R.E. Baker School Counselor

Meet Maple, the pawsome therapy dog of our school!

Emotional Regulation

- School counselors work to help students be in a mental and emotional state to learn. This may be done in the classroom, hallway, outside, or in the counseling office.
- Our primary goal is to maximize our student's ability to learn and thrive.

R.E. Baker School Counselor

Offer conflict mediation with students

Can make school based therapy referrals

Connect families with district social workers

Consult with parents

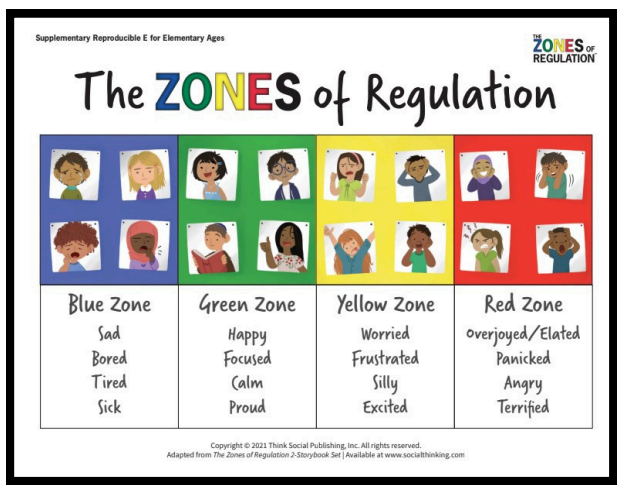

Classroom Counseling

- Focus on character education
- Every month each class engages in a class lesson
- Lessons can be based on state requirements or specific to needs of classroom
- Topics include: bullying prevention, conflict resolution, anger management, personal body safety, and career highlights.

Individual and Small Group Counseling

- Students may be referred for short term (1-3 sessions) solution focused counseling
- Small Group is offered for students who can benefit from goal-focused intervention with peers.
