SABINE INDEPENDENT SCHOOL DISTRICT
5424 FM 1252 W. Gladewater, Texas 75647

August 10, 2026

Students, Parents and Community Members of Sabine ISD,

Tomorrow marks the beginning of our 2026-2027 school year. We are excited to have your students back in our classrooms and ready for a successful year. We are proud to serve here in Sabine ISD and in the Liberty City community. Our district continues to stand out in the Longview / Tyler area, within our region and across the state.

Our administrators, teachers and staff are second to none. We are here to help all students to achieve both inside the classroom and outside in their respective interests. Sabine ISD has a lot to offer when it comes to experiences and opportunities. I encourage you to afford your student the opportunity to get engaged in one of the many programs we offer. When students make a connection, it can often leads to success. To make it simple, being a part helps to enhance dedication, commitment and growth.

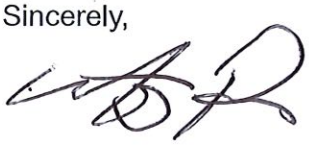

Our goal is to challenge students to go beyond their expectations. Each day we have is an opportunity to build success for all kids. I am proud to serve in this district and I see every day the difference that our staff makes in the lives of our young people.

Each year has its challenges and I encourage you to contact us whenever you have a question or concern. Many times, a simple email or phone call can provide additional insight and help both the district, and you the parent, to find a solution. We appreciate the opportunity to work toward better opportunities for our district.

My desire is to have the best year ever in Sabine ISD. We have added successful and experienced administrators, teachers and staff to our team. We are excited to bring their expertise and new vision to our campuses. Our goal will always be to enhance our district and improve student opportunities for success. I simply ask that you partner with us to make this happen. While we have an exceptional team we know it takes your support and encouragement to be our very best.

It will be an exciting day tomorrow. Thank you to every parent and guardian who came to visit our campuses last Thursday evening. We hope you are ready for a great year.

Sincerely,

Monty Pepper- Superintendent
Sabine Independent School District
