

2025-2026 Goals for Ian Magness, Superintendent FASD

- ✓ *Continue staffing analysis and re-alignment, including administrative, not only to identify potential savings, but also to position people and departments to add or modify offerings to meet emerging needs and taking into consideration future building needs while doing so with less resources.*
- ✓ *Lead stakeholders and partners through High School Construction Project plan design phase with the goal of maintaining an on-time start to both the financing and bidding of the project.*
- ✓ *Serve in an advisory capacity directly with the statewide employability certificate workgroup for the Departments of Labor and Industry and Education as stakeholders assisting in the development of the credential. Additionally, serve as an active executive committee member of the Armstrong-Indiana Career Pathways Partnership.*
- ✓ *Advocate as a member of the PASA Board of Governors. This advocacy includes direct lobbying and communications with legislators to benefit our school community here at FASD.*
- ✓ *Continue to improve safety of our schools, students, and staff, which includes guiding the implementation of protocols and policy around Artificial Intelligence and physical and behavioral security assessments and corresponding remediation.*
