

Dear Students, Staff, and Families,

I am excited to welcome everyone back for the 2026–2027 school year! I look forward to having our students back in the building and filling our classrooms and hallways with energy, excitement, and a love of learning.

This is my 13th year as Assistant Principal at Killingly Memorial School and my 24th year with Killingly Public Schools. It continues to be an honor to serve such an outstanding school community. At KMS, our dedicated staff is committed to partnering with families and the community to provide a safe, nurturing, and student-centered learning environment where every child can grow academically, socially, and emotionally.

Thank you in advance for making school attendance a priority. By ensuring your children are at school each day, you provide them with the opportunity to learn, build relationships, and benefit from the exceptional instruction our teachers provide. Together, we can help every student reach their full potential.

I am looking forward to a spectacular school year filled with learning, growth, and success. Thank you for your continued partnership and support. Here's to a fantastic 2026–2027 school year!

Sincerely,

Timothy Jonasch
