Future Stallions,

We are delighted that you are exploring **Sandy Springs Charter Middle School** as an option for your next chapter. **At Sandy Springs Charter Middle School, we take great pride in offering a wide range of athletic opportunities for our students. Our sports programs allow learners to explore their interests, stay active, and represent the Stallions with enthusiasm and sportsmanship.**

As you think about joining SSCMS, we encourage all students to take advantage of opportunities outside the classroom, including sports teams, clubs, and school activities. These experiences allow students to grow socially, develop confidence, and represent the Stallions with character and commitment.

Extracurricular opportunities at SSCMS are designed to strengthen the overall learning experience. Our coaches and sponsors are committed to guiding students as they build responsibility, teamwork, and perseverance—skills that will support success in high school and beyond. We invite you to learn more about what SSCMS offers and to consider becoming an active member of our Stallion community.

If you have questions or would like additional information, please reach out to the staff members listed on the back of this handout. We look forward to welcoming you to Sandy Springs Charter Middle School!

Saudah Booker
Athletic Director
