

THE ROAD TO SUCCESS

STARTS ON DAY ONE

FIRST 15 DAYS
OF SCHOOL

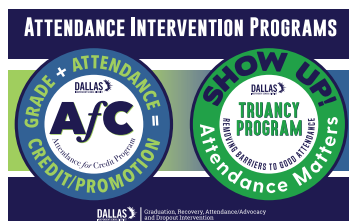

AUG. 11-31

The first few weeks of school set the stage for a successful year. Dallas ISD is challenging every student to attend school every day during the first 15 instructional days to build a strong foundation for learning, friendships, and achievement.

Students who have perfect attendance during the **first 15 instructional days of school** will be entered into a districtwide raffle for a chance to win an exciting prize!
