

Sun Life Dental (U.S.) mobile app

Sun Life Dental (U.S.) is an easy and convenient way to access your Sun Life dental benefits. Everything you need to manage your dental benefits can be found right on your phone and we even offer biometrics or social login so it is fast. It's just one more way we make health and benefits easier.

**4.5+ star ratings
on App Store and
Google Play!**

Download your ID card.

No need to keep track of a printed version of your card. You can view and share an electronic ID card right from your phone, send it to your dentist's office via text or email and save it to your phone's digital wallet.

Understand what your plan covers

This overview of what is covered by your plan includes coinsurance amounts and frequencies. It will help you be more prepared for your next dental appointment.

Find a dentist near you.

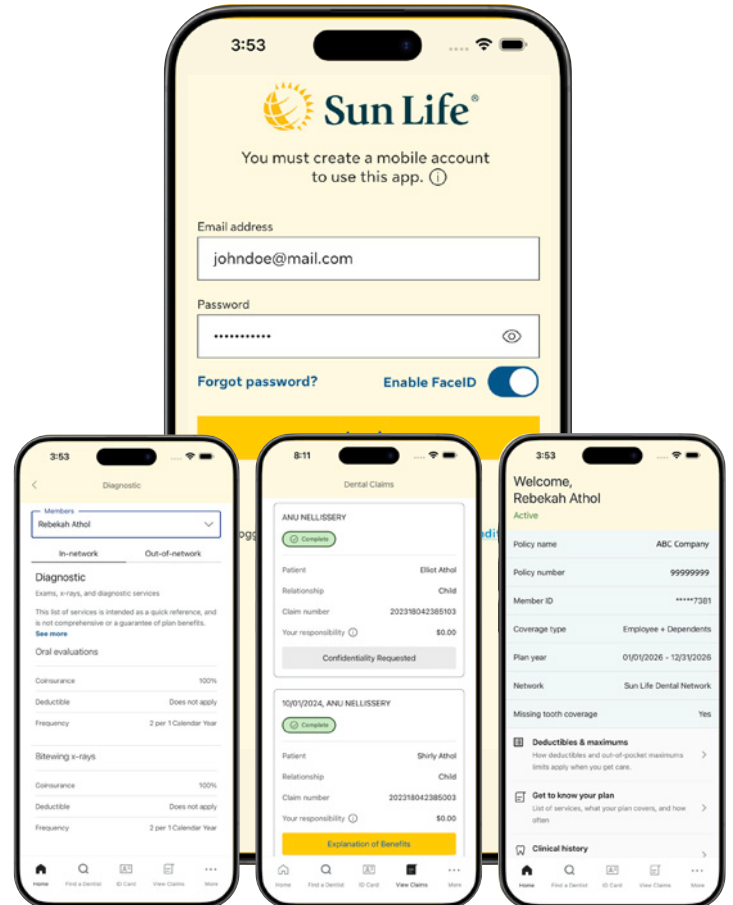

Locate an in-network provider near you with the click of a button. You can search by location, name, gender or more.

Get your claims status.

Quickly check the status of your claims to see how they have been paid. You can even view, save, or send your Explanation of Benefits.

View your plan overview.

Learn more about plan benefits with easy access to your deductible and maximum.

Available for iOS and Android devices.
