Helpful Tips for Labeling Supplies

In kindergarten, we practice a variety of social skills, including sharing. Many of the supplies brought to school are shared among all students and do not need to be labeled. The following items ***SHOULD*** be labeled:

- **Personal items** such as clothing, snack or lunch containers, and water bottles should be labeled with your child's name.
- The following school supplies ***should be labeled*** in Sharpie or with a label before you bring your supplies to school at Orientation:
  - Poly Prong Folders
  - 3-Ring Binder (inside front cover, please)
  - Plastic Supply Box
  - Composition Notebook
  - Scissors
  - Headphones

**Remaining school supplies will be shared, and do not need to be labeled.

Families:

**If you are interested in donating additional items to our classroom, we are always in need of the following items:

- **Ziploc-type bags; sandwich and/or gallon size.**
- **Playdough (class sets)**
- **Bubbles (class sets)**
- **Cups: Dixie style, bathroom size.**
- **Index card packs, 3 x 5**
- **Sidewalk Chalk**

Tips for Starting School and Being Independent!

- **Practice zipping and unzipping your backpack.**
- **Practice opening and closing your lunch and snack containers (including drink containers). The twist off fruit pouch tops are tricky! Please practice these at home.**
- **Practice tying laces** (Your child should wear Velcro or No-Tie Laces shoes if they do not know how to tie them.)
- **Practice zipping, snapping, and buttoning jackets, sweaters, and pants.**
- **Practice all bathroom procedures: wiping, flushing, washing hands, and throwing away paper towels.**

- **Keep a set of emergency clothes (including underwear and socks) sealed in a Ziploc bag in your child's backpack.**
- **Send a full, spill-proof water bottle labeled with your child's name each day.**
- **Send a small, healthy snack with your child each day.** (More info on snacks and lunch to come…)

Thank you! ☺ ~The Kindergarten Team
