

WHAT IS CUB SCOUTS?

Cub Scouts is a fun and active program for all kids K-5.

From building and racing Pinewood Derby cars to launching rockets, going camping in nature, and giving back to the community, Cub Scouts offers hands-on experiences that make growing up unforgettable!

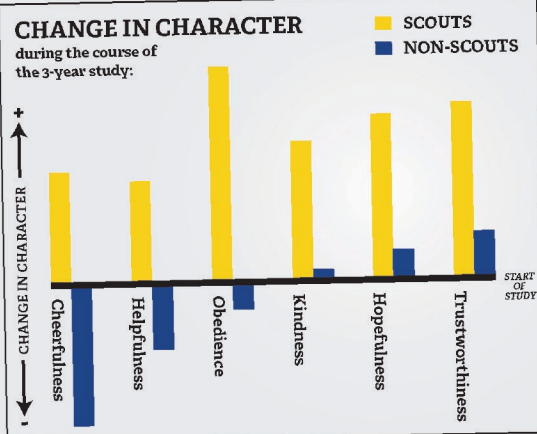

Scouts develop lifelong skills, make friends, build confidence, and have fun every step of the way — Start your adventure today!

WHY SCOUTING?

Cub Scouting encourages family fun while providing youth with a safe space to make friends and challenge themselves through age-appropriate activities. It is a program where children and parents feel like they belong to an organization that consistently reinforces worthwhile values like honesty, good conduct, and respect for others.

Scouting Builds Positive Character - Tufts University worked with Scouting over 3 years to measure character attributes of both Scouts and non-Scouts. In the beginning, there were no significant differences in character attributes. By the end, the differences were striking in several areas.

HOW DOES IT WORK?

When you join, your family becomes part of a pack that meets monthly for fun activities, community adventures, and recognition of achievements.

Each pack is divided into smaller groups called dens, organized by grade and gender. Dens meet a few times a month for age-appropriate activities and hands-on learning.

The pack you choose is up to you! While there may be several packs in your area, many families start with the pack closest to their child's school.

HOW MUCH DOES IT COST?

There is an annual registration and insurance fee to join Scouting. Please contact your local unit for more information.

There are also one-time uniform costs and nominal activity fees that may be charged by your local group.

These costs may be offset by fundraising and financial support for those who qualify.

HOW DO WE JOIN?

Getting started is easy! Attend the event listed on this flyer to meet local Scout leaders and learn more about Cub Scouting in your area.

You can also visit BeAScout.org to find a local pack and register online.
