A Message from the Principal

Welcome to Wellsville Elementary School!

It is a privilege to serve as the principal of Wellsville Elementary and to be part of such a caring and supportive school community. At Wellsville, we are committed to creating a safe, welcoming environment where every child feels valued, challenged, and inspired to learn.

We believe that strong relationships between students, families, and staff are the foundation of student success. By working together, we can help every child grow academically, socially, and emotionally while developing the confidence and skills they need for the future.

Our dedicated staff is passionate about providing engaging learning experiences and fostering a culture where every student belongs and has the opportunity to thrive. I encourage you to stay connected through our school events, PTO, and district communications, and I invite you to partner with us throughout your child's educational journey.

Thank you for being an important part of the Wellsville Elementary family. My door is always open, and I look forward to another wonderful year of learning, growth, and celebrating our students together.

Go Polar Bears!

Mrs. Melinda Vazquez
