Definitions:

Coordinated Family and Community Engagement (CFCE) Services: locally based programs serving families with children born through school age (e.g. caregiver/child playgroups, caregiver-child activities).

Parent Child Home Program (PCHP)*:* home visiting model program funded through the Department of Early Education and Care.

Licensed Family Childcare: refers to EEC licensed child care in a group setting in a home. It may include care in the home of a family member, if the provider is both a relative and an EEC licensed child care provider providing care to children from multiple families.
Center-Based Care*:* refers to care for children in a group setting, including public and private preschools, Head Start, day care centers, and integrated public preschools.
