CENTENNIAL HIGH SCHOOL
CENTENNIAL SCHOOL DISTRICT 12

Principal's Corner - By: Tom Breuning

Welcome to the 2026–27 school year at Centennial High School. We are excited to welcome all students and families to our school community, whether you are joining us for the first time or returning for another great year. A special welcome goes out to the Class of 2030 as our newest ninth grade students. We look forward to a wonderful year filled with learning, growth, connections, and opportunities for all students.

Centennial High School is proud of its strong tradition of academic excellence. We offer a wide variety of courses and programs designed to support the diverse needs, talents, and goals of our students. Our focus is on creating a positive and inclusive environment where students feel supported, challenged, and encouraged to grow both academically and personally.

We look forward to partnering with families throughout the school year and supporting each student during their high school journey. Together, we are committed to helping all students learn, grow, and succeed.

As we prepare for the start of the school year, please take note of the following important dates:
· Student schedules will be available online through the Parent and Student Portal starting at 7:00 a.m. on Tuesday, August 18.
· Fall Kick-off and school pictures will take place on Tuesday, August 18, from 1:00 p.m. to 7:00 p.m.
· The Meet Your Teachers event is scheduled for Tuesday, August 25, from 3:10 p.m. to 6:10 p.m.

Additional details and important updates are included throughout this edition of Cougar News. We are looking forward to a great year ahead at Centennial High School.

Centennial High School is committed to upholding and maintaining the District Roadmap of Connecting, Achieving, Preparing.

CHS Cell Phone Guidelines - Clarification

The following serves as a clarification of our guidelines regarding cell phones and other electronic device usage. Please be aware that additional procedures are outlined in the Student Handbook, which is available on the high school website. To maximize learning opportunities for students and to encourage our students to be safe, respectful, and responsible, CHS has the following guidelines for students.

RED Zones are times and places where cell phone use is unacceptable, and they should be put away, silenced, with notifications turned off and/or placed in a location determined by a teacher's classroom procedures.

GREEN Zones are times and places when cell phone use is acceptable.

Green	Red
Before/After School	**Classrooms**
Cafeteria and Hallways	Restrooms/Locker Rooms
Lunch/Passing Time	Any time staff asks you to put it away
When your teacher gives permission	Testing Centers

Cell Phone Privilege Guidelines

Act Responsibly

- Phones must be put away in a **RED** zone
- Earbuds/Air pods/Headphones must be put away in a **RED** zone
- Standard classroom procedures – every classroom is a **RED** zone, and a teacher/staff may issue a **GREEN** zone at their discretion.
- Only use your phone in a **GREEN** zone
- Follow directions from staff
- If you feel you MUST use your phone in a **RED** zone, ask and receive permission first

Act Respectfully

- Be courteous with your phone
- Volume OFF or use headphones when in a **GREEN** zone
- Turn off your notifications
- Put your phone away if asked by a staff member
- Hands off others' phones and other electronic devices

Act Safely

- Use your phone appropriately
- Think before you post on social media
- Do not take pictures/videos of others without permission

District Immunizations & Annual Update Information

Immunizations: Important Please Read

Minnesota Statute 121A.15 requires children enrolled in childcare, early childhood education, or school to be immunized against certain diseases, unless the child is medically or non-medically exempt. If proper documentation is not provided, students will be unable to attend school after **October 30, 2026**. What you need to do:

- Contact your health care provider and review your child's immunization status to make sure they are up to date.
- If you missed a required vaccination, make an appointment with a healthcare provider or local clinic as soon as possible.
- Follow up with your student's school if they have reached out to you regarding your student's immunization status.
- Turn in medical (must be signed by a health care provider) and non-medical (must be notarized) exemption forms to your student's school if they are exempt from immunizations.

Visit **health.state.mn.us/people/ immunize** for vaccine schedules, exemption forms and more information including where to get free/low-cost immunizations. Visit **isd12.org/departments/health-services/immunizations** for more information. Please contact your student's school with any questions.

Annual Update Information

Each year families are required to review and update annual data for students such as annual notifications, agreements, emergency contact information and preferences, …etc.

This process is completed online through Campus Parent Portal and will be open in August. Specific details will be sent to parent guardians as the process opens. For more information regarding parent technology accounts, please visit the ISD12 website:

https://www.isd12.org/departments/technology

All meetings will be held in the West Learning Commons at 6:30pm

Parking Permits - 1st Semester Application Process

1st Semester Parking Permit 2026-27 Information

Who: Seniors & Juniors
Please note: Sophomores are not included in this application process. Sophomores would only be eligible if permits are available after the Seniors & Junior application process is completed. This would be a completely separate application process in the 2nd week of the semester for Sophomores.

When: Wednesday, August 12th at 7:00 am through 8:00 am Friday, August 14th, 2026.
How: Access link from home computers, mobile devices
Where: Link will be on CHS website. Students must be signed into their isd12 Google account to access the application.

What information you will need:

- Student Name, grade and e-mail address
- Vehicle Make, Model, Color, license plate number for all vehicles
- Student transportation needs (i.e.: 916/OEC program, work experience, open enrollment, mentoring, peer leader, activities/athletics, carpooling etc.)
- Carpooling student names, email address, and vehicle information
- Student activities information
- Applications will be time stamped when entered

Special Notes: Parking Permit Application Criteria

- 125 to Seniors with carpools
- Open Enrollee's, OEC, Part-Time PSEO, Work Experience Program, etc. (any educational service that is done for credit, but the school district does not provide transportation).
- Seniors that are Carpooling *AND in Activities
- Juniors that are Carpooling * AND in Activities
- Seniors that are in Activities
- Juniors that are in Activities
- Seniors that are Carpooling*
- Juniors that are Carpooling*
- Seniors that ride alone
- Juniors that ride alone

Due to the limited parking spaces available, student and families should not expect a permit, even if they had one for a prior semester. This criteria system will best serve the most students possible.

- Because of limited availability, 9th and 10th grade students are not factored in as part of carpools.

Cost of parking permits per semester:
Centennial High School student parking permits will cost the same for all student parking lots. The price will be $150.00 per semester. Students will be issued a physical parking tag and they

must have it displayed in their vehicle when parking on campus. Student parking lots will cost the same amount and all spaces in the 4 student parking lots will all be available to student permit holders on a first come, first pick each day. There will be NO differentiation on the student parking lots as far as where students can park with their 1st semester permit.

*** **Students must have all fees and fines paid before they will be allowed to pay for and pick up their parking permits.**

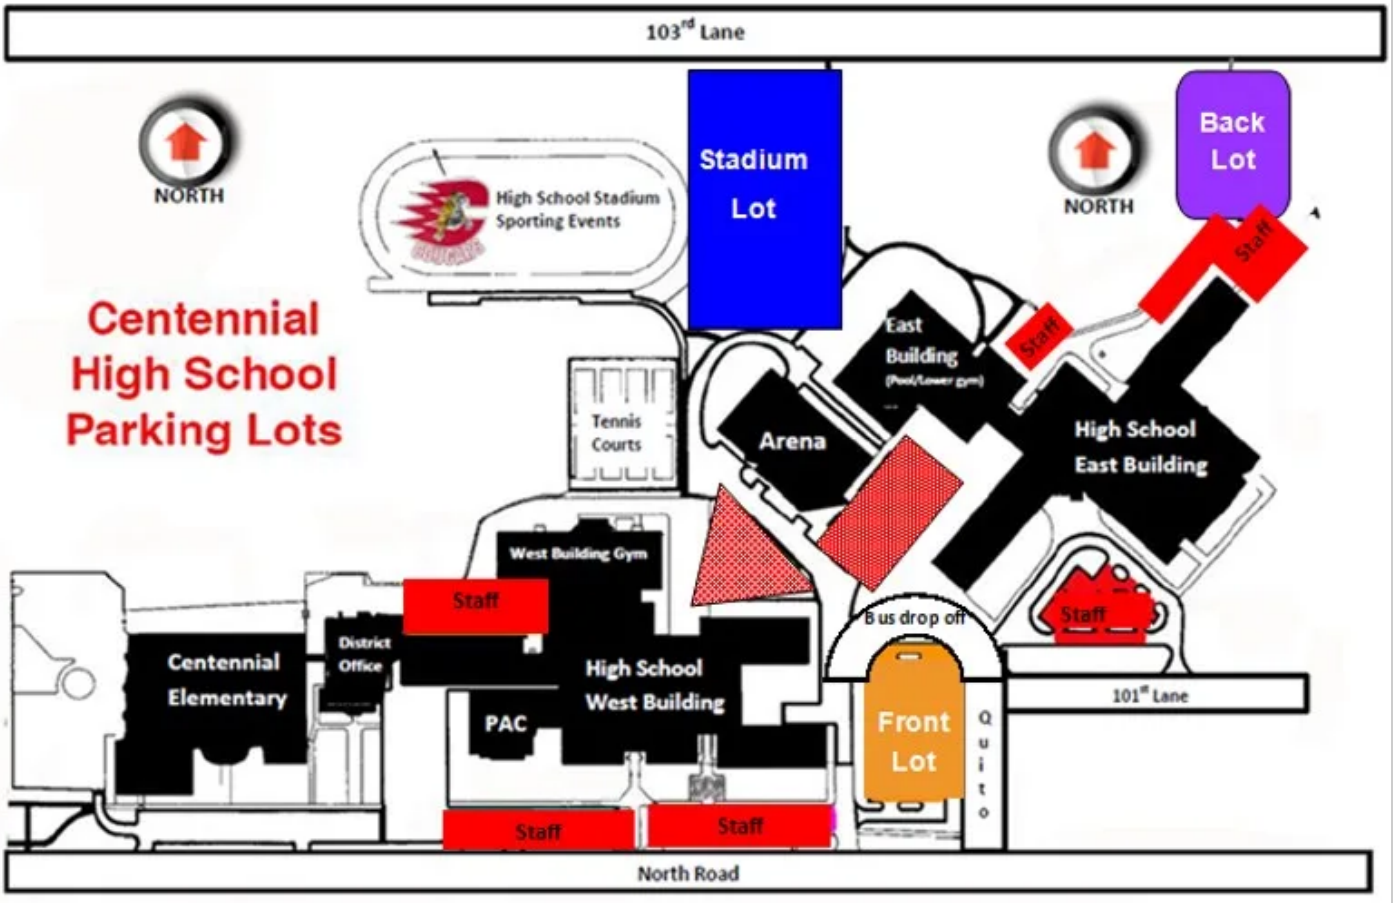

Students who are eligible to receive a permit will be notified by email Tuesday, August 18th, 2026.

Students can pay for their parking permits beginning August 18th online through the Infinite Campus Portal under fees. After paying for the parking permit, the actual parking permit tag can be picked up in the **East Media Center** during Fall Kick Off, Tuesday, August 18th from 1:00-7:00pm. After that time, permits can be picked up in the East Office Monday-Thursday from 7-2pm.

Families should pay for their parking permits online through the Parent/Student Portal in Infinite Campus. If an accommodation is needed for a family to pay by check, please be aware that if the check bounces the permit will be revoked until proper payment is made.

After the Junior and Senior parking applications process has been completed, if any 1st semester permits are still available, an application process for Sophomores will be made available. This is **NOT** a guarantee, and 10th grade families should **NOT** expect to be able to purchase parking permits.

This will be a separate application process, and 10th grade families will be notified if this opportunity is available during the 2nd week of 1st semester.

Welcome Class of 2030

Parents and guardians of the class of 2030

Welcome to the start of the 26-27 school year. Centennial High School is excited to invite your 9th grader to our transitional day, which we call 9th Grade Orientation! The transition from middle school to high school can be a stressful time in the lives of young adolescents. Centennial's goal for 9th-grade orientation is to ease anxiety, promote responsibility, increase school involvement and school spirit, empower students, and reduce disciplinary and attendance concerns.

On Monday August 31st, 9th grade students will join us for a day built specifically for helping them to get comfortable with the high school. An important aspect of this day for 9th graders is making each student feel comfortable and safe in their new environment. During 9th grade orientation, we will focus on building community, offering support and guidance through our peer leadership program, and introducing your student to the building and what Centennial High School has in store for them. *All other CHS students in grades 10-12 will begin school on Tuesday, September 1st.*

Our Peer Leaders have been training to be an integral part of our freshman experience from 9th Grade Orientation and throughout the school year. Our Peer Leaders would like to personally invite your student to 9th grade orientation. Please complete this Google form to ensure that your 9th grader receives a personal phone call from their 9th-grade orientation Peer Leader.

Attached you will find a quick guide to 9th-grade orientation that includes everything you need to know about your 9th-grade students' first day at Centennial High School. *Please note that the schedule for 9th Grade Orientation is subject to change; Should changes be necessary, additional notification will be sent out to families.*

CHS Dance Guidelines

2026 - 2027 Centennial High School Dance Guidelines

- Students wishing to bring a guest to a dance who is not a student at CHS must pick up a guest clearance form from either office and have it signed by an administrator.
- Students are allowed to bring **one guest**:
  - Homecoming Dance: Only students enrolled in a secondary School
  - Prom: Only students under the age of 21 years old
- No guests will be admitted without the appropriate clearance form and proper ID.
- Guests who are unable to provide completed clearance forms and/or are not enrolled in a secondary school setting will be subject to a criminal background check at their own cost.
- Upon an informal interview, the Principal and/or the Principal's Designee have the right to deny any guest from attending CHS dances or functions.

****Any event/behavior that has a disciplinary action may cause a student to lose extracurricular privileges, including not being allowed to attend a school dance.**

2026 - 2027 PSAT/NMSQT & ACT Testing Information

2026 PSAT/NMSQT INFORMATION

The Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test is offered each fall to all students in their junior year of high school. Junior students planning to attend a four year college are encouraged to register for the test. Sophomore students may also want to take the PSAT to become familiar with the test format before taking it as juniors.

The Preliminary SAT/National Merit Scholarship Qualifying Test is a co-sponsored program by the College Board and National Merit Scholarship Corporation. This standardized test provides firsthand practice for the SAT Reasoning Test. Scores from the PSAT are used to select the top students nationwide to compete for scholarships through the National Merit Scholarship Corporation scholarship programs.

This nationally standardized test allows students to compare their performance with other college bound students. This test measures critical reading skills, math problem solving skills, and writing skills and provides the opportunity for students to experience a college entrance test in a practice setting. Following the test, students receive feedback about their performance on these critical academic skills. Students also have the opportunity to receive information from colleges. Additional information about the PSAT is available at www.collegeboard.org

The College Board determines the PSAT testing date. Centennial High School will provide the test to interested students on Thursday, October 15, 2026, from 8:00 AM - 12:00 PM at Centennial High School. **Please note that this is the Thursday of MEA break.** The non-refundable fee to cover the test and its administration cost is $40. When registration opens, the payment method will be communicated to families. Registration is scheduled to open Wednesday, August 12, 2026, and close Monday, August 24, 2026.

ACT TEST INFORMATION

Students planning to apply to four-year colleges, NCAA athletics, scholarships, military academies, or certain training programs should consider taking the ACT during their junior or senior year. Registering for a national ACT test date gives students access to official college-reportable scores and helps them meet admissions and scholarship deadlines. Students can explore test dates, create an account, and register online through the official ACT website at ACT Student Registration. To find nearby national testing locations and upcoming dates, families can use the official test center search and schedule information available at ACT Test Dates and Centers. We encourage students to register early, as nearby testing sites often fill quickly.
