

Teach, Learn, Every Day, No Excuses

Welcome Back!

I hope you had an opportunity to relax, recharge, and enjoy time with family and friends over the summer. As we begin a new school year, I want to thank you for your continued dedication to our students and our district. We are excited to welcome everyone back and look forward to another successful year together.

Before the end of last school year, Human Resources, in collaboration with OTA and CSEA, met with a representative from CalPERS Health to learn more about the health benefit options available to our employees. We recognize that the end of the school year was an especially busy time, and many of you may not have had the opportunity to review the information that was shared.

As we begin the new year, we would like to provide you with another opportunity to review the CalPERS Health materials. Included with this message are the informational resources that were shared, along with a brief questionnaire and a place for you to submit any questions you may have regarding their services.

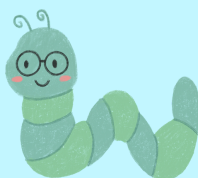

Your feedback is an important part of our evaluation process. We hope this additional time allows you to carefully review the information, explore the CalPERS Health website, and share your thoughts and questions as we continue researching our healthcare options.

Please review the attached materials at your convenience and complete the survey by clicking the link below.

Thank you for taking the time to provide your feedback. We appreciate all that you do for our students, colleagues, and community, and we wish you a wonderful and successful school year!
