Dear Incoming Third Graders and Families,

We are so excited to welcome you to Third Grade! A new school year is just around the corner, and we can't wait to begin this exciting journey with all of you.

This year, our third-grade team includes three wonderful teachers:

Mr. Hamlin
Mrs. Weber
Mrs. Wood

Together, we are looking forward to a year filled with learning, growth, friendship, and fun. Third grade is an exciting year where students will discover new skills, explore interesting topics, become stronger readers and writers, and build confidence as learners.

Our classrooms will be places where curiosity is encouraged, kindness is celebrated, and everyone is supported as they work toward their goals. We have many engaging activities, memorable experiences, and special opportunities planned throughout the year.

We know that starting a new grade can bring both excitement and a few butterflies, but we are here to help every student feel welcome, safe, and ready to succeed. We can't wait to get to know each of you and create a fantastic year together.

Enjoy the rest of your summer, and we look forward to seeing you soon!

Warmly,

The Third-Grade Team
