TOGETHER WE CAN

Dear MAS Parents and Families,

As we reach the end of another successful school year, we want to take a moment to thank you for your partnership, support, and involvement throughout the year. Together, we have helped our students learn, grow, and create lasting memories. It has been a joy to watch our students develop academically, socially, and emotionally, and we are proud of all they have accomplished.

As we enter the final month of the school year, our **Citizen of the Month theme for June is Perseverance**. We encourage our students to continue demonstrating determination, resilience, and a positive attitude as they work toward finishing the school year strong. Perseverance helps students overcome challenges, achieve their goals, and develop confidence in their abilities.

June is filled with exciting events as we celebrate our students' achievements and prepare them for the next chapter in their educational journey. We are especially excited to recognize our students during our upcoming Moving-Up Ceremonies. Our **Kindergarten Moving-Up Ceremony will be held on June 18**, and our **Grade 5 Moving-Up Ceremonies will take place on June 24 and June 25**. These events mark important milestones in our students' lives, and we look forward to celebrating with our families.

As you prepare to attend these special events, please remember that all parents, guardians, and visitors must bring a valid photo ID when entering the school building. This requirement helps us maintain a safe and secure environment for all students and staff. We appreciate your cooperation and understanding.

As the school year comes to a close, please keep a few important dates in mind. **The last day of school is June 26**, and students will receive their final report cards that day. We also encourage students to check the Lost and Found for any missing belongings before the end of the year. **Any unclaimed items will be donated to a local charity after the last day of school.**

During the summer months, we encourage students to continue learning and exploring. Reading daily, visiting the library, practicing math skills, keeping a journal, and participating in educational and outdoor activities are all great ways to stay engaged and prepared for the upcoming school year. Do not forget, have lots of family time and LOTS of FUN.

We are already looking forward to welcoming our students back in the fall (September 2) for another exciting year of learning, growth, and success. Information regarding placements, school procedures, and family handbooks will be shared over the summer through **ParentSquare** and by mail mid-August. Please be sure to check your **ParentSquare** account regularly and watch for important mailings to ensure you have all the information needed for a successful start to the new school year.

Thank you again for being such an important part of our school community. We wish all of our students and families a safe, relaxing, and enjoyable summer vacation filled with wonderful memories.

Mr. Janowitz

Girls on the Run

Our GOTR community outreach project was a huge success! The girls chose to focus on helping keep our MAS school community clean by picking up garbage and litter around the school grounds.

What made the day even more special was seeing other students notice their hard work and begin joining in to help. It was such a powerful moment and a wonderful example of leadership, teamwork, and pride in our school community.

We are so proud of our Girls on the Run team and the example they set for others. The team will also be hanging posters around the school to help remind everyone to keep our community clean!

- 6/8- MAS Carnvial
- 6/9- Spring Concert 6:30 PM
- 6/15-6/22- Countdown to Summer Math Theme Week
- 6/18- Grade 5 Graduation Celebration 5 PM

- 6/25- Gruduation: 5 GB, 5 M, 5 Capobianco- 9:15 AM
- 6/26- Last Day of School & Report cards go home

**SAVE
THE DATE**

Congratulations to all of our Girls on the Run participants as they completed their culminating 5K race last night. These girls began this journey as individuals and finished the season as a strong, confident, and supportive team. A special thank you to Mrs Araj our and Ms. Berube for their dedication, leadership, and inspiration throughout the season!

May Citizens of the Month

Kindergarten: Emily Cordoba, Noah Toledo, Sophia Lapkovskaya, Gabriela Maddock, Owen Whelan, Parker Roalnd, Ryan McAvoy, Jhuliette Then Cruz, Queen Carter, Solenne Hurtado, Daniel Orozco Orozco, Dylan Alarcon Rojas, & Franchesco Saldivar
