NEWTON SACRED HEART

TRANSPORTATION & DROP OFF INFORMATION

Drop Off / Pickup Map

Enter off of Centre Street
It's a one way up the drive towards the circle, then along the drive along the front of the school

Drop Off & Pickup
at the beginning and end of the school day occurs at the far Arches end of the drive.

Late Arrivals & Early Dismissals
should occur at the main front door, at the entrance circle.

Carpools

Our student body hails from more than 40 cities and towns across Massachusetts. If you are interested in carpooling with other families this year, please fill out the Carpool List form.

Please note that Newton Country Day does not create carpools; this form is used to compile information for interested families. Families are expected to make their own arrangements. The list is available and will be updated with new responses on the Veracross Parent Portal -- as families sign up, the list will be updated, so check back often!

Public Transportation

MBTA Student Value CharlieCards, stored value cards that only charges the student fare each time it is used, are available through the school. Contact the Academic Office at (617) 599-4717 with questions.
