A message from the Bellefontaine High School Athletic Director

Welcome to Bellefontaine High School, “Home of the Chieftains”.

As a 1992 graduate of this great school, it is an honor for me to now get the opportunity to lead this Athletic Department, and all of its rich history, into the future. I want to start by thanking my wife (Aidan) and daughters (Anya, Arianna and Madilyn) for allowing me the opportunity to spend so much time doing what I love. Without their help and support, this would not be possible.

BHS is proud to present another season of opportunities for participation for our student athletes in 11 male and 11 female sports. Bellefontaine has a great tradition of athletic excellence and community support for our teams. We are also very fortunate to have an excellent Athletic Booster Club that works hard to provide additional resources for our athletic programs. Please find time to help our boosters in any way you can (attending meetings, working concession stands, volunteering in fund raising, etc.).

It is a privilege to host this athletic contest between these two friendly rivals. Each of the participating schools is a member of the Ohio High School Athletic Association and abides by the rules and regulations set forth by the organization to maintain high standards of conduct for competition and relations with other member schools.

As a spectator, you are expected to display good sportsmanship toward the athletes, coaches, officials, and fans of the opposing school. It is important to support your team in a positive manner while demonstrating respect for others. Enjoy the performance of the players, cheerleaders, and marching band members and show your appreciation for the hard work that these students have done in preparation for tonight’s contest.

Our school district recognizes the importance of strong academic and extracurricular programs for our students. Students who are involved in athletics or other activities develop strong self-confidence and learn important lifelong skills of teamwork, discipline, sportsmanship, and character. Our school is a more spirited community because of the student involvement in athletics, music and other activities.

Thank you for coming out and supporting our student-athletes and coaches. I hope we offer you a spirited environment to watch talented young men and women compete. And like my Dad always says, “LET’S GO CHIEFS....LET’S GO CHIEFS!!!!!!”

The Ohio High School Athletic Association

Serving member schools, coaches, student-athletes and contest officials since 1907

OHSAA Mission

To serve our member schools and enrich interscholastic opportunities for students.

Respect THE GAME

**Act with Dignity
Speak with Courtesy
Play with Pride**

Preparing students not for the next level of sports, but for the next level of life.

National
Federation
of State High
School
Associations

The OHSAA Believes That:

- Participation in interscholastic athletics programs is a privilege, not a right.
- Participation in interscholastic athletics programs complements a student's school experience and teaches lifelong lessons of hard work, teamwork and self-discipline.
- Participation in interscholastic athletics programs promotes citizenship and sporting behavior, instills a sense of community and promotes a lifetime appreciation for sports and healthy lifestyles.
- All students, regardless of ethnicity, race or gender, should have an equal opportunity to participate in interscholastic athletics programs.
- Sporting and ethical behavior are expectations in interscholastic athletics by all participants, coaches, administrators, officials and spectators.
- Coaches, administrators and contest officials should serve as positive role models who are critical to a student's development and success.
- In order to minimize health and safety risks and maintain ethical standards, it is mandatory that interscholastic athletics participants are free from use of anabolic steroids or other performance-enhancing drugs.
- All rules, regulations and facilities for and supervision of interscholastic athletics programs should ensure maximum protection of the health, safety and well-being of each participant.
- Limitations should be placed upon the length of sport seasons and the number of interscholastic contests played by participants.
- Students should engage in a well-rounded experience that encourages participation in a multitude of extracurricular activities.

- All attempts should be made to accommodate students with disabilities in interscholastic athletics programs.
- Compliance with all school, OHSAA and state regulations along with contest playing rules is essential for everyone involved in interscholastic athletics programs.
- Student academic achievement and success take priority over athletics achievement and success.
- The success of a team is more important than individual awards.
- Interscholastic athletics programs exist to prepare students for the next level of life, not the next level of sports.
- Participation in interscholastic athletics programs can be a once-in-a-lifetime opportunity and create memories that will last forever.

Fan Fair Play Code

- I will remember that young people play sports for THEIR enjoyment.
- I will have realistic expectations and will understand that doing one's best is just as important as winning. I understand that ridiculing an athlete for making a mistake is not acceptable behavior.
- I will respect the official's decisions and will encourage others do the same.
- I will respect and show appreciation for the coaches and understand that they have given their time to provide sport activities for our young people.
- I will encourage athletes and coaches to play by the rules and to resolve conflicts without resorting to hostility or violence.
- I will show respect for my team's opponents because I realize there would be no game without them.
- I will not use bad language and will not harass athletes, coaches, officials or other spectators.
- I will always show good sportsmanship. Young people learn by example.

In Memory of

Jesse Williams

One of Bellefontaine High School's top male athletes will be posthumously honored tonight. **Jesse "The Jet" Williams** will be recognized moments before the Chiefs host Sidney. Williams passed away in April 2020. The 1969 grad set many school records at BHS. Jesse holds school records in the 100 yard dash (9.8), 220 yard dash (21.7), 440 yard dash (50.0), and long jump (22' 5"). He graduated as the leading scorer in basketball with 1,183 points.

In football, Williams was the all-time leading rusher with 4,347 yards on 542 carries for a spectacular 8 yards per carry. He was the leading scorer in BHS history with 504 points. Williams played football at Michigan State. In honor of his athletic accomplishments, the most outstanding BHS male athlete will be awarded the Jesse "The Jet" Williams Athlete of the Year each spring.

This year we have to say goodbye to one of the BHS Athletic Booster's faithful volunteer, fan and supporter. **Margie Dunlap** enjoyed pitching in to help for many years whenever and wherever needed for various athletic events for Bellefontaine City Schools.

She also supported that activity as a long-time Member of the Bellefontaine Booster's Chieftain Club up through the 2020-2021 school year even while she could no longer volunteer herself or her time. Her various acts of support to the Athletic Boosters showed her belief in the need for outside funding of organized sports thereby making them available to all students. She was not above giving of her personal time, effort, and contributions to help that come about through the amazing age of 90. Margie is going to be greatly missed personally and in spirit by the Club.

Arthur Eugene Marine

We have to say goodbye to another of the Bellefontaine community's supporters. **Gene Marine** was a life-long community servant to Bellefontaine holding various civic roles. His longtime membership in the Jaycees as well as his volunteering for Little League Baseball and American Legion Baseball coach showed a desire to promote the young people of the community through team work in athletics, as well as learning leadership skills by serving the community in various ways. He also taught Sunday school classes providing spiritual teaching and moral guidance to youth. He continued after retirement and to the age of 90 to be an avid follower of our local sports teams as well as OSU football and basketball and was proud of all their athletic accomplishments. Gene's lifetime of service and example will be greatly missed but it is hoped our young people will step up to fill a void in the communities, churches and organizations of Logan County by volunteering to serve.

Matt Comstock, Athletic Director

Hello:

August 20, 2020

My name is Mike Starkey and I am President of the 2020-2021 BHS Athletic Boosters. **I am really excited about what we can do for all our athletes through the Boosters.** It will take various types of support from our community to accomplish the goals we have set for helping our athletes. Some types of support are 1) being "there" for our athletes by attending the functions and games, 2) becoming members of the Boosters [Chieftain Club], 3) being active participants in fundraisers (whether you are someone helping with the fund raiser or being a sponsor or consumer of that fund raiser).

One of the fund raisers of the Athletic Boosters is the Chieftain Club membership. The funds raised through the membership fees are used for educational scholarships and improvements for the teams such as purchasing new equipment, updating the facilities, etc. **I am asking you to join me in supporting our athletes.** Last year our membership total was 75 in the Chieftain Club, but we would like to see membership double up to 150. I would like to personally thank each of the 2019-2020 members for their support and ask that you consider renewing your membership for the 2020-2021 school year.

We are continuing with multiple membership options for the Chieftain Club, which we have done since 2015. Each member will still be listed in the program but now by your sponsor level. The first level will be the **Bronze** level for a **\$50** donation. In addition to your name in the program you will also receive a Chieftain Club window cling. The **Silver** level (**\$100** donation) will receive the same as the Bronze plus a yard sign. The **Gold** level (**\$250** donation) will receive the same as the Silver plus embroidered Chieftain Club apparel. **Please join this year and consider becoming a Gold or Silver level member.**

In 2019 we supported the homecoming parade fireworks show, awarded 2 college scholarships for \$1,000 each, provided fall/winter athletes with passes to home events, and provided funds for meals/lodging to athletes & coaches qualifying for regional or state events. In addition, we were able to donate more than \$30,000 to the athletic department for equipment and other needs. We increased advertising in the fall & winter sports programs and held a successful "A Night at the Races" fundraiser.

Please join me in supporting our athletes. If you would like to renew your membership or join the Chieftain Club for the 2020-2021 school year, please fill out the form and send it with your check. If you would like to give your time, let me know and we will find a place for you to serve. Most of all, come to some events and cheer on our athletes.

Thank you for your support and **Go Chiefs!**

Mike Starkey, BHS Athletic Booster President

Booster Club Meetings are 1st Thursday of every month at 7 p.m. in the High School Library.

Bellefontaine High School Athletic Boosters

Welcome, Chieftain fans! Thank you from the Athletic Boosters for your support of our Chieftain athletes, coaches and volunteers. Community support is vital to the success of today's high school athletic programs. Please take time to invite neighbors, friends and family members to join you at our various athletic events.

The Athletic Boosters are committed to help raise funds to give our many BHS athletes opportunities to display their talents, learn the importance of teamwork and find that dedication to their sport pays dividends in many ways.

The continued support of our athletic programs and Athletic Boosters fundraisers is very much appreciated. The Athletic Boosters fundraisers include the Chieftain Club, concession stands, program advertising and sales, 50/50 raffles, and Kroger Rewards Program.

Please refer to the instructions listed in this Chieftain Program to learn how you can sign-up to earn funds to support our athletes when you shop at Kroger.

In 2020 we supported the homecoming fireworks show, awarded 2 college scholarships for \$1,000 each, and provided funds for meals/lodging to athletes & coaches qualifying for regional or state events. In addition, we were able to donate over \$30,000 to the athletic department for equipment and other needs. We were limited in our ability to hold many normal fund raising activities, but we were able to have our annual March Madness brackets as well as a virtual reverse raffle.

Athletic Booster meetings are held on the first Thursday of each month at 7:00 p.m. in the high school library. Please join us in our efforts to support chieftain athletics.

If you would like more information about the Athletic Boosters, please contact Mike Starkey at 567-204-3453.

Your Role In Interscholastic Athletics

PARENTS

Communicating With Your Children

- Make sure your children know that win or lose, scared or heroic, you love them, appreciate their efforts and are not disappointed in them. This will allow them to do their best without fear of failure. Be the person in their life they can look to for constant positive reinforcement.
- Try your best to be completely honest about your child's athletic ability, competitive attitude, sportsmanship and actual skill level.
- Be helpful but don't coach them. It's tough not to, but it is a lot tougher for the child to be flooded with advice and critical instruction.
- Teach them to enjoy the thrill of competition, to be "out there trying," to be working to improve their skills and attitudes. Help them develop the feeling for competing, for trying hard, for having fun.
- Try not to relive your athletic life through your child in a way that creates pressure. You were frightened, backed off at times and were not always heroic. Athletic children need their parents, so do not withdraw. There is a thinking, feeling, sensitive, free spirit in that uniform who needs a lot of understanding, especially when their world turns bad. If they are comfortable with you win or lose, then they are on their way to maximum enjoyment.
- Don't compete with the coach. If children receive mixed messages from different authority figures, they may become disenchanted.
- Don't compare the skill, courage or attitude of your child with other members of the team.
- Get to know the coach. Then you can be assured that the philosophy, attitudes, ethics and knowledge are such that you are happy to have your child under the coach's leadership.
- Remember that children tend to exaggerate, both when praised and criticized. Temper your reaction and investigate before overreacting.
- Make a point of understanding courage and the fact that it is relative. Some of us climb mountains and are afraid to fly. Some of us will fly but turn to jelly if a bee approaches. Everyone is frightened in certain areas. Explain that courage is not the absence of fear, but a means of doing something in spite of fear and discomfort.

Communicating With The Coach

Communication You Should Expect From Your Child's Coach:

- Philosophy of the coach
- Expectations for your child as well as all players on the squad
- Locations and times of all practices and contests
- Team requirements (fees, equipment, off-season conditioning)
- Procedures for injuries
- Discipline that results in your child's denial to participate

Communication Coaches Expect From Parents:

- Concerns expressed directly to the coach
- Notification of any schedule conflicts well in advance
- Specific concerns in regard to a coach's philosophy and/or expectations

Appropriate Concerns To Discuss With Coaches:

- The treatment of your child, mentally and physically
- Ways to help your child improve
- Concerns about your child's behavior

Issues Not Appropriate To Discuss With Coaches:

- Team strategy
- Play calling
- Other student-athletes

Appropriate Procedure For Discussing Concerns With Coaches:

- Call to set up an appointment with the coach (contact the athletic administrator to set up the meeting if unable to reach the coach)
- Do not confront a coach before or after a contest or practice (these can be emotional times for all parties involved and do not promote resolution)

What If The Meeting With The Coach Did Not Provide A Satisfactory Resolution:

- Call to set up an appointment with the athletic administrator or activities director
- Determine the appropriate next step at this meeting

Fans Fair Play Code

- I will remember that young people play sports for THEIR enjoyment, not to entertain me.
- I will not have unrealistic expectations and will understand that doing one's best is as important as winning. I understand that ridiculing an athlete for making a mistake is not acceptable behavior.
- I will respect the official's decisions and will encourage all participants to do the same.
- I will respect and show appreciation for the coaches and understand that they have given their time to provide sport activities for our young people.
- I will encourage athletes and coaches to play by the rules and to resolve conflicts without resorting to hostility or violence.
- I will show respect for my team's opponents because I realize there would be no game without them.
