Office of the Superintendent

Dear Wyoming Valley West Families,

As we prepare for the 2026–2027 school year, we are excited to welcome our new transportation contractor, Spartan Transit Ventures LLC, to the Wyoming Valley West School District.

With any transition of this size, there may be a few adjustments as our new drivers become familiar with district routes, school procedures, and the needs of our students. We are working closely with our transportation partner to ensure they are well prepared for the start of the school year and to make the transition as smooth as possible.

We kindly ask for your patience and understanding during the first few weeks of school as everyone settles into new routines. If minor delays or adjustments occur, please know they are being addressed as quickly as possible, with student safety remaining our highest priority.

We appreciate your support and partnership as we begin this new chapter. We are excited to welcome our new transportation team to the Wyoming Valley West family and look forward to a safe, successful, and positive school year for all of our students.

Thank you for your continued support.

Sincerely,

Dr. Charles R. Suppon Jr.
Superintendent
