly rate is only for tutoring that occurs before or after the student school day.) Part-time Professional Employees who are paid on an hourly basis for tutoring will be paid the hourly rate for such duties performed before or after their contract time.
- 3. The hourly rate for supervision of intramurals, before or after school, will be 50% of the hourly rate of BS Step 1, provided the Professional Employee is not under a contract to perform these duties.
- 4. Other hourly pay which may be authorized for additional work time shall be at the rate of 80% of the hourly rate of BS Step 1. These other activities include but are not limited to workshop presentation, adult education classes, workshop attendance, curriculum writing, and other activities that are not included in the other two rate definitions.
- 5. Professional Employees who are paid for mileage in conjunction with their employment shall be compensated at no less than the current rate paid to employees of the State of Kansas.

6. Elementary regular education classroom teachers who are assigned combination grade level classes will be paid an additional sum of \$1,000 per year. This provision does not include special areas, special education, EL, ELL, or any other teachers except elementary regular grade level teachers.
7. When invited to participate by the administration, teachers who complete certification to teach Project Lead The Way, as well as Advanced Placement (AP) or International Baccalaureate (IB) training, will be paid a stipend of \$100/per day of training.
8. When invited by the administration, teachers who agree to teach an eSchool course will be compensated \$750 per course, plus \$70 per each student enrolled in the course (enrollment is capped at 100 students per course).
9. For the purposes of this subsection "hourly rate" shall mean annual salary divided by 187 days divided by 8 hours.

E. School Day Defined

The basic salary schedule includes all staff assignments occurring within a school day which shall be defined as an eight (8) hour day on the secondary level and seven (7) hours, forty (40) minutes on the elementary level. Early dismissal of classes shall have no impact on the required attendance hours of Professional Employees except for the vacation periods of Spring Break. Teachers who see students the day before spring break will be released thirty (30) minutes after students. If a teacher workday without students is scheduled the day before spring break, Professional Employees will be released thirty (30) minutes after the students' early dismissal schedule. This includes the schedule of study halls and clubs during the activity period, lunchroom supervision, and supervision of the eighth hours on schedule.

Extra pay for extra assignments is not applicable unless the assignments are regular assignments over and above the normal assignment. The regular schedule may be altered by mutual agreement between a Professional Employee and the building principal, with the concurrence of the appropriate district supervisor, to permit the performance of extra-curricular activities.

F. Change of Status (*TRANSCRIPTS*)

1. Any Professional Employee in the Unified School District 512 who changes from one qualification group to another through additional academic training during the period of service in the Unified School District 512 is entitled thereafter to the advantages provided in the schedule for the advanced qualification group.
2. Salary adjustment for increased training will be made throughout the contract year, but not later than the May pay cycle. The change in status of a Professional Employee on the salary schedule shall be determined on the basis of an official transcript submitted to the Department of Human Resources and will be limited to one time per year or contract period. To receive maximum benefit of the salary

adjustment, the Professional Employee must submit to the Department of Human Resources, by September 15, either an official transcript or written evidence that the transcripts could not be obtained by the deadline. Status change after this point will become effective for the subsequent pay periods if official transcripts are received by the last work day of the prior month, but will not be retroactive. Staff members are encouraged to process their transcripts immediately after completion of the coursework or degree. Upon receipt of the official transcript, a change of contract will be prepared by the Department of Human Resources.

3. Credit for advanced placement on the salary schedule shall be granted to Professional Employees who have earned additional hours or advanced degrees (Master's or Doctorate) in their major or minor teaching field, or educational career plan, from an accredited college or university.
4. A Professional Employee will only be granted credit for one column movement per year. An exception to this provision will exist if the Professional Employee has earned an advanced degree (Master's or Doctorate). If a Professional Employee has earned an advanced degree that would result in the employee moving multiple columns, then the employee will be allowed to proceed to the column that corresponds to that advanced degree placement.
5. In no event will a Professional Employee receive credit on the schedule for hours taken concurrent with the hours (or other requirements, except orals) necessary to qualify for a degree. (The current column position of a Professional Employee will not be altered, notwithstanding the fact that such an employee may have attained that position by the use of credits no longer recognized; and professional growth credits earned prior to July 1, 1979, will be honored in accordance with the applicable provisions of the 1978-79 Agreement. No further advancement on a column will be hereafter granted on the basis of professional growth units unless such units were earned prior to July 1, 1979.).
6. The term "credit hours" shall be interpreted as semester credit hours for the purpose of movement on the salary schedule.

G. Termination Payment

1. In the event that service of any Professional Employee is terminated by reasons of death, resignation, or other cause; or if there are any irregularities of service during the contract period, the amount of salary due in full shall be based on actual days of service performed as compared to the total number of days required to be performed under contract.
2. Professional Employees who retire due to age or who resign, shall be paid in full at the time of retirement or resignation. The estate of Professional Employees who die during their term of service shall be paid in full for the services of that Professional Employee up to the time of death.

H. Payment of Salaries

1. Full-time, regular contract, certified employees shall be paid for services rendered on a twelve-month basis, payable the 20th day of the month. When the 20th day of the month is on a Saturday, Sunday, or holiday, the checks will be deposited the last business day preceding the 20th day of the month. This salary shall be based on the school year including teaching days and non-teaching professional days.
2. Exceptions shall not apply if the receipt of a salary payment would constitute payment in advance for services yet to be performed.
3. If a Professional Employee goes on leave of absence, retires, resigns, or is terminated for any cause before serving the full school year, the Professional Employee's salary shall be adjusted and paid on the basis of the relationship between the number of contract days worked and the total number of days in the contract year.
4. An exception to the regular receipt of salaries shall be that a Professional Employee may elect to receive any remaining installments due at that time the Professional Employee receives the tenth monthly installment as provided by K.S.A. 74-4940.
5. Newly hired Professional Employees may, at the beginning of their first year of employment, elect to receive \$3,600 of their yearly salary on August 20th. The remainder of their salary will be paid in 12 equal installments.

I. College Tuition Reimbursement

1. In the event that the district requests that a teacher become qualified to teach specified courses, the district will pay up to 18 credit hours expenses for tuition to the college or university in which a Professional Employee enrolls and successfully completes the requisite coursework. Any and all education tuition expenses initially shall be paid by the Professional Employee, and upon submission of written proof of payment of educational expenses, and completion of a semester of graduate study by the Professional Employee, the district shall directly reimburse the Professional Employee, up to the limit established herein. Total payments by the district shall not exceed the amount for tuition for an equivalent number of hours at a Kansas Board of Regents Institution.
2. In consideration of the district paying education expenses on behalf of a Professional Employee, the Professional Employee agrees to be employed by the district for a period of three (3) full school years from and after the date of becoming qualified. A full school year shall begin with a Fall semester and end with a Spring semester, regardless of the time the Professional Employee actually becomes qualified.

Should the Professional Employee terminate their employment with the district at a time prior to the three (3) year commitment set forth in this section, or if the Professional Employee does not fulfill the requirements set forth, the Professional Employee agrees to reimburse the district the actual amount paid by the district pursuant to this agreement, up to the total amount of tuition reimbursement received

due on or before the Professional Employee's last day of employment with the district, or prior to the end of the Professional Employee's current contract. If the Professional Employee is terminated or nonrenewed by the district prior to the fulfillment of their commitment, then no reimbursement of educational expenses shall be required.

3. This provision is not and should not be construed as a commitment by the district to continue the employment of the Professional Employee for any specific period of time. All rights and obligations of the parties as to continuing contracts of employment shall be governed by any existing contract of employment. No statutory rights of either party are limited by this provision.

ARTICLE XII

1. Professional Employees at the secondary level will be required to maintain an eight (8) hours per day work schedule. Professional Employees at the elementary level will be required to maintain a seven (7) hour, forty (40) minutes per day work schedule. The Superintendent shall annually establish the beginning and ending class schedules in each school in the district. The Superintendent will likewise establish periods of time for each school before and after the class schedule during which Professional Employees must be on duty. During such times, principals may require Professional Employees to place themselves in designated areas for the purpose of supervising the coming and going of students. If not specifically assigned to an area for such purpose, these times may be used for preparing for the contract day at the Professional Employee's discretion. The Superintendent or designee may assign a different schedule as required by the educational programs of the District. Additionally, the schedule may be mutually modified by Article XI, Section E.
2. The Superintendent is authorized to approve applications for early dismissal for approved graduate study. This early dismissal time shall be limited to thirty (30) minutes after the class schedule. In the event early dismissal is granted, the time shall be made up as agreed between the Professional Employee and the principal. If the Professional Employee does not make up the time as agreed, then the Professional Employee's salary shall be prorated. During a semester, the Professional Employee shall not enroll for more than six (6) semester hours of credit that require early dismissal.

B. The Professional Day – Lunch and Plan Time

1. Duty Free Lunch – Student Days

All Professional Employees shall have an uninterrupted lunch period free of assigned responsibility for a period of at least twenty-five (25) minutes duration.

The principal shall arrange scheduling so that the Professional Employee is free the required time.

2. Plan Time – Student Days

Professional Employees assigned full-time to a secondary school (7-12) will have at least one (1) period each day for the purpose of planning, preparation and evaluation of instructional activities.

On a normal five (5) day week, Professional Employees assigned full-time to an elementary school (Pre-K-6) will have at least two-hundred fifty (250) minutes per week within the regular student contact hours, excluding recess, for the purpose of planning, preparation, evaluation of instructional activities, and Professional Learning Communities (PLCs). In order to allow time for elementary PLCs to meet and so long as PLCs are utilized by the District, full-time Pre-K-6 Professional Employees who are grade level teachers will engage in PLCs for fifty (50) minutes weekly during student contact hours. They may utilize time when Tuesday staff meetings are not scheduled for planning. Professional Employees at the elementary level may select which day of the week to regularly PLC on. Professional Employees in the PLC, in collaboration with the building administrator, may agree to schedule a PLC meeting on a different day(s) of the week in response to student need. PLC agendas should be collaboratively developed, agenda-driven, and focused on student learning. As a District-wide pilot program for the 2026-2027 school year, to be counted as part of planning time, a minimum of 25 continuous minutes must be scheduled.

- On a week with four (4) contract days scheduled, Professional Employees assigned full-time to an elementary school (Pre-K-6) will have at least one-hundred seventy-five (175) minutes of plan and twenty-five (25) minutes of PLC, but Professional Employees may elect to PLC for the full fifty (50) minutes.
- On a week with three (3) contract days or less scheduled, PLCs may occur within the remaining days at the Professional Employees' discretion.
- On weeks when school is cancelled due to inclement weather or other extenuating circumstances, PLCs may occur at the Professional Employees' discretion.
- Specialists and licensed/certified support staff will PLC with others in the same field. Flexibility should be given to find a common time to PLC.

Plan time for school nurses should be designated before and after school in lieu of supervisory duties before and after the school day.

Professional Employees in a non-classroom position should schedule time in their day to prepare for professional responsibilities. Non-classroom Professional Employees' assignments, caseloads, and schedules will be designed to allow adequate plan time each week. The amount of plan time should be commensurate with plan time provided to educators in a general education classroom position.

Recognizing that unexpected situations are more likely to occur in non-classroom roles, plan time must be more fluid, but there is an expectation of scheduled plan time. If scheduling challenges arise, the non-classroom Professional Employee and building administrator should collaborate to seek an acceptable solution with input from district personnel and NEA SM representation if requested.

a. Coverage During Plan Time

If a Professional Employee is assigned to cover another Professional Employee's classroom, and the assignment results in a loss of that individual's contractual right to plan time, as provided above, such coverage will be compensated at 100% of the hourly rate of BS Step 1.

3. Duty Free Lunch and Plan Time - Conference Days

In developing their schedule for conference days, Professional Employees may schedule during their contract day a lunch period of twenty-five (25) minutes duration and plan time up to a total of fifty (50) minutes duration.

4. Duty Free Lunch and Plan Time - Professional Learning Days

On professional learning days, a total of 75 minutes will be scheduled during the contract day for lunch and plan time. This time may be scheduled in a single block of time (lunch and plan together) or two blocks of time (lunch and plan separate), and the lunch period must be at least twenty-five (25) minutes duration.

5. Block Schedules at High Schools

When high schools utilize a block schedule, there will be a minimum of one (1) period every other day for planning, preparation and evaluation of instructional activities (or any other schedule which meets the current planning time and duty-free lunch standards).

C. Professional Employee Work Responsibilities and Assignments

1. Each Professional Employee shall have the professional responsibility to:

- a. Spend the time necessary for complete and adequate preparation for carrying out individual responsibilities to their students and necessary administrative work related to the Professional Employee's assignment;
- b. Participate in individual conferences between Professional Employee and administrator and attend staff conferences; and
- c. Participate in student and parent conferences; such conferences should be scheduled so as not to interfere with the ongoing instructional program.

2. Secondary General Education Teachers

All full-time secondary general education teachers will be scheduled for no more than six (6) teaching periods. Additional teaching periods may be assigned with the Professional Employee's consent. The Superintendent or their designee may, in their discretion, reduce the number of teaching periods assigned to secondary general education teachers or to any grouping of secondary general education teachers. Consistent with recommendations approved by the Board of Education through the ongoing strategic planning process, the District affirms its commitment to phasing in the adjustment of secondary teaching periods beginning with the 2021-22 school year, contingent on the state meeting its funding obligations under the current finance formula, and adequate availability and flexibility of district funds as defined by the Board of Education's budgeting process.

If a secondary general education teacher is assigned to four (4) or more different subject-matter preparations, then that Professional Employee may be assigned to no more than five (5) teaching periods daily without mutual agreement of the Professional Employee and principal.

- a. Compensation for secondary general education teachers when sufficient funds have been allocated to schedule all full-time secondary general education teachers to no more than five (5) teaching periods for the applicable school year.

Full-time secondary general education teachers who, in response to an administrative request, agree to teach six (6) teaching periods during both semesters of a school year will be compensated 10% of the amount listed in the MS+15, step 1 cell on the salary schedule for the current school year. Full-time secondary general education teachers who, in response to an administrative request, agree to teach six (6) teaching periods during one semester of the school year will be compensated half this amount.

Secondary general education teachers who make a request to teach six (6) teaching periods, and who have such request approved by administration, will not receive any additional compensation for teaching a sixth teaching period.

The parties agree that, in planning and developing secondary schedules for a school year, any assignment of a full-time general education secondary teacher to six (6) teaching periods will be applicable to that school year only; neither the District nor the teacher is bound to the same teaching schedule or number of assigned teaching periods for future school years.

3. Licensed Special Education Staff

The parties acknowledge that work assignments for special education staff are primarily defined and measured by the number of special education students assigned to that staff member ("caseload"), and are also measured by the intensity

of the needs of the students assigned to a particular staff member. Subject matter preparations and teaching periods for special education teachers will be established by the principal, after consultation with teachers and consideration of student and teacher needs.

Special education staff involved in writing and implementing evaluations and individual education programs in compliance with the IDEA will be granted four (4) days per academic year in which to work and/or collaborate on tasks associated with required paperwork and documentation (“Professional Paperwork Days”), contingent on the adequate availability and flexibility of district funds as defined by the Board of Education’s budgeting process. When applicable, a substitute teacher will be provided for the Professional Employee on these days. The following requirements apply to Professional Paperwork Days:

- Professional Paperwork Days must be taken in full-day increments.
- The Professional Employee must work with their building principal to request a Professional Paperwork Day and to determine a mutually agreeable date to schedule the Professional Paperwork Day.
- Professional Paperwork Days must be spent working on special education-related paperwork only (i.e. progress reports, IEP development, student testing, etc.). If the administration determines that the Professional Employee did not use a Professional Paperwork Day for these intended purposes, then the Professional Paperwork Day will be converted to a personal day.
- The District reserves the right to assign and schedule the Professional Paperwork Days allotted to a Professional Employee as needed to ensure the timely and accurate completion of required documentation.
- Professional Paperwork Days must occur at the Professional Employee’s home building or at the district’s central office, and Professional Employees must comply with processes established by the Special Education Department for requesting and notifying the location of each Professional Paperwork Day.

4. Split Assignments for Elementary Professional Employees

Full-time elementary Professional Employees assigned to more than one building shall be assigned no more sections or classes than full-time Professional Employees in the same department, at the same building, whose assignments are not split.

5. Elementary Specials Teachers

Elementary teachers of Art, Library, Physical Education, and Music (excluding band and strings) curriculum shall not be required to teach more than the equivalent of six (6) class periods per day and shall not be required to teach classes which consist of students from more than one home room.

Itinerant staff will only be asked to serve a supervision duty at their base school, unless all other options have been exhausted.

6. Examination for Contagious Conditions

No Professional Employee, except nurses, shall be required to examine students for contagious conditions.

7. Cafeteria Supervision

A Professional Employee's regular assignment shall include cafeteria supervision only with the Professional Employee's consent.

D. The Professional Year

1. The work year of Professional Employees shall be determined by the terms and conditions of Professional Employee's individual contracts based upon the official school calendar. Current Professional Employees, exclusive of those in supplemental or extended time contracts, shall be employed by the Board for a contract of 187 days. Professional Employees new to the District, exclusive of those in supplemental or extended time contracts, shall be employed for 190 days. These days shall commence on the date the Professional Employee is required to report for initial duties. The calendar shall be set by the Board of Education, with such input as the Board deems necessary from the administration, teachers, and patrons.

It is the intent of the parties that the calendar will be set one year in advance.

All days designated as teacher workdays without students are to be used at the discretion of the Professional Employee for activities related to instructional purposes. Teacher workdays without students will be self-directed. Flexibility with respect to locations for working will be supported.

2. Professional Employees shall be paid additional compensation on the basis of contract extension in the form of an initial contract or by addendum. Such payment shall be on the basis of the Professional Employee's daily rate of base pay multiplied by the number of additional days worked. (Counselors will receive contract addendums for eighteen (18) additional days.)
3. Prior to presenting a draft calendar for an upcoming school year to the Board of Education for its initial approval or for approval of any significant calendar change, an appropriate District administrator will meet with appropriate Association leadership and get input and feedback on the draft calendar and ensure the calendar complies with the below outlined dates.

The calendar shall contain 194 days: Three (3) days shall be designated as orientation days for Professional Employees newly employed by the District; 191 days to be designated as either professional development, teacher work day or student contact days. The days to be allocated to either professional development, teacher work day or student contact days will be designated annually by the Board of Education when the calendar is developed. Four (4) of the 191 days are

specifically scheduled to compensate for those school days when schools of the District may be closed due to hazardous driving conditions. In the event no such closing is necessary, or if it becomes necessary to close schools for one day, the extra day(s) will be canceled prior to the expiration of the school year.

The calendar shall include the following holidays/breaks with minimum lengths as designated:

- Labor Day (1 day)
- Thanksgiving break (3 days)
- Winter Break (minimum of 8 week days, including the dates from December 23 through January 1)
- Martin Luther King Day (1 day)
- Presidents' Day (1 day unless needed to make up an inclement weather day in order to end the school year before Memorial Day)
- Spring Break (5 days)
- Memorial Day (1 day)

Conferences and school improvement days will be identified on an annual basis. However the calendar will include:

- The first four days of the contract year for returning teachers will be for in-service and classroom work. The equivalent of one of these days will be reserved for individual teacher preparation.
 - The first student day is early dismissal for grades 1-6.
 - Kindergarten Orientation will be held the first two student days.
 - The end of the first quarter will be a teacher work day.
 - There will be a full day for Pre-K-12 parent-teacher conferences in the Fall.
 - The last day before winter break will be a full contract day with early dismissal for students and the remainder is a teacher work day.
 - The first day of semester two will be a teacher work day.
 - The end of the third quarter will be a teacher work day.
 - Last Student Day — Early Dismissal and the remainder is a teacher work day.
 - The Last Contract Day — no students.
4. Preparation of orientation and/or inservice shall be voluntary except where such is a part of contractual duties.
 5. Professional Employees who are asked to prepare programs for orientation shall be informed of the amount of time expected of them for preparation before their acceptance of the assignments.
 6. Professional Employees on supplemental pay assignments shall not be required to perform duties on any holiday or break period recognized in the contract during Labor Day, Thanksgiving Vacation, Winter Vacation, Spring Vacation, or the vacation that includes Memorial Day unless the notice of duty clearly stated such a requirement when it was assigned. However, in the event a previously assigned

activity must be rescheduled on one of the aforementioned vacation days, the Professional Employee will be required to perform the assignment..

7. Teacher Facilitated Professional Learning Time and District/Building Professional Learning Time will be planned and facilitated based upon the identified needs of teachers. Flexibility with respect to locations for professional learning will be supported. This may include collaborating from home, businesses, libraries and site visits to other schools or community business partners.

E. Staff Professional Learning Meetings

It is desirable that frequent staff and departmental professional learning meetings be held so that Professional Employees may engage in professional learning designed to carry forward the instructional program authorized by the Board of Education. In order to promote satisfactory results, the following procedures should be observed:

1. All meetings during school hours shall be scheduled with the school principal.
2. Meetings in school buildings before and after school hours and after 6:00 p.m. must be scheduled through the Office of Facilities Use.
3. Except for emergencies, school staff professional learning meetings will be scheduled on Tuesdays. Staff professional learning meetings scheduled either before or after the normal contract day will normally last no longer than forty-five (45) minutes. Staff professional learning meetings may be, but are not required to be, held two (2) times per month, plus three (3) additional meetings per year, scheduled by the building administrator. The building administrator will provide the annual schedule for the twice per month professional learning meetings during pre-service and will provide at least thirty (30) days advance notice for the three (3) additional meetings. Emergency meetings may be called by the administrator whenever needed. Emergency is defined as an unforeseen set of circumstances that require immediate action. Part-time Professional Employees shall not be required to attend staff professional learning meetings when their contract hours do not correspond to staff professional learning meeting times.

F. Night Meetings

Full time Professional Employees in one or more buildings may be required to attend up to five (5) night meetings throughout the school year, one of which is exclusively reserved for night conferences. Night duties shall be no longer than three (3) hours in length with the exception of graduation. Full-time Professional Employees who serve more than one building may agree to attend a sixth night meeting, in which case such employee shall be compensated for attendance at the middle (non-instructional) hourly rate designated in Article XI.D.4. Professional Employees who are part time will only be required to attend the same number of pro rata activities as their percent of contract, provided; however, that all part-time employees may be required to attend as many as three (3) night meetings.

Night meetings may include, but are not limited to: Back-to-School night, Open House, PTA meetings, graduation, parent conferences and other activities that the principal determines necessary. Attendance at night meetings can only be required after a contract day Monday - Thursday. However, no Professional Employee will be required to perform, as a night meeting, any activity that is required to be the subject of a supplemental contract pursuant to applicable statutes.

G. Tutoring and Private Instruction

Compensation other than the salary paid by the School District shall not be accepted for instruction given in any school building during the school day. Compensation for private instruction given at the school at other hours must be approved by the Superintendent. This policy does not apply to instruction given in the home of a pupil or a Professional Employee after school hours. (Professional Employees should not accept payment for tutoring their own pupils.)

H. Academic Freedom

1. Academic freedom is the right of the Professional Employee and the learner to explore, present and discuss divergent points of view in the quest for knowledge and truth. Since only those who are free to learn can learn to be free and because the freedom to learn is dependent upon the freedom to teach, academic freedom shall be guaranteed to Professional Employees. A classroom atmosphere shall be encouraged which permits students and Professional Employees to study questions dealing with critical issues, included within the scope and sequence of the subject matter, the grade placement, maturity and level of comprehension of the students involved. Such questions and issues shall be consistent with the defined and outlined curricular programs approved by the Board of Education.
2. Professional Employees shall select materials for classroom use which they deem to be appropriate to the grade level, content, and objectives of the subject matter taught, provided that such materials and methods of selection are in accordance with such policies, curricular programs, and curricular guidelines as are or may be established by the Board of Education.
3. Professional Employees shall have the responsibility to teach the concepts, heritage, and traditions of a free and democratic society. They shall strive to instill in students the values of the local community as expressed in the objectives, philosophy, and curricular programs of the District as approved by the Board of Education.

I. Job Sharing

Professional Employees who wish to share a full-time position will submit a proposal as per the guidelines established by NEA SM and the district. Neither the determination of whether a job share request is granted nor its implementation shall be subject to the grievance procedure, but are subject to the complaint process as outlined in board policy.
