### **MOVE WITH MADD**

Move With MADD is the only large-scale, community-based activity that allows community members to take steps to stop impaired driving in their area. The events bring together victims, survivors, volunteers, concerned citizens and local partners to honor those impacted by impaired driving and to turn their pain into purpose.

# MOVE WITH MADD

## IT TAKES EVERYONE

### IMPAIRED DRIVING ENDS HERE

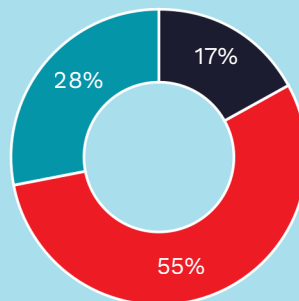

Move With MADD is Mothers Against Drunk Driving's signature fundraising event. In 2025, more than 100 cities across the nation will host Move With MADD events. With every step taken and each dollar raised, we support MADD's lifesaving mission to end drunk and drugged driving, support the victims of these violent crimes, and prevent underage drinking and other drug use.

**Get involved today!**

Participant Profile

-  Victim or survivor
-  Cares about someone who is a victim or survivor
-  Not personally impacted, but wants to help

## WHAT MOVES US

### MADD'S IMPACT

In 2022, 13,524 people were killed in drunk driving crashes—that's one person every 39 minutes. Funds raised through this event help to:

- Provide emotional support and services for victims and survivors of impaired driving at no charge.
- Conduct awareness and research-based prevention programs to stop impaired driving and prevent underage substance use.
- Support the heroes in law enforcement who work to keep our roads safe.
- Work with legislators to adopt tougher laws, including requiring ignition interlocks for offenders as well as anti-drunk driving tech in new cars made possible by the HALT Drunk Driving Law.

Drunk driving deaths cut by **40%**
