

Smart Phones, Safe Kids

Thursday, September 10th

12:00pm

Zoom

From first phones to favorite apps, children are growing up in a digital world. Join us online for a parent-focused session as we discuss:

- Common online **dangers** and how to spot them
- Screen time **guidelines** and device-free routines.
- How to configure **parental controls** and privacy tools
- Tips for open, age-appropriate **conversations** about online behavior
