WINTER SPORTS PROGRAM

Go Chiefs

Senior Class '26

A message from the Bellefontaine High School Activities Director

Not being born in Bellefontaine but joining Chieftain Nation as a teacher and coach was a different world to start but it didn't take long for me to dive in and become a full fledged Chieftain! Faith and family are important to me and both have shaped who I am today. I married my high school sweetheart(Stacy-'93 BHS grad) who is responsible for pulling me this way, and I am SO glad she did.

We proudly sent our two children through the BCS system(Kayla-2013 grad/Maverick-2020 grad) and they had a great experience through sports and their classroom involvement. Those are my people and along with God are my biggest cheerleaders. BHS is proud to present another season of opportunities for participation for our student athletes

Bellefontaine has a great tradition of athletic and performing arts distinction and community support for our teams. We are also very fortunate to have an incredible Athletic Booster Club that works hard to provide additional resources for our athletic programs. Please find time to help our boosters in any way you can including volunteering to run concession stands etc.

It is a privilege to host this athletic contest between these two friendly competitors. Each of the participating schools is a member of the Ohio High School Athletic Association and abides by the rules and regulations set forth by the organization to maintain high standards of conduct for competition and relations with other member schools. As a spectator, you are expected to display good sportsmanship toward the athletes, coaches, officials, and fans of the opposing school. It is important to support your team in a positive manner while demonstrating respect for others.

Enjoy the performance of the players, cheerleaders, and band members and show your appreciation for the hard work that these students have done in preparation for tonight's contest. Our school district recognizes the importance of strong academic and extracurricular programs for developing young adults. Students who are involved in BHS activities continue to develop strong self-confidence and learn important lifelong skills of teamwork, discipline, sportsmanship, and character.

Our school is a more spirited community because of the student involvement in athletics, music and other activities. Thank you for all the support you give to the BCS programs throughout the year by way of financial support via donations or moral support by cheering on the Chiefs at all of our events.

In this tumultuous time in the world, it's always nice to see our community put differences aside and come together for a common goal of cheering on the CHIEFS!

GO CHIEFS!

The Ohio High School Athletic Association

Serving member schools, coaches, student-athletes and contest officials since 1907

OHSAA Mission

To serve our member schools and enrich interscholastic opportunities for students.

Respect THE GAME

**Act with Dignity
Speak with Courtesy
Play with Pride**

Preparing students not for the next level of sports, but for the next level of life.

National
Federation
of State High
School
Associations

The OHSAA Believes That:

- Participation in interscholastic athletics programs is a privilege, not a right.
- Participation in interscholastic athletics programs complements a student's school experience and teaches lifelong lessons of hard work, teamwork and self-discipline.
- Participation in interscholastic athletics programs promotes citizenship and sporting behavior, instills a sense of community and promotes a lifetime appreciation for sports and healthy lifestyles.
- All students, regardless of ethnicity, race or gender, should have an equal opportunity to participate in interscholastic athletics programs.
- Sporting and ethical behavior are expectations in interscholastic athletics by all participants, coaches, administrators, officials and spectators.
- Coaches, administrators and contest officials should serve as positive role models who are critical to a student's development and success.
- In order to minimize health and safety risks and maintain ethical standards, it is mandatory that interscholastic athletics participants are free from use of anabolic steroids or other performance-enhancing drugs.
- All rules, regulations and facilities for and supervision of interscholastic athletics programs should ensure maximum protection of the health, safety and well-being of each participant.
- Limitations should be placed upon the length of sport seasons and the number of interscholastic contests played by participants.
- Students should engage in a well-rounded experience that encourages participation in a multitude of extracurricular activities.

- All attempts should be made to accommodate students with disabilities in interscholastic athletics programs.
- Compliance with all school, OHSAA and state regulations along with contest playing rules is essential for everyone involved in interscholastic athletics programs.
- Student academic achievement and success take priority over athletics achievement and success.
- The success of a team is more important than individual awards.
- Interscholastic athletics programs exist to prepare students for the next level of life, not the next level of sports.
- Participation in interscholastic athletics programs can be a once-in-a-lifetime opportunity and create memories that will last forever.

Fan Fair Play Code

- I will remember that young people play sports for THEIR enjoyment.
- I will have realistic expectations and will understand that doing one's best is just as important as winning. I understand that ridiculing an athlete for making a mistake is not acceptable behavior.
- I will respect the official's decisions and will encourage others do the same.
- I will respect and show appreciation for the coaches and understand that they have given their time to provide sport activities for our young people.
- I will encourage athletes and coaches to play by the rules and to resolve conflicts without resorting to hostility or violence.

• I will show respect for my team's opponents because I realize there would be no game without them.

• I will not use bad language and will not harass athletes, coaches, officials or other spectators.

• I will always show good sportsmanship. Young people learn by example.

Hello:

My name is Justin Dinovo and I am President of the 2025-2026 BHS Athletic Boosters. I **am really excited about what we can do for all our athletes through the Boosters!** The ways we support our students can take many forms. Some ways of support are being "there" for our athletes by attending the functions and games, being active participants in fundraisers (whether you are someone helping with the fund raiser or being a sponsor or consumer of that fund raiser), and becoming members of the Boosters [Chieftain Club].

The funds raised through Chieftain Club membership fees are used for educational scholarships and improvements for the teams such as purchasing new equipment, updating the facilities, etc. Last year the Boosters operated concession stands, published the fall and winter sports programs, organized and operated a March Madness bracket and virtual reverse raffle fundraisers. **These fundraising activities positioned the Boosters to give \$4,500 towards purchasing new hurdles for track, \$1,000 towards the homecoming fireworks show, award two college scholarships for \$1,000 each, provide funds for meals to athletes and coaches qualifying for regional and state events, and give \$3,500 towards student passes. In addition, the Boosters were able to donate \$32,600 to the athletic department for equipment and other needs.** (These highlighted amounts will need updated to reflect last year's earnings) Last years' Chieftain Club had a total of 80 members, but we would love to see this number grow. I would like to personally thank each of the 2024-2025 members for their support and ask that you consider renewing your membership for the 2025-2026 school year. (Update fundraisers along with amounts and items that were donated to from last years' earnings once known).

We are continuing with multiple membership options for the Chieftain Club, which we have done since 2015. Each member will be listed in the program by their sponsor level. The first will be the **Bronze** level for a **\$50** donation. In addition to having your name in the program, you will also receive a Chieftain Club window cling. The **Silver** level (**\$100** donation) will receive the same as the Bronze plus a yard sign. The **Gold** level (**\$250** donation) will receive the same as the Silver plus embroidered Chieftain Club apparel. **Please join this year and consider becoming a Gold or Silver level member.**

Please join me in supporting our athletes. If you would like to renew your membership or join the Chieftain Club for the 2025-2026 school year, please fill out the enclosed form and send it with your check or use the QR code on the enclosed form to complete online and pay by credit card. If you would like to give your time, let me know and we will find a place for you to serve. Most of all, come to some events and cheer on our athletes.

Thank you for your support and **Go Chiefs!**

Alma Mater

Bellefontaine Alma Mater,
we stand to honor thee.

We lift our voice together,
our pride for all to see.

We join our hearts in tribute,
our loyalty abounds...

the city of the fountains,
on sacred indian grounds.

The ivy twine doth bind us,
our hands we firmly clasp.

The hills send back the echo
of voices from the past.

All hail to our Bellefontaine
our thoughts turn back to thee.

Though life may cause our parting,
and pals must say good-bye,

we hold in us the memory
gleaned from Bellefontaine High.

Your Role In Interscholastic Athletics

PARENTS

Communicating With Your Children

- Make sure your children know that win or lose, scared or heroic, you love them, appreciate their efforts and are not disappointed in them. This will allow them to do their best without fear of failure. Be the person in their life they can look to for constant positive reinforcement.
- Try your best to be completely honest about your child's athletic ability, competitive attitude, sportsmanship and actual skill level.
- Be helpful but don't coach them. It's tough not to, but it is a lot tougher for the child to be flooded with advice and critical instruction.
- Teach them to enjoy the thrill of competition, to be "out there trying," to be working to improve their skills and attitudes. Help them develop the feeling for competing, for trying hard, for having fun.
- Try not to relive your athletic life through your child in a way that creates pressure. You were frightened, backed off at times and were not always heroic. Athletic children need their parents, so do not withdraw. There is a thinking, feeling, sensitive, free spirit in that uniform who needs a lot of understanding, especially when their world turns bad. If they are comfortable with you win or lose, then they are on their way to maximum enjoyment.
- Don't compete with the coach. If children receive mixed messages from different authority figures, they may become disenchanted.
- Don't compare the skill, courage or attitude of your child with other members of the team.
- Get to know the coach. Then you can be assured that the philosophy, attitudes, ethics and knowledge are such that you are happy to have your child under the coach's leadership.
- Remember that children tend to exaggerate, both when praised and criticized. Temper your reaction and investigate before overreacting.
- Make a point of understanding courage and the fact that it is relative. Some of us climb mountains and are afraid to fly. Some of us will fly but turn to jelly if a bee approaches. Everyone is frightened in certain areas. Explain that courage is not the absence of fear, but a means of doing something in spite of fear and discomfort.

Communicating With The Coach

Communication You Should Expect From Your Child's Coach:

- Philosophy of the coach
- Expectations for your child as well as all players on the squad
- Locations and times of all practices and contests
- Team requirements (fees, equipment, off-season conditioning)
- Procedures for injuries
- Discipline that results in your child's denial to participate

Communication Coaches Expect From Parents:

- Concerns expressed directly to the coach
- Notification of any schedule conflicts well in advance
- Specific concerns in regard to a coach's philosophy and/or expectations

Appropriate Concerns To Discuss With Coaches:

- The treatment of your child, mentally and physically
- Ways to help your child improve
- Concerns about your child's behavior

Issues Not Appropriate To Discuss With Coaches:

- Team strategy
- Play calling
- Other student-athletes

Appropriate Procedure For Discussing Concerns With Coaches:

- Call to set up an appointment with the coach (contact the athletic administrator to set up the meeting if unable to reach the coach)
- Do not confront a coach before or after a contest or practice (these can be emotional times for all parties involved and do not promote resolution)

What If The Meeting With The Coach Did Not Provide A Satisfactory Resolution:

- Call to set up an appointment with the athletic administrator or activities director
- Determine the appropriate next step at this meeting

Fans Fair Play Code

- I will remember that young people play sports for THEIR enjoyment, not to entertain me.
- I will not have unrealistic expectations and will understand that doing one's best is as important as winning. I understand that ridiculing an athlete for making a mistake is not acceptable behavior.
- I will respect the official's decisions and will encourage all participants to do the same.
- I will respect and show appreciation for the coaches and understand that they have given their time to provide sport activities for our young people.
- I will encourage athletes and coaches to play by the rules and to resolve conflicts without resorting to hostility or violence.
- I will show respect for my team's opponents because I realize there would be no game without them.

Respect
THE
GAME
