Annual Back-To-School Forms for Lyme-Old Lyme Schools

Each summer, we ask parents to use **electronic forms** within **PowerSchool** to verify/edit their contact information, provide updates to health information, and provide a variety of permissions for their children.

Parents can find the required back-to-school forms within their PowerSchool parent accounts.

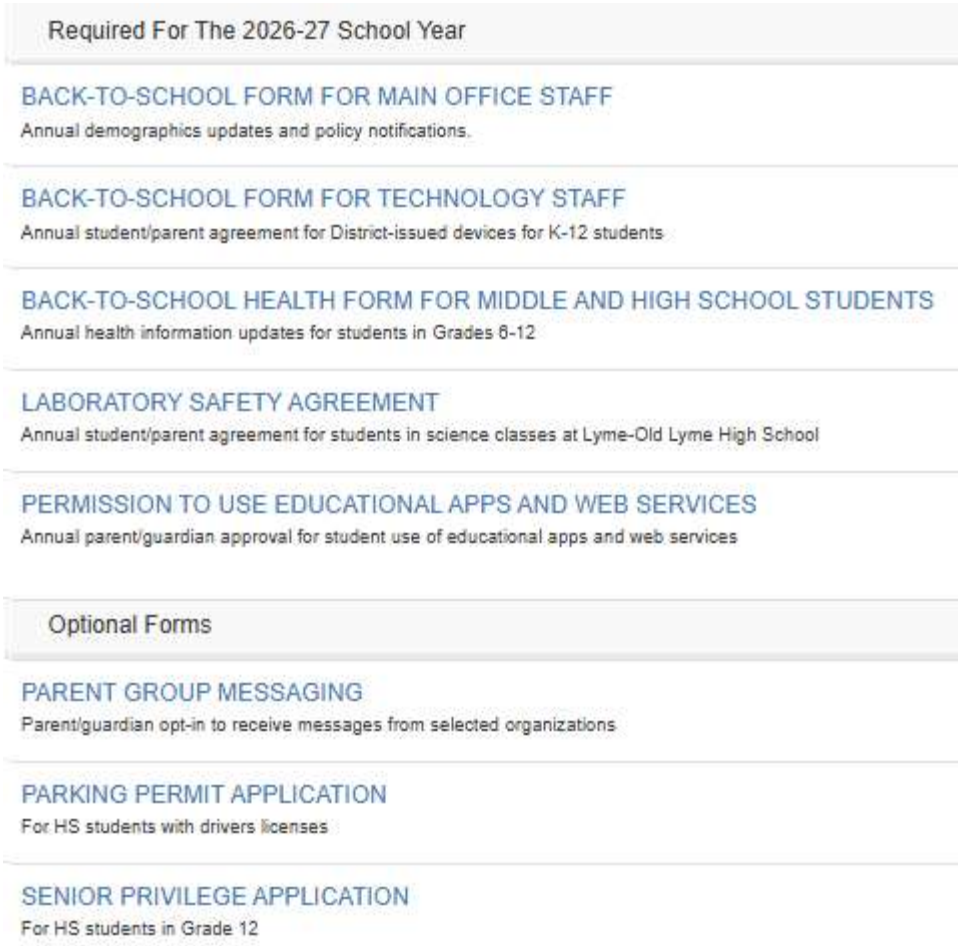

Please note that **sports team registrations** for students in Grades 6-12 are managed within **FinalForms**, available at https://lymeoldlyme-ct.finalforms.com/ .

Parents log into **Powerschool** from a web browser, at https://region18.powerschool.com/public, where they see a **Forms** button in the Navigation menu:

After clicking on the **Forms** button, links to forms for this school year are seen in the main pane. These vary according to student grade level, as shown below.

Forms for students in grades 9-12:

Forms for students in grades 6-8:

Required For The 2026-27 School Year

BACK-TO-SCHOOL FORM FOR MAIN OFFICE STAFF

Annual demographics updates and policy notifications.

BACK-TO-SCHOOL HEALTH FORM FOR PREK AND ELEMENTARY SCHOOL STUDENTS
Annual health information updates for students in PreK thru Grade 5

Optional Forms

PARENT GROUP MESSAGING
Parent/guardian opt-in to receive messages from selected organizations

Electronic signatures of **both the student and a parent/guardian** are required for the **Technology** and **Laboratory Safety** agreements, as well as the applications for a **Parking Permit** and **Senior Privileges**.

Some forms allow for the **upload of files**, such as a copy of an annual physical filled out by a physician, or a snapshot of a driver's license when a high school student applies for a parking permit.

A parent can **switch from one child to the next** in the family using the buttons in the blue menu bar along the top of the screen.

Forms are accessible in the **mobile app** for Powerschool, so that a parent can submit them from a cellphone or other mobile device. The Powerschool app on a mobile device require the **District code** for Region 18 Schools which is: **XMLP**.

If you have any questions about this process, please contact Tammy Noyes using noyest@region18.org or 860-867-6196.
