.....
The Bowling Green City Schools Board of Education is responsible for setting policy to govern effectively the district and ensure students are receiving excellence in education. It is also responsible for the hiring of faculty and staff and overseeing the financial health of the district. The Board provides vision, structure, accountability, and makes decisions in the best interests of students. It also works with the Superintendent to develop short and long-term goals to position the district as one of the best in the State of Ohio. Finally, the Board advocates for strong partnerships with the community, university, and families with the goal of preparing students to live successfully in a diverse and global society.

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting.
