

June 30, 2026

CITIZENS' BOND OVERSIGHT COMMITTEE

COMMUNITY DAY SCHOOL

Site modernization and conversion from training facility to classroom for students with difficulty learning in traditional classroom environment. Students learn skills to eventually be able to return to regular site.

HOOVER MIDDLE SCHOOL

- Classroom Modernization

Four portable classrooms received new lights, carpets, tackboard, entrance ramps, etc.

- Fencing Improvements (complete)

Decorative Metal (Wrought Iron) with improved aesthetics and safety for students and staff

- Cafeteria Roof

Old roof had many concerns, including the need for constant patching and poor drainage.

ROOF AND CLASSROOMS TO BE FINISHED IN JULY 2026

TENAYA MIDDLE SCHOOL

- Classroom Modernization

Three portable classrooms received new lights, carpets, tackboards, entrance ramps, etc. Site work included the installation of an enclosed storage area, a sidewalk addition, and landscaping.

- Sports Field Renovation

The contract bid for the Sports Field Renovation Project was approved by the Board on June 23, 2026. The groundbreaking ceremony will be held on July 20th, and construction will begin on July 27th.

PORTABLE CLASSROOM UPDATES TO BE COMPLETED IN JULY.
