

Churchville-Chili Central School District

Where learning leads to a lifetime of opportunities

Dear Parent(s)/Guardian(s):

Mixed competition is a term that the New York State Department of Education uses to define student participation in a sport of predominantly a different gender. This communication is being sent to you based upon your request to seek approval for your child to proceed through this process.

To initiate the process, please complete the mixed competition request form and return it to the athletic office prior to the dates listed below:

Fall Sports by July 15

Winter Sports by October 1

Spring Sports by February 1

All other procedures and paperwork will be completed by our office and school medical staff. Upon completion of all items, a review panel (consisting of our school physician, a physical education teacher and a physician of your choice) may be required to review all available information. In these situations, the review panel will decide on whether your child is approved to try out for the team. If your child is approved for a tryout, a decision on making the team will be a coaching decision based on performance during the tryouts.

Please feel free to call me if you have any questions. I can be reached at (585) 293-1800, extension 3110.

Sincerely,

Michael Murray

Director of Health, PE & Athletics
