* Students with significant cognitive disabilities may participate in these assessments as an alternative to SBA and WCAS assessments for the purpose of meeting accountability and demonstrating post-secondary career or college readiness.

** Students with significant cognitive disabilities may participate in this assessment as an alternative to WIDA Summative for the purpose of meeting the annual requirement for all students receiving ML services.

*** Assessment is optional or does not apply to all students in the designated grade.

**** Taken by all 10th graders. 11th graders are eligible for scholarship opportunities. Testing is optional for 11th graders.
