

What is SIP?

The SIP is the School Improvement Plan. It includes:

- the identification of the school planning team and how they will be engaged in the planning process;
- a needs assessment and summary of academic and non-academic data;
- prioritized goals, strategies, and action steps to help address the academic and non-academic needs of students;
- teacher and staff professional development needs; and
- budgets and the coordination of resources.

The school must include family representatives on our school planning team.
