

Jesuit High School Drop-Off & Pick-Up Information (2026-27)

Below is important information regarding Jesuit High School's drop-off and pickup policies as well as helpful tips for parking when you are attending a school event or volunteering.

We have four parking lots:

- **Cronin lot** – located on the east side of campus next to the football/soccer field
- **Tennis Court lot** – located in the northwest corner of campus off 91st Avenue
- **DeSmet parking** – located on the north side of campus
- **Valley Plaza parking** – located on the property adjacent to campus, just west of the baseball stadium

Pickup and Drop-Off

Please use the following areas for student pickup and drop-off:

- **Cronin Lot** – For the safety of our students, **please use the first lane only**. Using center lanes can be dangerous for students crossing in front of oncoming cars. **Please do not pull into any numbered spaces for pickup or drop-off**. Follow the lane of cars or pull into a visitor parking spot if needed. A Campus Monitor will be in Cronin directing traffic at pickup. Everyone driving or walking will follow their directions for safety and to expedite the flow of traffic.
- **Flagpole Turnaround** – Please **pull all the way through the turnaround** to keep the flow of traffic moving along 91st and Beaverton-Hillsdale.
- **Valley lot** – Drop off/pick up near the back gate along the baseball field fence line. Please do not occupy a space to drop off or pick up.

We kindly ask that you **do not** use the following areas for pickup/drop-off:

- Tennis Court lot, Priest parking lot, or DeSmet parking lot
- A numbered staff space, no matter how short the duration. We have students and faculty arriving any time after 6 am
- Business parking lots. We strive to be good neighbors to surrounding residents and businesses. Area businesses, especially China Delight, Charlotte's Weddings, and the PDX Sports Complex located directly across the street, are never to be used (even for a short period of time) for pickup/drop-off.

Understandably, pickup and drop-off areas on our campus are congested during certain times of the day, and we ask for your patience. Please be alert to students in the parking lots and **drive 10 mph or less at all times on our campus**. Also, as a Green Ribbon school that strives to follow the call of Pope Francis to care for our Common Home, we ask that you avoid idling at all times.

Visitor Parking:

- For business related to the **Office of the President, Alumni, Development, Communications, and Finance in the DeSmet Business Center**, there are two visitor spaces in the DeSmet parking lot and 4-5 visitor spaces in the Tennis Court lot.
- For business related to the **Office of the Principal, Vice Principals, Athletics, or Attendance**, please park in the visitor spaces in Cronin lot. You may check in at the Knight Entrance Visitors Booth.
- **Please note:** There is no visitor parking near the flagpole turnaround nor at Valley Plaza.
