A NOTE TO PARENTS

Parents want their kids to grow up feeling confident, kind, and ready for life. But many families worry that kids don't always get those skills today.

Scouting helps youth learn how to be strong, make friends, and live by positive values. It is a program for the whole family and gives kids fun experiences they can't get from screens or school alone.

Join us at the time and place listed to meet other families and learn about exciting adventures coming up.

We can't wait to meet you!
