IN THIS Issue

Welcome to Minnetonka Community Education,
We hope you find your place here at Minnetonka Community Education. Our team takes great pride in bringing you high-quality programs, meaningful experiences and opportunities to connect as a community. Our goal is to create a space where everyone feels welcome, supported and inspired.
Guided by our mission to foster growth, connection and lifelong learning for all ages, we are committed to excellence in all we do. We offer a wide range of programs for early learners, youth, adults and families. From preschool and enrichment classes to fitness, community events and lifelong learning opportunities, each experience is designed to build skills, strengthen relationships and create a true sense of belonging.
We're glad you're choosing us and we look forward to learning and growing together!

Kim Carlson | Executive Director of Minnetonka Community Education

What do you find most rewarding about your role?

Getting to do the behind-the-scenes work that makes classes or events happen. It's rewarding to know I did my part to help a student or customer enjoy their time at MCEC.

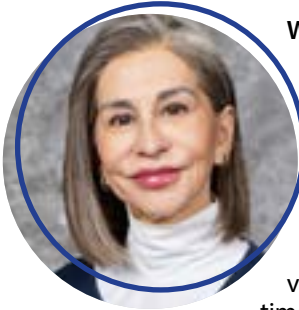

Randy Phillips |
MCEC Building Engineer

“

What do you enjoy most about teaching Spanish Exploration to preschoolers?

It is such a joy to see how much fun the kids have while learning Spanish through our songs, games, videos, art projects and story times. The most rewarding aspect of teaching Spanish to preschoolers is getting to know them and seeing them begin to speak the language, using words and occasionally combining them into sentences. Spending time with them is especially joyful, as it lets me see their progress throughout the school year and all that they have accomplished. We love Spanish!

Diana Smith | Preschool Spanish Exploration

“

What inspires you about the students in Adult Options?

I am inspired by the resilience and courage my students exhibit every day as they work to improve their English and ultimately their lives. They do it for themselves and their families in this place they now call home. How lucky am I to hear and be part of their stories? Yep!! BEST JOB EVER!!

Kirsten Firehammer |

YOUTH

Driver Education

Driver Education | Ages 14.5-18

Safeway Driving School has been creating safe, responsible teen drivers for more than 50 years. Minnetonka Community Education partners with Safeway to offer classes that emphasize defensive driving techniques.

Fee

\$469 (Includes classroom instruction and six hours of behind-the-wheel instruction.)

Classroom Instruction

Our program includes 30 hours of instruction, as required by law, in 10, three-hour lessons. Students can start classes at age 14½, obtain their permit at age 15 and license at age 16. The curriculum includes study guides, PowerPoint instruction, videos, discussion, worksheets and interactive software. Classes focus on critical behaviors and attitudes common to teen drivers and prepare them for the Minnesota Permit Exam. Visit [SafewayDrivingSchool.com](https://www.safewaydrivingschool.com) for information regarding make-up lessons.

Behind-the-Wheel Instruction

Students must complete six hours of driving lessons with a Safeway instructor before taking the Minnesota Road Exam. Lessons are divided into three, two-hour private lessons with a responsible, professional Safeway driving instructor. Students can be picked up from and dropped off at home, school or work. Safeway offers convenient, online scheduling for behind-the-wheel instruction. The lessons are given on actual city streets, highways and freeways. It is recommended that students take their first lesson 6-8 weeks after receiving their permit. Lessons should be at least 30 days apart allowing for practice with parents/guardians between lessons and can be scheduled with Safeway Driving School.

No class on Sep. 21 & Oct. 15.

Support for Neurodiverse Children, Teens, Adults, and Families

Assessments
When daily life feels harder than it should, clarity can help. LifeFx assessments identify patterns in attention, planning, working memory, and regulation so families and adults can better understand what is getting in the way and what supports may help.

Coaching
LifeFx Executive Function Coaching helps individuals turn insight into action. Coaching focuses on practical tools for planning, organization, emotional regulation, task initiation, time management, and follow-through in everyday life.

Summer Camp
LifeFx Summer Camp gives neurodiverse students a fun, structured place to build skills through real-world activities. Campers practice focus, flexibility, regulation, organization, and teamwork while building confidence and connection.

Events & Retreats
LifeFx programs create supportive spaces for learning, connection, and community. From parent and teen events to Xcursions and caregiver retreats, our programs build skills, confidence, and support for everyday life.

Student Voice

Shapes Event T-Shirt Designs

This year, Minnetonka Community Education invited students to help shape the look of two spring events, the 2026 Tonka Youth Triathlon and the Trail Trot.

Through focus groups, students from Deephaven Explorers and the Minnetonka High School Youth Development Council shared their ideas and feedback on t-shirt colors, graphics and designs. Their input helped guide the final designs.

Thank you to everyone who participated. We look forward to continuing to incorporate student voice into future Community Education programs and initiatives.

Meet Ben MacLean

Ben is MCE's new Recreation Coordinator bringing experience and a passion for community programming. With 20+ years of coaching and a background that spans engineering to youth athletics leadership, Ben knows how to build programs that get people moving and connected.

The recreation team's mission is simple and impactful: Inspire Joy - Create Belonging - Strengthen Community.

"Fall is one of my favorite times of year. Whether it's watching the incoming freshmen I met at East Meets West begin their high school journey or seeing the rising 6th graders from our 5th Grade Finales take their next step into middle school, I love the excitement and optimism that comes with a new chapter. At Community Ed, there is truly something for everyone and I love seeing people discover a new interest, build on a skill, stay active, or connect with others in the community. I can't wait to see families getting involved and finding the opportunities that are right for them."

Early Childhood Family Education

ECFE is for parents, caregivers and children (birth through Pre-K)

Weekly classes include parent-child interactive activities along with educator led discussions. Follow your child's lead during parent-child time (first half of the class). Parent discussion time (second half of the class) is led by a licensed parent educator. This is an opportunity for parents to process joys and concerns, problem solve and share insights and resources. Topics may include sibling relationships, toilet learning, child development, self-regulation, temperament, sleep and more.

Scan to view the 2026-27 ECFE booklet

ECFE is based on the idea that parents provide their child's first and most significant learning environment.

ECFE works to support you as a parent/caregiver and to strengthen and empower families. The goal is to enhance the ability of all parents and other family members to provide the best possible environments for their child's learning and development.

Behind the Tonka Swim School Rebrand

You may noticed something new—Minnetonka's recreational swim program is now Tonka Swim School!

The new name brings swim lessons, recreational swim team and non-competitive swim groups together under one clear, easy-to-navigate program. Along with a refreshed logo and new video, the rebrand helps families better understand where to start and what comes next, while reflecting the high-quality instruction Minnetonka Aquatics is known for.

Now part of Minnetonka Community Education, Tonka Swim School was a collaborative effort, all focused on creating a more connected, family-friendly experience.

Program Manager Ellery Funk says, "Tonka Swim School is the first step in the District's comprehensive aquatics program. From a child's first lesson, we aim to empower them with swimming skills they'll use for life. Whether kids want to move on to our Rec Swim Team, Swim Club and even swim at a collegiate level- or just want to swim safely and confidently, we empower them with the skills to get them there."

Learn-To-Dive

Beginner Diving | Ages 7+
For divers that are brand new to the sport with little or no experience. We will work on the basic fundamentals needed for the intermediate group. Skills included but not limited to, jumping off the board forwards and backwards in each position, tuck, pike and straight, head first entry skills and backwards entry skills. Coaches will progress each diver to the next skill as they see fit. Coaches will recommend beginner divers to move to the intermediate group as skills become developed.

Intermediate Diving
For those who have had previous experience with diving and have mastered basic skills that are learned in the beginner group. This class is for divers who have had prior diving experience and know how to perform a full approach hurdle, front dive, front flip, back fall in and back dive. If you are curious if your diver should be in the intermediate group, please contact Coach Stephenie before registering.

High School/Advanced Diving
For divers that have competed at a High School level OR have 4 of the 5 categories in diving, front, back, inward, reverse or twisters. Advanced skills are required to be in this group. If your child has strong gymnastics experience, is HS age, or if you have any further questions regarding qualifications, please contact coach Stephenie for further guidance.

Questions about diving? Contact Coach Stephenie at stephenie.vennes@minnetonkaschools.org.

Terms & Conditions

Cancellation Notice: Participants will be notified if there is a change in the date/location of the class or if the class is canceled. MCE confirms registrations via email with participants who share their email addresses during the registration process.

Checks with insufficient funds, declined debit cards, credit cards and ACH payments: All returned checks, declined or invalid credit cards and ACH payments will be charged a \$15 fee.

Refund Policy: Generally, full refunds are given when MCE cancels a class. Unless otherwise noted online, refunds (less a \$10 cancellation fee), will be given when a participant cancels a registration at least five business days before the start date of the class. Partial refunds will be considered if injury or serious illness occurs. *(Please note: Minnetonka Preschool, ECFE, Explorers, Basketball, Ski and Snowboard Club, Tour de Tonka, Minnetonka Swim Club and other programs have separate refund policies. See our website for details.)*

Data Privacy: Your privacy is important to us. The registration information you provide to MCE is considered private data under state and federal law. We use the information you provide for the purposes of administering the activity and to contact you about upcoming activities. While you may choose to withhold this information, there may be consequences that could limit the distribution of information to the participant (e.g., no team roster or class list). Access to your contact information is limited to individuals involved in the activity.

Participation Waiver: I hereby release Minnetonka Community Ed and any other organizations, cities or individuals associated with this program from any responsibility for injuries or damages that I may sustain as a result of my participation.

Photo Consent: Unless you notify MCE in writing, photos taken within MCE classes, programs, activities and events may be included in MCE publications and websites.
