

Upper School Student-Athlete Code of Conduct Agreement and Expectations

Athletics are an extension of the classroom, providing opportunities to develop character, leadership, teamwork, resilience, and accountability. As a Beaver student-athlete, I understand that I represent myself, my teammates, my coaches, and Beaver Country Day School. I agree to uphold the following expectations throughout the athletic season.

As a Beaver Student-Athlete, I understand and agree to the following:

- Attend all scheduled practices, games, matches, team meetings, and other required team events.
 - Regular attendance is expected and is essential to being a committed member of the team. I understand that absences may affect my playing time.
 - Three (3) unexcused absences from practices or contests will result in a meeting with my coaches and the Director of Athletics which may result in disciplinary action, including removal from the team.
- Arrive on time for all team-related activities. I understand that repeated lateness may affect my playing time.
- Represent Beaver Athletics with integrity, respect, and sportsmanship in all settings.
- Prioritize the success of the team by embracing the role, responsibilities, and opportunities that best support the team.
- Arrive prepared for all practices and competitions with the required clothing, equipment, and any other necessary items.
- Contribute to a team culture that is inclusive, respectful, and welcoming to everyone.
- Prioritize my academic responsibilities and maintain the standards expected of a Beaver student.
- Not engage in hazing, bullying, harassment, or any form of mistreatment of others, including through social media or other online platforms.
- Use social media responsibly and represent Beaver Athletics in a positive and respectful manner.
- Keep my phone put away during practices, competitions, team meetings, and while on the bench unless otherwise directed by a coach.
- Respect all athletic facilities, equipment, and shared spaces at Beaver and at opposing schools, including fields, gyms, locker rooms, and buses, and leave them in better condition than I found them.
- Return all Beaver-issued equipment, uniforms, and gear promptly at the conclusion of the season. Items that are not returned may result in replacement fees.

I understand that failure to uphold these expectations may result in disciplinary action, including suspension or removal from the team, as determined by the coaching staff and Athletic Department.
