TIPTON ROSEMARK ARTS

About Us

Tipton Rosemark Academy's Fine Arts program strives to lead students K-12 to a Christ-centered life, showcasing the talents God has gifted them. Staff at TRA use their extensive fine arts backgrounds to give students the best fine arts education in West Tennessee.

WHERE FAITH AND CREATIVITY FLOURISH.

We believe creativity is a gift from God, meant to be cultivated and shared. Through the arts, our students discover their calling, grow in excellence, and create with hearts centered on Christ.

VISUAL ARTS

Students can begin their journey in the study of art by choosing from a list of classes that includes Drawing, Art I, Graphic Art, Digital Photography, Art II, Painting and Art Appreciation. Students progress from learning to use the basic elements and principles of art to expand and develop skills in drawing, painting, design, color theory and 3-dimensional processes to advanced techniques, experimentation, and self-expression.

CHORAL ARTS

The Tipton-Rosemark Academy Department of Vocal Music provides students with the opportunity to study and perform music of every genre: sacred, gospel, contemporary-Christian worship, classical English, foreign language, folk, jazz, blues, and pop.

The music curriculum is designed to instill discipline and commitment in students, which fosters success in all areas of academic life, as well as family, church and community.

THEATRE ARTS

TRA's theatre program empowers students to express themselves through diverse storytelling, from classical plays and musicals to modern drama and technical stagecraft. Our hands-on curriculum builds collaboration, confidence, and communication skills, equipping students to thrive in academics, ministry, and community leadership.
