Updates

- Theme for next year - Portrait of a Graduate.
- Enrollment numbers are going down each year.
- LSPI Goals Update will include one with family engagement next year.
- Discipline Information - incidents do increase towards end of year. Fourth and fifth grade have the highest incidents. We will dive into this next year to determine possible causes for boys having much higher incidents than girls.
- Attendance is going in a positive direction: Regular attendance has gone up. Chronic attendance has gone down.
- Gifted Program highlights - At beginning of the year we had 71 students. We now have 113 students allowing us to reach our goal of 10%.
- Multilingual Learners - Targeted supports and use of multi-sensory supports in all academic classes. Celebration at we end the year: 58 students have exited from the program!
- Imagine Learning will continue next year for all ML students.
