

## **Your IEP Toolbox:** Tools for Advocacy

Join us for an informative session designed to help families better understand the IEP process. Together, we will explore the components that make up an Individualized Education Plan and learn how families can partner with schools to support student success.

### **What we will cover:**

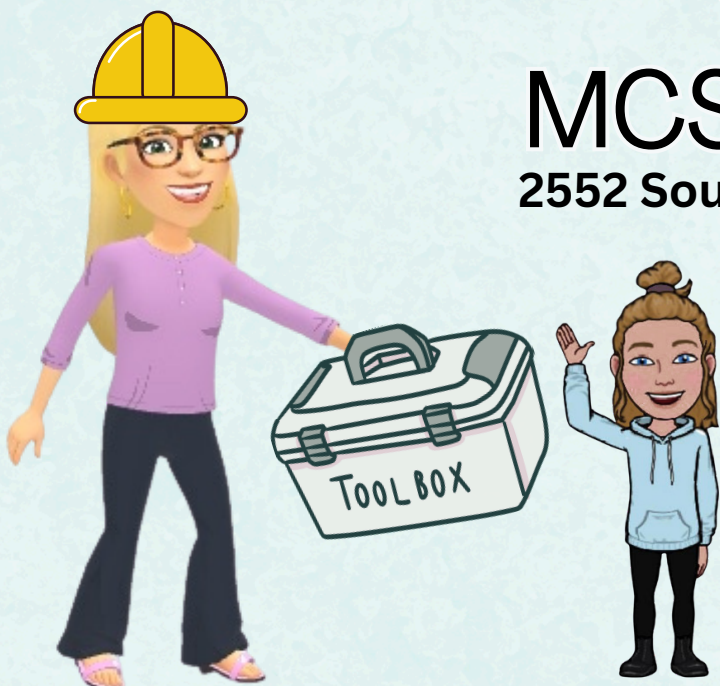

- What is an IEP?
- Accommodations and services explained
- Preparing for IEP meetings
- Understanding evaluations and eligibility
- Resources and support for families

**Wednesday, September 16**

**5:30-6:30pm**

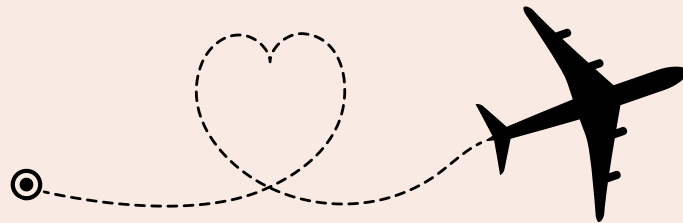

**MCS Central Office**

**2552 South Church Street Murfreesboro**
