Seventh Grade Instructional Plan for English Language Arts & Reading

Course Overview

Seventh grade English Language Arts & Reading is a comprehensive course designed to develop students into effective readers, writers, and communicators. Students will engage in building and sustaining foundational language and comprehension skills to enable students to analyze a wide range of literary and informational texts. Instruction is based on the Texas Essential Knowledge and Skills (TEKS), which emphasizes critical evaluation of an author's purpose and craft, including the use of literary devices, text structures, and genre-specific elements, as well as engaging in the full writing process from planning to publishing.

Throughout the year, students will:

- Develop and sustain foundational language skills
- Use metacognitive skills to develop and deepen comprehension of increasingly complex texts and engage in responding to those texts
- Recognize and analyze literary elements within and across genres
- Use critical inquiry to analyze the author's purpose and craft
- Use the writing process recursively to compose multiple texts
- Engage in inquiry and research

Classroom Expectations

Our classroom is a safe learning place, which encourages teamwork, positive feedback, and academic achievement. All students will be respectful to others. We will be good listeners to the teacher and to other's ideas. All students will be hard working contributors in the process of getting their education in order to be successful and reach their full potential.

Expectation 1: Be prepared with supplies
- Prioritize attendance
- Be ready to learn everyday

Expectation 2: Participate actively and take responsibility for your learning
- Complete all assigned tasks
- Engage in class readings, discussions, writing tasks, and learning opportunities
- Complete work on time

Expectation 3: Be safe
- Walk at all times
- Report problems to an adult

Positive reinforcement and clear routines will help students learn and meet these expectations.

If expectations are not met, the teacher will first reteach and remind the student(s) of expectations. If a student continues to fail to meet expectations, they will be redirected, then parents will be contacted. If a student is unable to meet expectations after these preventative measures, an office referral will be made.

Attendance Policy & Its Importance

Regular attendance is vital to your child's academic development. Seventh grade is an important year in science - this year lays the foundation for future science courses. When students attend daily, they stay current with new skills, deepening their knowledge of the world, develop thinking skills, and practice important habits that support lifelong learning.

Please notify the school if your child will be absent. Frequent or extended absences may make it more difficult for your child to learn necessary foundational skills that ensure student success this year and in future school years.

Learning Objectives

By the end of the first semester, students will be able to:

Using Amplify, students will develop literary knowledge through:

- Analyzing relationships within texts and synthesizing information to improve reading comprehension
- Making meaningful text connections within and across texts
- Applying close reading strategies across a variety of genres of texts to make inferences and draw conclusions using textual evidence
- Analyzing author's craft
- Engaging in the writing process (pre-writing through publication) to craft well-organized essays
- Engaging in meaningful classroom discussions through active listening and response

Course Resources

- Chromebook (provided by Midland ISD)
- 1-2 composition book, writing utensils, highlighters (part of the school supply list)
- Amplify

Grading Policy

According to Midland ISD Grading Policy:

The summative evaluation of a student's grade during a recording period should be based on sufficient data collected in class in the form of various assessments. Regular and periodic assessment of student progress ensures that a student has ample time for remediation.

Students must receive feedback on every graded assignment within three to seven days. Major assignments will receive feedback within ten days. Teachers will, at a minimum, communicate with students and their guardians every ten school days regarding upcoming assessments, classroom reminders, learning topics covered in class, and/or expectations. Regular communication may be electronic through the adopted Student Information System or other

messaging applications. Teachers will maintain a parent communication log during each grading cycle.

Major assignments - 60% Minor assignments - 40%
Semester exams count as 15% toward the final semester grade

School-wide System of Communication
The campus will communicate to parents/guardians with weekly newsletters, email, social media, and Powerschool.
