

Eastwood Local Schools

November 3, 2026 Ballot Issue

Key Facts

What is on the Nov. 3 Ballot?

A SINGLE ISSUE THAT COMBINES

6.49 Mill Bond Issue

Annual Cost: \$227 per \$100,000 of county auditor-appraised home value

0.5% Earned Income Tax

Applies to earned income, including wages, salaries, commissions, tips, and self-employment income. It does not apply to Social Security, pension income, retirement distributions, or unemployment compensation. The tax applies to residents of Eastwood Local Schools.

If approved by voters, the issue would provide approximately \$77.65 million in local funding toward the district's proposed \$95.3 million Master Facilities Plan. The remaining approximately \$17.65 million would come from the Ohio Facilities Construction Commission (OFCC), contingent upon voter approval of the ballot issue.

What would the facilities project mean for Eastwood schools?

PROPOSED MASTER FACILITIES PLAN

Developed through years of planning and community input, the proposed Master Facilities Plan would include:

Construction of a new school for students in grades 5-12

Preserving and repurposing portions of the current high school

Providing dedicated spaces for STEM, career-technical education, agricultural education, the arts, athletics, and collaborative learning

Addressing campus traffic flow
